**Registration of Financial and
Personal Interests for Parish/Town Councillors**

Localism Act 2011
Local Code of Member Conduct

Introduction

Under the Localism Act 2011 you are required to register certain interests with the District Council's Monitoring Officer. The interests include those of yourself, your spouse or civil partner. The register is available to the public.

The registerable interests are set out in the legislation. Other interests may be specified in your Council's Code of Conduct. These guidance notes aim to assist you in determining what interests you have to register to comply with the legislation. It does not cover any additional interests referred to in your Council's Code of Conduct.

The Registerable Interests

The interests which are registerable are specified in the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012, to which Members are referred when completing this Register of Interests. Set out below is an explanation of the nature of those interests.

Name of Parish/Town Council:

Sandhutton

Name of Councillor: *(In block capitals please)*

Frank Ian Corner

I hereby notify you of my interests (and those of my spouse, civil partner or persons living with me as if a spouse or civil partner) as required by the Code of Member Conduct as follows:-

1. Employment or Business

A short description of any job or business carried on by you including any office, trade, profession or vocation carried on for profit or gain including the name of your employer. You are required to declare any employment or business even if it is not within the Council's area. You are not required to declare what income you receive.

Retired Maintenance Engineer and Retired Sole Trader , formerly trading as
Ian Corner Engineering Services

2. Sponsorship in connection with duties as a Member:

The name of any person or body (other than the relevant authority) that has helped you with expenses associated with your election or your duties as a Member. Sponsorship includes another person paying expenses which you would otherwise have to pay, and includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992. Any payments and statutory allowances received from a local authority do not need to be declared.

None

3. Contracts with the Council

Brief descriptions of the nature and length of any contracts for goods, services or works which you have with the Council, either directly or as a partner in a firm or as a director of a company or if the contract is with a body which you have declared under the heading "Securities". This includes contracts with the Council even if the works, goods or services are provided to third parties, e.g. a voluntary organisation. It also includes contracts where goods, services or works are provided by the Council to your firm or other body. Only contracts which have not been fully discharged need to be notified. Once a contract ends it can be removed.

None

4. Land in the District:

Any land, or buildings in the area of the Council in which you have a beneficial interest (freehold or leasehold or a short tenancy), either of your own, or jointly with one or more other people. You have a beneficial interest in land if, for example, you own, you rent, you are entitled to the proceeds of, or you may, under a trust, become entitled to the proceeds of that land. This includes your home address if you own, lease or rent it. Excluded is land where you are a trustee for other people or where you are an executor or administrator of the estate of someone who has died and have no interest in the estate.

If you own land outside the area of the Council you do not have to declare it but if you receive an income from the land then in the 'Employment or Business section' the property letting business should be declared, but it is not necessary to state where the property is.

"Land" for this purpose includes houses, buildings, and the interest of a mortgagee. It excludes drainage rights, rights of way, and other rights which do not entitle you (whether alone or jointly with others) to occupy the land or to draw income from it.

The requirement to register the interest of a mortgagee does not mean that if you have a mortgage on your house you have to declare it. 'Mortgagee' is the person who lends money to another on the security of a mortgage. If you are a mortgagee, you need to give the address or description of the relevant property, not the fact of the mortgage, or the name of the borrower.

The information required is the address of the land or (where, for example, it is land without any buildings on it) a brief description good enough to identify the location. If necessary, please attach a map showing the location of the land or list the Ordnance Survey field numbers which apply.

Sole Freeholder of Sunnybank, Sandhutton, Thirsk YO7 4RS

5. Licences

Any licences that you have either on your own or jointly with others, or any permission that you have to occupy land (for example, as an allotment or for fishing or shooting) where the licence, or permission, will last for a month or longer.

The information required is the address of the land or (where, for example, it is land without any buildings on it) a brief description good enough to identify the location. If necessary, please attach a map showing the location of the land or list the Ordnance Survey field numbers which apply.

None

6. Corporate Tenancies

The address of any land or buildings rented from the Council by you or a body in which you have a beneficial interest.

The information required is the address of the land or where, for example, it is land without any buildings on it, a brief description good enough to identify the location. If necessary, please attach a map showing the location of the land or list the Ordnance Survey field numbers which apply.
