## CHILDREN'S HOSPICE SOUTH WEST CREAM TEA FUNDRAISER

The Big South West Cream Tea takes place over the August Bank Holiday weekend and organiser Children's Hospice South West (CHSW) is asking supporters to join in by holding their own cream tea fundraiser with friends and family.

You can enjoy a Great British classic at home, the park or even virtually and help raise vital funds for local families and celebrate CHSW's 30th anniversary, and if you are able to raise £30 or more you will receive a special CHSW 30th anniversary medal.

The charity, which runs three children's hospices across the South West, including Little Harbour in St Austell, has everything you need to hold your own cream tea fundraiser. The fundraising pack includes invites, recipe, '#JamFirst' and '#CreamFirst' signs, donation form, bunting, thank-you cards and more. To register your cream tea event or for more information, visit [www.chsw.org.uk/creamtea](http://www.chsw.org.uk/creamtea)

## NEIGHBOURHOOD DEVELOPMENT PLAN

Not much in the way of news this month beyond the fact that the NDP steering group will be having its first face to face meeting this month after such a long time.

I'm not sure that the "post 19<sup>th</sup> July" covid situation provides us with any more significant confidence in arranging the public consultation. What has been resolved is that the consultation will be formatted around an exhibition styled event whereby the results of questionnaires and surveys, together with potential options based on those results, will be displayed.

It is anticipated that parishioners will be then given the opportunity to comment, anonymously if they wish, by way of ballots on each of the priority areas.

I know that the Facebook page followers are inclined to voice their opinions and any contribution will always be welcome.

Further information of note will continue to be made available via the newsletter, website and Facebook page.

## MOBILE LIBRARY SERVICE

The following information has been taken from the Cornwall Council website

<https://www.cornwall.gov.uk/libraries-museums-and-archives/libraries/mobile-library/>

The mobile library provides a library service to rural areas in Cornwall where there is no static library or micro library. The mobile library continues to run and in line with Government guidelines, we are welcoming you at the door. Please follow Government guidelines whilst waiting/queuing for the mobile library.

We are operating a click and collect service. This means that you should order your books online by browsing the [online library catalogue](#) and make your selection. You will be notified once they are ready for collection. Please note that your reserved items will then be ready for collection at your next regular mobile library stop. You can also return items.

**If you are unable to access the internet** to reserve your books online please talk to the Mobile Library team. They will aim to provide you with a 'quick selection'.

We have continued to increase our list of eBooks and eAudio books. These are FREE for Cornwall Library members so that you can read a wide range of books without leaving home. Downloading is easy, just follow our instructions on [Borrow Box](#).

Please continue to check this page before your visit in the event that there are any changes.

If you cannot find your stop or if you need further information please call us on either 07837 815942, 07967 340910 OR 07925 360554

Or you can call 0300 1234 1111 or email [libraries@cornwall.gov.uk](mailto:libraries@cornwall.gov.uk)

## WI BOOK GROUP REVIEW

**Title : THE SECRET OF STRANGERS**

**Author : CHARITY NORMAN**

**ISBN : 978-1911630418**

**Book**  
review

Charity Norman was born in Uganda and brought up in various vicarages in Yorkshire and Birmingham. She became a barrister specialising in crime and family law. She is also a mediator and telephone crisis listener - experience of which is included in this book.

The story revolves around a group of people caught up in a hostage situation in a cafe when a gunman (Sam) shoots and kills the proprietor (his stepfather, Robert) As the story evolves the reader becomes aware of Sam's heartbreaking story and the evil way his stepfather controlled all aspects of his life. The hostages back stories were also very moving and the book group liked the way the the author gave insight into the role of the mediator.

The group found the book very well written and difficult to put down. We thought it would make a good T.V. drama.

## BIRD NOTES

**On the 9<sup>th</sup> June** Sharon Ashman saw a **Rose-coloured Starling** in Ellenglaze Meadow, Cubert. This bird has a striking pink back, rump, breast and belly. The wings and tail are glossy black. Immature birds are sandy olive-brown above and paler below. These birds breed irregularly in SE Europe. If you do see one, the adult's colour is typical but beware it can be partially albinistic.

