Holywell Bay GOLF

Charity Donations 2021

CORNWALL HOSPICE CARE

CORNWALL AIR AMBULANCE

Holywell Bay Golf Club, situated next door to the Trevornick Holiday Park at Holywell, have donated a total of £1500 to two local charities. £750 went to Cornwall Hospice Care and £750 to the Cornwall Air Ambulance. The money was collected by members of the club with one of the methods being fines for placing the golf ball in a particular bunker on the course, forgetting to take caps off when entering the bar and various other forfeits !!! Well done and thank you for your excellent donations

LET'S TALK HOMES – HOUSING SURVEY - CORNWALL COUNCIL

ENDS MONDAY 8th NOVEMBER 2021

The homes we live in affects every aspect of our lives. We are starting to review the current Housing Strategy* for Cornwall and have some further questions we want to ask of residents, stakeholders, organisations and anyone interested in housing. The answers to these will help us prepare a draft strategy that we will be more formally consulting on this winter. Please visit the 'Let's Talk Homes' <https://letstalk.cornwall.gov.uk/housing-strategy> and fill out the survey 'What Challenges do we face? What should our Priorities and Objectives be?' **by 5pm Monday 8th November 2021**. The draft Housing Strategy will be formally consulted on towards the end of the year with a view that this be approved at Council in April 2022. Plans are being made to engage with Council Members through the Overview & Scrutiny function alongside colleagues in Planning Policy, Local Transport and Economic Development to ensure that all our emerging Strategies are consistent and complimentary. The Housing Strategy is a strategic partnership document and describes what our priorities will be for homes over the next five years and beyond. For more information contact Sarah – sarah.thorneycroft@cornwall.gov.uk

POPPIES CRAFT CALL-OUT

To all crafters in the village

We are a group of mature ladies that meet on a Monday afternoon for knitting, crochet etc.

We would like anyone in the village that can knit or crochet poppies to help us remember the fallen heroes past and recent on Remembrance Sunday.

We are hoping to do some sort of display by the memorial with the home made poppies. All poppies made would be very welcome.

We would need all the poppies by **SATURDAY 6TH NOVEMBER**.

The collection point will be **The Baker's Dozen** in the village and a box will be in place.

Many thanks, everyone.

Tracey

Devon & Cornwall Police

SPECIAL CONSTABLES

Recruitment is now open to join Devon and Cornwall Police as a Special Constable. Applications close at **11.55pm on Sunday 24th October**.

There is a recruitment awareness event on **28th September from 6pm - 7pm**.

ERRATUM from Sept Issue Bird Notes

Springwatch presenter is Lolo (Indigo, Oscar, Lima, Oscar) Williams and not Lolo – apologies – Judy - Editor

Bitterns were on the brink of extinction back in 1997 with only 11 booming males being recorded in the UK. Since then, the reedbeds have been restored. In 2019 a record breaking 200 booming males were found. The Bittern is Britain's loudest bird. Booming is the call of the males. A Bittern has bred at a nature reserve straddling Warwickshire and Staffordshire. It is the first in the region since 1886. Site manager Kate Thorpe said "We had 2 successful nests in the restored reedbed. It shows the impact good habitat can have."

Cranes are now regular visitors to the UK. These 4ft high birds arrived back in Scotland in 2012 after an absence of 400 years. 2019 proved a record breaking year in the UK with Great Cranes visiting over the summer. In 2018 a total of 180 birds fledged another 25 chicks.

Dozens of captive wild birds were found as police smashed one of Britain's largest illegal trading rings. The Bull in Leytonstone, East London had wild Goldfinches, Linnets and a Siskin. Raids in Essex found another 270 illegal birds. 17 men arrested in 2019 have been convicted under the Wildlife and Countryside Act. RSPCA Chief Inspector Will Mitchen said "Taking a wild bird and shutting it in a tiny cage is cruel."

BITTERN

GOLDFINCH

LINNET

SISKIN

GREAT TIT

WILLOW TIT

Bird feeders can pose a threat to some species, a leading conservationist has warned. The £250 million spent on feed annually benefits dominant species at the expense of subordinate ones, according to Professor Alexander Lees. His study "Killing with Kindness" revealed that the Great Tit population has soared by 40% in 25 years, while weaker Willow Tits numbers fell by 82%. The Manchester Met. University academic said "Some species can no longer compete. In other parts of the world, feeding is actively discouraged."

A £150,000 footbridge has replaced a pontoon that blocked swans in Sheerness, Kent.

Recordings of a dead duck's mating call have helped researchers realise his species can mimic human speech. "Ripper" an Australian Musk Duck who lived over 30 years ago – used to say "You bloody fool" which he learnt from his nature reserve keeper. He used the phrase and mimicked his aviary door opening when trying to impress females. Researchers from the Netherlands tracked down recordings of the duck made in the 1980's. They have now added the species to the list of animals, such as parrots, which can mimic humans. (Here is a link to the story on the internet – Judy

<https://nypost.com/2021/09/07/australian-duck-learned-to-swear-after-imitating-humans/>)

A Buzzard which flew into a car window was rescued by fire crews in Stockton on Teme, Worcs.

