

**To all Highland District members**

**Bridge Education during Covid**

**Tutor Training Opportunity 28 Oct 20 10.30-12.30**

It is important not to forget the need to keep recruiting new bridge players. All our clubs need to keep up efforts to survive.

In the present situation, people in general are very receptive to learning bridge. It is something to do to pass the time when other past times are limited.

In Inverness we are teaching bridge on -line using the new SBU material developed by Perth Bridge Club. We have had a bigger uptake this year than ever.

As District Education Convener, with support from Fiona Scully and Tim Wickens, I propose to offer training in on – teaching on **Wed 28<sup>th</sup> OCT at 10.30.**

The training will cover

1. Zoom invitations
2. Presenting Powerpoint presentations on -line.
3. Setting up teaching tables on BBO with preloaded hands
4. Running zoom- sound whilst playing on BBO
5. Helping participants with technology
6. Teaching one table of 4 with zoom or using BBO voice or Whats-app
7. Teaching multiple tables using zoom rooms and mentors

The material is easy to present and the course comes with full student and tutor support materials.

Please notify me if you wish to take part and I will send zoom invitation.

There will be ample opportunity to ask questions and follow up support will be available.

If you have a couple of hours to spare each week please consider teaching bridge. It is very rewarding

Regards to all