**In mid-June an Albatross** was spotted off Lizard Point by a local resident, he was shaking so much with excitement that he was unable to take a good photo. The habitat for this bird is islands in Southern oceans and rarely wanders North. Also a Hoopoe was seen in Lizard village. I have seen Hoopoes on St Martins, IoS and years ago Ben Hocking and Geoff Reed saw one in Cubert. The Hoopoe has a long black tipped, pale ginger crest on its head.

**At the end of June** rare European **Bee-Eaters** were seen behind a McDonalds in Great Yarmouth, Norfolk. This attracted hundreds of keen birdwatchers. Bee-Eaters are medium, Swallow-like and unmistakable. It has a dazzling array of plumage colours. Adult and immature green, chestnut, gold and white above, yellow black and turquoise blue below. The tail is long, the beak is dark, long and downcurved. These birds are fairly common in Southern Europe.

**Three teenage boys** stoned a Goose to death at a small stream in Stanstead Abbots, Herts. They also attacked her Goslings. Police trying to trace them, described their actions as despicable.

**A friend in Stoke-on-Trent** had **Siskins** coming to his feeders in late June, he also saw a Whitethroat. He was very pleased to see a **Hoopoe** in Norfolk.

**My cousins**, Margaret Reed and Delia witnessed a flyby of 5 Choughs on the cliff-tops at Kynance Cove, showing how wide their distribution is now. They also observed 4 Ravens on a rocky outcrop nearby.

**Sightings of many rare** species have made 2021 the best year for UK bird watchers in a decade, says birdguides.com.

**After seeing 5 Choughs** acting as a unit at Polly Joke on the 18<sup>th</sup> June, Tim Hodder has only seen one on the Kelseys lately, despite widening his search in both directions. Reports that 6 Choughs have been seen at Bedruthan Steps, but they could be from anywhere.

## CUBERT SEA ANGLERS 1963 – 2021

**“Club Fishing”** many anglers are experiencing the decline of various species of fish that were once regularly caught from local beaches and rock marks, the once common catches of bass, ray, turbot, pollock and gurnard, are unfortunately no longer in numbers according to club records, is this due to over fishing by our commercial sector or what is the answer?

### **“June Competitions”**

A monthly competition for the **“Heaviest Mackerel!”** was won by Nick Callaya with a fish of 14 ozs.

A monthly competition for **“The John Penna Bass Trophy”** was not won, so this competition extends to the end of October 2021.

### **“July Competitions”**

A monthly competition for **“The Heaviest Fish”** caught on a plug or lure.

A second monthly competition for **“The Mike Hartley Shield”**

1<sup>st</sup> Prize – “Most Species” £15

2<sup>nd</sup> Prize – “Heaviest Fish” £10

### **“ August Competitions”**

A monthly competition for **“The Jubilee Pairs Shield”**, each pair of anglers will be fishing for the **“Most Species”**, in the event of a tie, the heaviest weight of fish takes the prize.

A monthly competition for the **“David Penna Bass Trophy”**, fishing for the **“Heaviest Bass”**, fished from Gravel Hill Beach, if not won the competition extends to the end of October 2021.

### **“Club Meeting for 2021”**

Due to reduced number of club meetings for 2021, created by the Corona Virus, the committee has decided to reduce the membership and pass details for anglers joining this year. Each angler will have to pay £2 covering membership and pass details. The deadline to re-join this year is Saturday 31<sup>st</sup> July 2021, all payments to Brian Osborne.

With the Parish Council election happening in May 2021 for the first time in over 20 years, I (Editor - Judy) thought it an appropriate time to interview the Parish Council (P.C.) about what they do and how it is achieved. This could not be discussed as the P.C. had to be 'suspended' until voting was over and the new council formed. I therefore interviewed Alan Percy in June, who has now stepped down as Chairman after over 10 years.

This article content has been ratified by the Clerk, David Hawken.

### **A HUGE THANKS TO ALAN FOR HIS YEARS OF DEDICATION AND TO ALL THE COUNCILLORS FOR THEIR HARD WORK**

Full information can be found on the P.C. website

<http://www.parish-council.com/CubertParishCouncil/>

Reports from the P.C. meetings are published in the monthly Cubert Newsletter (paper copy or Online) and pinned up at the Holywell and Cubert Bus Stop shelter notice boards.

