

**INTERNAL AUDIT REPORT
2021/2022 - ANNUAL RETURN
SANDHUTTON PARISH COUNCIL**

1. Background

- 1.1. Following the abolition of the Audit Commission a new organisation has been established which is responsible for issuing proper practices in relation to the accounts of smaller authorities. It is called the Smaller Authorities Proper Practices Board (SAPPB), and is made up of members of the SLCC, NALC, CIPFA, the Department of Housing, Communities and Local Government (DHCLG), the Department of Environment, Food and Rural Affairs (DEFRA), the National Audit Office and a representative of the external audit firms appointed to smaller authorities.
- 1.2. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 must complete Part 3 of the Annual Governance and Accountability Return (AGAR) at the end of each financial year. Where the higher of gross income or gross expenditure was £25,000 or less, a council can certify themselves as exempt from a limited assurance review, and complete part 2 of the AGAR. The AGAR for part 2 is made of 2 sections along with an annual internal audit report, which is to be completed by the Parish Council's independent internal auditor, who is to give an opinion of the Parish Council's internal controls. Sandhutton Parish Council has completed a certificate of exemption and part 2 of the AGAR as part of agreeing the statement of accounts.
- 1.3. ODALC have provided Councils with a checklist to be used, this annual audit uses this list as the minimum of the tests to be carried out.

2. Objectives of the Audit

- 2.1. To examine the system of internal controls to ensure that the Parish Council may obtain an adequate level of assurance for its activities.

3. Scope of the Work and the areas of Audit Work examined.

- 3.1. The Scope of Work covers the key control tests identified in the annual internal audit report part of the AGAR.
- 3.2. To properly complete the audit the following areas of activity have been examined and tested:

4. Audit Findings

4.1. Payroll

- 4.1.1. The Parish Council has 1 employee who works agreed hours and is paid in line with NJC payscales, all payroll information is confirmed by the Chair. This was found to be correct.
- 4.1.2. Payroll services is provided externally every 3 months which is a good internal control for the Council, this was checked for the year and was processed properly with the amounts correct.

4.2. Creditors

4.2.1. There are no separation of duties at Sandhutton Parish Council as the Parish Clerk is the only Officer responsible for Finance and Administration. Satisfactory compensating checks are carried out by the Members.

4.3. Risk Management/Governance arrangements

4.3.1. The Council does not have a Risk Management Policy and there are very few policies in place, however, due to the very small precept and few transactions this is accepted by the Council as the risks are considered very low.

4.3.2. The Council considers the effectiveness of the internal controls which includes Internal Audit, Risk Management and policies and procedures for the Council at its Annual Meeting (29th April 2021) along with the statements of accounts.

4.3.3. There appears to be adequate insurance cover for all assets of the Council with the Council considering other quotations at the Annual Meeting.

4.3.4. Standing Orders and Financial Regulations have previously been adopted by the Council for the year and are still applicable.

4.3.5. Exercise of Public Rights announcement was made on 19th May 2021 and covered the period 14th June to 23rd July 2021.

4.4.2. There are 2 bank accounts held by the Council, Treasurers account for day to day transactions of the Council and a Money Manager account (deposit account) used to transfer money to the Treasurers account when required.

4.4.3. I have agreed the reconciliation of the bank statements at the end of the year to the income and Expenditure records as at 31st March 2022.

4.4.4. There is very little Vat to reclaim each year which the Clerk is aware of and is reclaimed when necessary. Received 21st April 2021

4.5. Accounting Records

4.5.1. All Income and Expenditure was properly recorded, and the Clerk carries out regular bank reconciliations, which are submitted to Members monthly. It was agreed by Council that a Councillor (excluding chairman) would confirm the bank statement and bank reconciliation report.

4.6. Security/Assets

4.6.1. I understand that the Council owns three assets. (war memorial, flag pole and lap top)

4.7. Debtors

4.7.1. There are no accounts raised for any debts owed to the Council.

4.8. Budgetary Control

4.8.1. The budget estimates and precept were discussed by a Parish Council Committee meeting on the 20th October 2021, where it was agreed for the coming year.

4.8.2. At every Council meeting, Members are provided with financial reports, a bank reconciliation statement and orders and payments since the last committee meeting and checked in line with Financial Regulations.

5. Conclusions

5.1. Of the key controls examined within AGAR there was nothing which was considered to be of concern with the internal controls found to be working satisfactory.

6. Recommendations

6.1. There are no recommendations for this audit.
