Our Google Classroom code is: **b76kda2** This code will be used to access homework each week.

Starling class will enter the school grounds at 8:45am via the large playground gate. Please make sure that you are on time dropping off your child as the staggered start times have been implemented to keep everybody safe.

The school day will end at 3:10pm and Starling class will leave by the same gate. Please make sure you are also on time to pick your child up to stop overlap between classes.

Children can bring a named waterbottle, their reading record, their reading book, and their lunch into school (please do not bring anything else).

## PE and Forest School

This term PE is on a Thursday. Forest School is now also on a Thursday. Students should come in their PE kit on Thursday in clothes that are also appropriate for Forest school. They should also bring wellies to change into for Forest School. Please ensure that hair is tied back and earrings are removed. It should be noted that hair should be tied back at all times anyway.

## Homework

Homework will be set on Google classroom on a Friday to be completed by the following Friday.

Reading	Please ensure that your child reads daily and that an adult signs their reading record. Carbrooke Book Club is Tuesday evening and Race2Read is 5 or more reads a week to get a raffle ticket.
Punctuation and Grammar	Please complete the weekly grammar activity on Google classroom.
Arithmetic	Please complete the weekly arithmetic questions on Google classroom.
Maths	Each week there will be questions linked to our weekly learning objectives on Google classroom.
Spellings	Children have 10 spellings to learn that either follow a rule or are exception words. These will be tested on Monday. Each week the spellings will be online on EdShed. The username and login has been attached to your child's reading journal.

If you have any questions regarding homework, please do not hesitate to ask me. Thank you very much for your support.

Kind regards,

Mr Baragwanath