#### **The P.C. owns the following:**

- Cubert public toilet block
- Cubert cemetery
- Cubert Chapel Green and toddler's park
- Cubert Youth Park and skate park
- Cubert and Holywell bus shelters
- 19 bench seats
- 12 street bins

The P.C. leases the Cubert allotments

The P.C. is a Trustee of Cubert Village Hall with the current representative being Deborah Hopkinson

#### **The P.C. is responsible for the following maintenance:**

- 26kms public footpaths (not the South West Coastal Path)  
Volunteers (more needed) help with the maintenance and there is some work having to be paid for.
- Cubert public toilet block
- Public toilet cleaning in Holywell. They are, however, owned by the National Trust
- Grass Cutting - Cemetery, Church graveyard, Church field, play areas, village hall, Treguth Common and various housing estate entrances
- Litter picking between the 30mph zones in Cubert and Holywell (parish boundary only)
- Beach cleaning. The P.C. skip is that found at the bottom of the path leading up to Treguth Common from the beach. This is emptied 25 to 30 times per year.
- Emptying of public street bins for central collection

#### **P.C. Employees:**

- Part time Clerk to the P.C. (currently David Hawken)
- Toilet Cleaner
- Litter picker and bin collector
- Beach Cleaner
- Public Footpath clearer

#### **P.C. Members:**

There is a maximum of 9 councillors who are NOT paid and no allowances are provided. A councillor must be a resident of Cubert (or close proximity to the parish) and on the electoral roll.

Each resignation triggers a possible election or co-option to fill the vacancy. Resignation within six months of an (4 yearly) election date is left vacant until the election date. There will be an election if more than 9 residents apply for vacancies, otherwise co-option occurs. Co-option is a process whereby the current councillors vote, by secret ballot, for the applicants to the vacancies. This is executed in line with National guidelines / law.

#### **Meetings:**

Monthly meetings take place, one of which is statutory (to elect the annual Chairman), with one annual meeting which is mandatory.

Ad hoc mid-month meetings can take place as required (e.g. urgent issue that cannot wait for a regular meeting)

A quorum of 3 councillors is required for any vote with the casting vote by the Chairman in case of any tied vote.

#### **Code of Conduct:**

Each councillor must provide a declaration of personal interests held within the parish which is made publicly available on the P.C. website.....(continued on the next page)

Any councillor with a declarable interest at any meeting, must declare that interest at the start of the meeting (or when it becomes apparent) and leave the meeting room without comment when that item is discussed / voted upon. Any suspected breach of the Code of Conduct must be raised by councillors and reported to the County Monitoring Officer at County Hall for investigation.

#### **Audit:**

The Annual Audit takes place under National guidelines/law using external government approved auditors. A Quarterly Audit also takes place and under National guidelines/law using an internal auditor (non-related to P.C. members)

Monthly payments are approved by proposition and vote each month

#### **Planning:**

The P.C. is a statutory consultee only, able to make representations to the Local Planning Authority, Cornwall Council, who make the eventual decision.

#### **Outside The Parish – Meetings:**

Network Meetings are run by Cornwall Council along with other P.C. representatives that are in the Cluster Group for this part of Cornwall – currently 6 in number.

The Highways budget of £50K is shared amongst the 6 and requirements are presented in this meeting which is held at Perranporth

#### **Over And Above:**

Some of our councillors go over and beyond their expected duties by doing work and jobs around the parish. e.g. Placed the new benches, Footpath clearance, Painting signs around the Parish, Play area repairs, Odd jobs and tidying up around the Parish

These voluntary duties save the parish money by not having to pull in contractors from the private sector or Cornwall Council whose charges are high and sometimes jobs can be done far quicker.

#### **Where the Money Comes From:**

The money required to run the P.C. and pay for the expenditure comes from the Council Tax we pay to Cornwall Council known as the precept.

Money also comes from the solar farm at Trevemper from which Cubert receives 70% and Crantock 30%. This pays for the Community Benefit Trust every year from which parishioners and the local institutes may apply for a grant.

Money is also received from film and TV companies using the beach and facilities at Holywell Bay e.g the latest was for the Game Of Thrones prequel.

