Dear Sir/Madam,

Changes to the Definitive Map and Statement in the Parish of Brampton Ash:
Application to add a Public Footpath Section 61 of the Wildlife and Countryside Act 1981

The Northamptonshire County Council has received an application to add a public footpath to the Definitive Map and Statement in the Parish of Brampton Ash, Northamptonshire, to be known as GGB as described in the schedule and shown on the map.

The proposed route of GGB is located close to Heimitage Road, Brampton Ash, LE15 8PE. The Grid reference is 476033 n 287414.

The route alleged to exist is shown on the map.

The claimed route commences at the point marked A on the map at National Grid Reference (NGR) SP7603 8742 and then proceeds generally north west by 18 metres to meet point B on the map at NGR SP7608 8745. The route then proceeds north west for 147 metres to terminate at point C on the map at NGR SP7688 8745.

The route is shown by a broken red line between points A – B – C.

If you would like to make any observations on these proposals I would be grateful to receive them before the 30th September 2016.

If you have any queries do not hesitate to contact me.

Yours sincerely,

George Meadingham
