## 25th May 2018

As another half term draws to an end I sit in my office and realise that there is just one half term left until the school year is over again. Where does the time go? Looking back at early newsletters it is clear to see that the children all change dramatically over a year. I know that mobile telephones can be a curse at times, but the increased use of photography can be a blessing—capturing moments that may come, go and be forgotten. Having said all that, we prefer you to not use this during school events or on the school site please.

**Our value this half term is:**

Please come along to the Whole School Café on Wednesday 6th June, 1:30pm. As our focus is Mathematics, our theme this time will be multiplication. This should encourage you to come along, learn a little more, and find out 'how we teach it these days'!

You don't have to be good at maths to join in—never too old to learn.

**Proud as Punch!**

Well done to Chloe who donated 9 inches of hair this week to the Little Princess Trust.

Here is a before and after shot of Chloe. Chloe also received the weekly school award for Courage for this selfless act.

**Carbrooke Village Fair is on Saturday 30th June. There will be a free bus running to and from Blenheim Grange during the day.**

## 25th May 2018

On the 25 May 2018, the UK's Data Protection Act 1998 is being replaced by a new law called the GDPR (the EU General Data Protection Regulation 2016). This law governs how we collect, use and share people's information and provides greater rights to individuals and control over how their information is handled by organisations, including schools.

We're taking steps to review and up date our processes around how we are handling your information and the academy trust have appointed an Data Protection Officer, to help us get ready for the changes. We will publish more information about how we are meeting the GDPR in due course, which will include a privacy notice explaining how we handle pupil information, what rights you have and how to exercise them and our policies around this.

If in the meantime you would like to know more about the GDPR and your rights, please visit the UK's data protection regulator, the Information Commissioner's Office at [www.ico.gov.uk](http://www.ico.gov.uk)

Should you have any queries regarding the GDPR and our school, please email us at email: [office@st-peter-st-paul.norfolk.sch.uk](mailto:office@st-peter-st-paul.norfolk.sch.uk)

positive thoughts  
generate  
positive feelings  
and attract  
positive life  
experiences

The children all took part in a session last week about positive mental health. They talked about the effects of bullying, good friendships and what to do when things go wrong. Try and follow this up at home and encourage an understanding around this.

We are looking for volunteers to come and read with children in school. This would be an afternoon each week, ideally. If you can offer to help, please let the office know.

**Maths Marvels:**  
18/05 & 25/05  
Corban & Millie  
Angel & Chipmunk Class  
Callum & Tyrone  
Lucie & Hailey  
Courtney H  
Finley & Bartek

### Happy Birthday to:

- Riley (7)    Daisy (9)    Lexi (9)
- Toby (5)    Tommy (5)    Logan (6)
- Miss Lawrence (??)    Mrs Griffiths (??)
- Mrs Robertson (??)

Please do remember that **class teachers are the first port of call** with issues regarding your child. They can be seen, by prior arrangements, at a mutually convenient time.

If you would like to come in and talk to a member of the Senior Leadership Team please ask the office staff to book you a time. Please note, it is also possible to ask for a telephone discussion if this is more convenient.

**Our press release for the Ofsted visit in the Spring Term was finally in the newspaper this week. Thank you to those who shared it on Social Media. As the inspection was just a single day we will be expecting our regular 2 day visit either later this term, or in the Autumn Term.**