## **DO YOU NEED HELP DURING THE COVID-19 CRISIS ?**

Claire Bradder and Tabby Corbett have got a group of people together who are happy to help with getting shopping etc for those who are isolating and vulnerable in the Cubert and Holywell area.

This is all completely voluntary and no payment needed.

Please call

Tabby 01637 830165 OR

**APOLOGIES:** Cllr. G. Rowe. **Police Report** – None.

**OPENING:** The Meeting was opened at 8.00 pm, by the Vice Chairman Cllr. R.L.B. Spencer

**ELECTION OF CHAIRMAN FOR THE REMAINDER OF THE YEAR :** It was decided to defer this item.

**MINUTES OF THE MEETING HELD ON 16th June 2021:** The Minutes were approved and signed as True Records.

**MATTERS ARISING FROM THE MINUTES OF 16th June 2021:**

The Clerk reported success in resolving the issue of the dropped kerbs in Churchfields. Some dropped kerbs have now been installed the remainder are now scheduled for 2nd August 2021. The Clerk further reported that we have received a quote for re-furbishing the toilets. It was decided to have an Agenda Item for next month on toilet refurbishment.

**PLANNING: Decisions made by Cornwall Council:**

**PA21/03363** Listed building consent for construction of swimming pool and pool building - Ellenglaze Manor Road From Ellenglaze Manor To Ellenglaze Lane Ellenglaze Cubert TR8 5PU for Mr. Robert Hartley - **Approved**

**PA21/03362** Construction of swimming pool and pool building - Ellenglaze Manor Road From Ellenglaze Manor To Ellenglaze Lane Ellenglaze Cubert TR8 5PU for Mr. Robert Hartley **Approved**

**Applications:**

**PA21/05208** Sub-division of existing dwelling into two dwellings, with extensions to second dwelling, associated works and demolition of existing conservatory Haven Cottage Trevail Cubert Newquay for Ms Cath Blair - **Resolved** to **object** to the application due to considerable concerns with regard to overlooking of the garden area to the West from the raised decking and bedroom rear window, We also have concerns over the minimal parking available and have concerns over the long term availability of a parking place tied to each property.

**LANDMARK TREES** - It was decided to apply for a Free Landmark Tree.

**FOOTPATH MAINTENANCE**

Cllr. W. Caff reported that the current equipment is not suitable for the purpose. It was decided that Cllr. W. Caff will obtain quotes for replacement equipment. It was decided to have an Agenda Item next month to review the quotes and decide on purchases. It was further decided to ask James Bradder to tidy up some of the older graves in the cemetery. Cllr. M. Smith to give him direction. It was also decided to get tree surgeon quotes for the cemetery. Cllr. Caff informed the meeting that he has received interest from 8 potential footpath Volunteers. Cllr. W. Caff also raised concerns over the condition on the seven bridges footpath. Cllr. W. Caff to send photos etc of the seven bridges footpath for the Clerk to raise the issue with the Countryside access team.

**SOCIAL MEDIA POLICY**

A sub-committee of Cllrs T. Hulbert, M. Smith and S. Bell to investigate and report back to full Council.

**NEIGHBOURHOOD PLAN**

The group are hoping to start face to face meetings again and will be planning engagement activities with Parishioners possibly as soon as September

**SPECIAL AWARD:** It was decided to postpone any decision.

**ANY OTHER RELEVANT BUSINESS NOT REQUIRING DECISIONS AT THIS MEETING:**

Cllr. M. Smith reported on his Meeting with David Pearce (Devon & Cornwall Police). There are pool CCTV cameras available. He also mentioned another 2 accidents at Cubert Crossroads. It was decided to look into the possibility of using CCTV for the Zigzag lines outside the Post Office. Cllr. W. Caff reported on a couple of street lights not working. Cllr. W. Caff to report this into Highways. Cllr. W. Caff also questioned why dog poo can't be put in litter bins. It was explained that the Parish Council does not have a vehicle to empty bins heavy with dog poo. Cllr. W.C. Longden raised the issue of parking on the ZigZags and parking on the triangle at Holywell Bay.

