

Rolling with the 6.57 Crew

The book gives some insight into the culture of British hooligans by exploring the legendary 6.57 of Portsmouth. It also provides a snapshot of social history in England during the 80's. This book gives you a real life story told by one of the Pompey faithful. The 6.57 crew were a legend among the football terraces and will be remembered by football supporters nationwide as Premier League, whatever division their team happened to be in at the time. To sum up, I loved 'Rolling With The 6.57 Crew' and couldn't put it down till I'd finished it. Another cracking book dedicated to the 6.57 crew is 'Playing Up with Pompey' by Bob Beech.
