## 9th February 2018

How is it possible that half term is here already? Although it has only been 5 full weeks, we have packed them with learning, laughter and love! The children supported school through an audit and also in several sporting and community activities in the last two weeks—all of which went really well. A special mention to the Key Stage 2 Tag Rugby team who won the big schools tournament for Breckland! Well done to all who took part.

**Rabbit class are looking to make a new mud kitchen in their outside area. If you have any play or cooking items you no longer require they would very much appreciate them. Many thanks.**

**Our value this half term is:**

**Calling all Mums!**

We would like to invite you along to a Mothers Day café on Friday 9th March from 2pm. We know that the children have really enjoyed treating you previously, so please try to come along. Please register your intention to come along with the school office (so we know how many to cater for).

**Announcement**

After being a part of the staff team for 15 years Mrs Spaul has made the decision to move on from Carbrooke at the end of term. Mrs Spaul has been involved with teaching and supporting so many children and their families, that she will be greatly missed. I know you will join with me in wishing her all the very best for the future.

**National Story Telling Day**

As part of the school are out on the residential on World Book Day, we have decided to take part in Story telling day instead. This is on **Tuesday 20th March**. We would like the children to be dressed as their favourite story character, and preferably bring along a book their character is in also. During the day we will have a story teller in school, and hope to invite people in to read or tell stories to the children. There will be a photographer in school also, as our story teller is being paid for by the Knights Park housing developer.

## 9th February 2018

### Ovington Performance

A huge well done to the children who took part in the Ovington Church presentation on Saturday at Wayland last week. The overview can be found in the EDP and the people who attended agreed that it was a brilliant opportunity for all who participated.

### National Number Day

The children (and staff) had a wonderful morning taking part in activities, quizzes and hunts for National Number Day. The square prize draw raised £27.50 which will be donated to the NSPCC.

The 5 prize winners were:

- £10— Aston      £8— Emily H      £5— Alice
- £3— Agita      £1— Courtney

### Residential

We are thrilled to announce that almost 30 children will be attending our school residential at the end of the month. This is a wonderful experience for the children who often secure lifelong friendships during these visits.

The bin crews are out looking for good recycling bins to reward. Our first £500 is already in the bank, and we are looking at what we can use to spend the money on. If we collect the most stars per pupil, we will win another £500, so look out for them, and ask local friends and relatives to do the same! The scheme runs until early March.

Look out for the school Facebook and Twitter feeds—Carbrooke Primary and @CarbrookeAcad

Do you have anything you would like advertised? Contact Mrs Wheeler by Wednesday of a newsletter week.

### Ofsted Questionnaires

There are more available in the entrance way, or you can complete online at Parentview. We were pleased to see so many positives!

Please do remember that **class teachers are the first port of call** with issues regarding your child. They can be seen, by prior arrangements, at a mutually convenient time.

If you would like to come in and talk to a member of the Senior Leadership Team please ask the office staff to book you a time. Please note, it is also possible to ask for a telephone discussion if this is more convenient.