**CLOSING, DATE OF NEXT MEETING:** The meeting was closed 9.37pm.

The Regular Parish Council meeting to be held on **18th August 2021** at 7.00pm in the Village Hall

## LITTER BINS

Everyone can help us by not putting domestic waste or dog poo bags in litter bins. Please only put dog poo in the allocated Dog poo bins – The Parish Council litter bins are not designed for this use and we do not possess a vehicle capable of transporting the heavy bags laden with dog waste. If you are not passing a Dog Waste bin - Please consider taking your dog waste home with you and disposing of it in your general waste. You might want to consider using a Dicky Dog Waste Bag in future?

Domestic waste should never be placed in litter bins. Please use the Cornwall Council regular collection service.

## CUBERT PARISH NOTICES

If you are elderly / infirm / self isolating and need some assistance (Shopping etc), please contact us and we will try to put you in contact with a local volunteer who may be able to help you.

STAY SAFE AND LOOK AFTER YOURSELVES AND YOUR NEIGHBOURS.

## Queens Platinum Jubilee 2022

An extended bank holiday, from Thursday 2nd to Sunday 5th June, will provide an opportunity for communities and people throughout the United Kingdom to come together to celebrate the historic event. The Parish Council would like to hear from Parishioners with ideas on how they would like to see the Platinum Jubilee celebrated. Some might remember the Beach Party held for the Golden Jubilee. We need time to prepare, so please get those thinking caps on!

Please forward any ideas to the Clerk of the Parish Council Email: [cubertpc@btinternet.com](mailto:cubertpc@btinternet.com)

## FOOTPATHS

Can you spare a couple of hours every other month?

We are looking for volunteers to help maintain our lovely footpaths

Sky, of a faint rosy hue, above the sea,  
 Reminds us that sunset has not long passed.  
 The sea; the sea this evening is silver,  
 Silver, so still, so smooth, all but silent.  
 It's as if a hand, a large, strong hand,  
 Swept softly across the bay, leaving  
 smoothness.

**THANK YOU FOR YOUR SUPPORT****CUBERT METHODIST CHURCH****Philippians Chapter 4 verses 6-7**

Don't fret or worry about anything. Instead of worrying, pray.

Let petitions and praises shape your worries into prayers, letting God know your concerns. Before you know it, a sense of God's wholeness, everything coming together for good, will come and settle you down.

It is wonderful what happens when Christ displaces worry at the centre of your life.

## MANAGEMENT COMMITTEE ANNUAL REPORT

For obvious reasons no report was completed for 2020 and I'm sure you all agree, that it is a year we'd rather forget.

However, when we were allowed to open for exercise related classes Tai Chi, Pilates, Yoga, Karate, Short Mat Bowls, Taekwondo and a private dance class took place with very limited numbers and under strict usage rules. Fortunately, Karen's Beauty Tips was also able to operate.

It is fair to say that our domestic, Claire Bradder, was an absolute star and we could not have remained open without her dedication to the job. She had to dress in full PPE garb to fog (disinfect) the building after every class which sometimes meant her turning out late in the evening to be ready for a class the following morning – a **HUGE** thank you goes to her.

The non-running of last year's lottery and the limiting of classes has meant our income has been **severely** reduced. Our Treasurer, Bill Longden has been proactive in applying for and obtaining Government Covid-19 grants during lockdown. Our 2021 aim was to reintroduce the Lottery and Laura Herman has been an invaluable help in organising and improving this. Sadly she is no longer on the committee and Kath Harrison has taken on the reins again. Please e mail her at [k.harrison216@btinternet.com](mailto:k.harrison216@btinternet.com) if you would like to be allocated a ticket.

We needed to address the finances situation urgently because we have a much bigger project in hand for the coming year. The grant money received has enabled us to obtain planning permission for two new large block-built storage rooms in the rear car park. The extension, completed a couple of years ago, has proved invaluable, but too small. The building of this new extension will start in October and hopefully be completed by April 2022. Unfortunately, the metal porta cabin that was in the corner of the car park has collapsed. This was being used to house the village Christmas lights and associated equipment all of which is solely for parish fundraising events. Part of one of the store rooms will probably be used by them and the other one can allow us to empty the room off the end of the main hall and use it for other things.

Recently we have had to accept the resignation of our Chairman, Liz Bradder and long term committee member, Jane Dearn, both of whom have given over 20 years of service to keeping the hall running. We cannot thank them enough for their dedication and passion. Along with them, Laura Herman, a young and much needed new ideas and helper to run the hall finances, has also resigned so we are short on numbers to help run the hall efficiently.

Now that we have been given the go ahead to get a full diary of classes back, please contact our Bookings Secretary Deborah Hopkinson on (01637) **830909** or by e mail to [cubertvillagehall@outlook.com](mailto:cubertvillagehall@outlook.com) There is already a healthy range of bookings in place but as can be seen on the Regular Bookings list in the newsletter, we have room for more especially during the daytime.

Coupled with income from regular bookings, fundraising and Government Covid-19 grant money, we feel confident that the future of the hall is secure. It was originally built by parishioners for the use of the parish and we must **ALL** play a part in keeping it going or we will lose it.

As we finally come into the Summer months, we should be grateful that temperatures have not risen to quite the same levels as those in Western Canada and America, where what has been described as a 'heat dome' settled over the area in July, trapping hot air and preventing other weather systems from entering. The record temperature was at the small town of Lytton in British Columbia, where 121F (49.5C) was recorded. The town, which had been evacuated, was later engulfed by fire and destroyed. In Oregon the heatwave was described as a 'mass casualty event' after it claimed more than 100 lives. In Iran people were experiencing temperatures of 50C and it is estimated that world-wide, some five million deaths are linked to abnormal temperatures caused by climate change.

It is now well established by scientists that burning fossil fuel is the leading cause of CO2 emissions, and is something that can be changed through use of renewables, but oil, gas and coal have been so much a part of our lives it is very difficult to withdraw from that source of energy and the vested interests of global companies like Shell and BP have huge influence on government policies around the world. Sadly, there is now news that BP is planning to drill for fossil gas on the edge of the world's largest cold-water coral reef off the coast of West Africa. If the project is approved the final aim is to produce around 40 trillion cubic feet of gas over the next thirty years which would produce 2.2 billion tonnes of CO2 - nearly twice the annual energy emissions of the entire African continent.

As the ice retreats from the Arctic, new shipping lanes are opened up and more land is available for prospecting in this mineral rich part of the world. China, Russia and the US are all showing interest in developing the area, and so the Arctic nations are joining together to try and protect their environment. In Norway, young climate activists together with Greenpeace and Friends of the Earth are bringing the issue of Arctic oil drilling to the European Court of Human Rights, arguing that by allowing the drilling, the Norwegian government is breaching the basic human rights of the people living in that region by contributing to the climate crisis. There has also been a draft proposal to the UN International Criminal Court to adopt the crime of 'eco-cide' where committing 'unlawful and wanton acts with the knowledge of a substantial likelihood of severe and widespread, long-term damage to the environment' could be prosecuted. This would add ecocide to the list which includes crimes against humanity, war crimes and genocide.

The Isles of Scilly are often stopping off places for rare creatures, and the Egyptian Vulture seen there in June was one of them. Not so rare, but rare in our waters, is Wally the Walrus who seems to be resting on the Scillies before returning to the Arctic. Residents there have built him a pontoon to climb on after he wrecked several small boats in the harbour. In the world of plants, an orchid, believed to be extinct in the UK, has been found growing on the roof of a London Bank. The small-flowered tongue orchid is normally found in Mediterranean countries and hasn't been seen in Britain for a decade, but fifteen plants have been found on the 11<sup>th</sup> floor garden roof of a Japanese investment bank in the City of London. The last colony to be found was at Rame Head in 1989. Meanwhile Natural England has announced a 'landmark programme' for protected landscapes in England. Areas being considered as part of the programme include the Yorkshire Wolds, the Cheshire Sandstone Ridge, the Surrey Hills and the Chilterns – all Areas of Outstanding Natural Beauty. Natural England hopes to develop new approaches to landscape that will encourage nature recovery and improve people's connection with nature, especially in areas close to towns and cities.

The tourist season is well underway but it has not stopped us getting out and about. Many members have been enjoying Arty Crafty in the Round Garden, thanks to Sonia Jones for organising it. So far the weather has been kind and the peace and quiet of the garden much appreciated.

Our first Clay Poppy Group was held on Wednesday 7<sup>th</sup> July and was a great success producing over 20 poppies (see picture)

The next group in July is already full and there will be one more sessions in September. When finished they will support the knitted poppies that adorn the memorial hall and triangle on Remembrance Day. Wool is still available outside Salli Blackford's gate for the knitted poppies and arrangements will be made for them to be fixed to Kenneth's new foal in September. Sue Stevens will be offering a felt poppy making session in the Methodist Chapel on the 29<sup>th</sup> of September - more information to follow.

Due to the Government Road Map being extended we were not able to resume our usual WI meetings in the Village Hall in July so the Round Garden seemed the ideal space to meet outside. The sun shone and, apart from the noise of a convoy of buses and arguing seagulls, it was an ideal venue. Here we enjoyed the presentation of our guest speaker, Jasmin St John Wallis. She told us about how her university projects had changed the direction of her career from events photography to that of plants and gardens. Members enthusiastically asked questions and Jasmin offered to photograph their gardens. She is at the moment producing a magazine which is due for publication in September. We wish her good luck with this exciting enterprise.

Our September speaker will be Kerry England who will talk about Volunteer Cornwall and the Stroke Befriending Service.

Lynne Wilson gave an overview of events coming up in the next few months. CFWI will be holding their Annual meeting on 20<sup>th</sup> October at the Hall for Cornwall. Tickets need to be purchased from Lynne Wilson before the 3<sup>rd</sup> September if you wish to attend. There was also the opportunity to get involved in future activities provided by the Crantock WI. These include the Heli Cream Tea (Cornwall Air Ambulance fundraising event) and the Summer Lunch on the 10<sup>th</sup> August hosted by Sue Stevens.

The WI event that normally takes place at the Royal Cornwall show is being held at Chy Nowth on Friday the 10<sup>th</sup> and Saturday 11<sup>th</sup> September. There is no charge for entry but there will be stalls and displays of work from other WIs in Cornwall. More information to follow.

The competition winner was Ann May with a beautifully illustrated poem about Polly Joke. Next months competition is Tray Garden, real or artificial. Entries should be brought to the next meeting.

July's Book Group met in Marie Hedge's beautiful garden to discuss Secrets of a Stranger by Charity Norman. See the review for more information. For the second month running we agreed we had enjoyed it and, although we could have made some minor improvements, all said it had been a good read. Our next book is The Summer of 69 by Elin Hilderbrand. The book group takes place on the 4<sup>th</sup> Tuesday of the month and if anyone is interested they should contact Lynne Wilson.

WI takes a summer break so no official meeting in August but we will meet again in the Village Hall on September 14<sup>th</sup> at 2.00pm. I look forward to seeing you all then.

**Have a wonderful Summer.**

It's that time of year again when we prepare to say good bye to our Year 6 pupils as they begin the next step on their education journey. This year we have pupils going to both the Newquay secondary schools, Truro school and to boarding school in London. We wish them all the very best of luck and look forward to hearing how they are getting on.

After many years of loyal and dedicated service to Cubert School, Mrs Wells will also be leaving us. Lin will be greatly missed by us all, and we wish her well in her retirement. I'm sure she will be popping in to see us once restrictions have been lifted.

Unfortunately, due to the current government guidelines, we have been unable to invite children joining us in September in to school to spend time with their new teachers in the Early Years classroom. However, they and their families will receive a very warm welcome at the start of the new school year. Hopefully by then, school will be running more like normal, fingers crossed.

The whole school community has worked hard to end the year on a positive note and to make it as much fun as possible for our children. The year 6 pupils enjoyed activities including sumo wrestling and laser tag on the school field in lieu of a residential trip.

Sports Day was great fun with classes completing challenges and races within their bubbles and wearing their house colours. Mr Hyde, our PE coordinator worked hard to create an exciting day for everyone, a big thank you to him from everyone.

Our PTFA have organised a non-uniform day before the last day of term. Children can come to school wearing as many colours of the rainbow as they can to say thank you to the NHS and as a symbol of hope for the new term.

We wish everyone a safe and sunny summer, and look forward to sharing news with you all in September.