A mum who took her children to feed the ducks in a pond, found 5 of the birds had been shot in the head. Experts believe the sick assassin may have used a .22 rifle with a telescopic sight as the targeting was so precise. Conservationist, Edwin Holtman said "It was a really awful sight. What really worries me is that there is someone going round with a rifle who is doing this."

Many more Kestrels were being seen in Cornwall during September, the Kestrel is a migratory bird mainly, but Kestrels in central and southern Britain are largely resident.

Male Tawny Owls are still calling, some are believed to be living in the trees at Trevail.

Although Choughs have been very scarce locally, two were seen on Perranporth golf course on 8th September.

Pictures courtesy of RSPB

KESTREL

Rodney Phillips.

On Sunday 5th of September, the "Tour of Britain" cycle race started in Penzance and finished the Cornish section in Bodmin. Thousands lined the route through Cornwall. I joined some 70 people on the Rejerrah turn on the "big dipper". Some were in fancy dress, some had St Piran flags in honour of Team Kernow. A cavalcade of police motorcyclists preceded the cyclists, and then the breakaway group of 5 cyclists came through to cheers from the crowd. Not long after came all the other cyclists, again to cheers from the crowd.

All in all, a great experience!

Rodney Phillips

Report of the Parish Council Meeting 15th September 2021

PRESENT: Cllrs. S. Bell, Cllrs. D. Hopkinson, T. Hulbert, M. Smith, R.L.B. Spencer & Cornwall Councillor Adrian Dennis Harvey the Clerk: D. Hawken, and 3 members of the public.

APOLOGIES: Cllrs. G. Rowe, W.C. Longden & W. Caff.

Police Report – None.

Before the meeting opened: Steve Bazeley addressed the Parish Council with regard to the possible development of the piece of land next to Curlews and opposite Wheal Golden Drive. .

OPENING: The Meeting was opened at 7.06 pm, by the Vice Chairman Cllr. R.L.B. Spencer

CO-OPTION OF COUNCILLOR

Mr. A. Percy was appointed as the new Parish Councillor.

MINUTES OF THE MEETING HELD ON 18th August 2021:

The Minutes were approved and signed as True Records.

MATTERS ARISING FROM THE MINUTES OF 18th August 2021:

The Clerk reported on the strimming he had undertaken in the Cemetery and thanked Cllr. M. Smith for mowing the areas he had strimmed.

PLANNING:

Decisions made by Cornwall Council:

PA21/05768 - Conversion of an existing barn to a single bedroom annexe adjacent to the principal residence – Little Carines Cubert Newquay Cornwall TR8 5ET for Mr and Mrs Barritt - APPROVED

Applications:

PA21/08162 Proposed replacement dwelling, replacement garage and associated landscaping. Gwinear Farm Cubert

Newquay Cornwall for Mrs Aimee Hammond - Resolved to Support the application.

PA21/00704 Outline Application for up to 225 residential dwellings including access (all other matters reserved) – Land South Of A392 Opposite Supermarket Trevemper Newquay Cornwall for Mr John Marshall – Resolved to object to the application on the grounds of an unfair novel cascade system for the allocation of affordable housing that discriminates against our most in need parishioners.

FULL SUPPORT SWING - It was decided to provide a swing in principle and to obtain quotes with involvement of the Parishioner who first raised this issue.

NEIGHBOURHOOD PLAN

The group have had their Second post Covid face to face meeting and are planning engagement activities with Parishioners on Saturday 13th November 2021 in the Village Hall. This will be an all day event and all Parishioners are encouraged to attend to help us shape the Parish Neighbourhood Development Plan.

COMMUNITY GOVERNANCE REVIEW – Next steps?

It was decided that we would maintain our pursuit of the proposal to include the former Penhale Camp within Cubert Parish.

ANY OTHER RELEVANT BUSINESS NOT REQUIRING DECISIONS AT THIS MEETING:

Cllr. Sarah Bell has now setup a Private Facebook Group for Cllrs to try out and amend a Social Media Policy document.

CLOSING, DATE OF NEXT MEETING:

The meeting was closed 9.23pm.

The Regular Parish Council meeting to be held on 20th October 2021 at 7.00pm in the Village Hall

LITTER BINS

Everyone can help us by not putting domestic waste or dog poo bags in litter bins. Please only put dog poo in the allocated Dog poo bins – The Parish Council litter bins are not designed for this use and we do not possess a vehicle capable of transporting the heavy bags laden with dog waste. If you are not passing a Dog Waste bin - Please consider taking your dog waste home with you and disposing of it in your general waste. You might want to consider using a Dicky Dog Waste Bag in future?

Domestic waste should never be placed in litter bins. Please use the Cornwall Council regular collection service.

CUBERT SEA ANGLERS 1963 – 2021

“Club Fishing”

The month of August has produced a few more species and the following are leading weights in the various classes.

hello@thesmugglersden.co.uk

Autumn is on its way but I can confidently say that Crantock WI had a good summer. The sun shone and we managed to dodge the tourists and meet regularly. I am sad to report that Alan, the husband of our wonderful Catering Committee Member Sue Fern, died suddenly in September. I am sure you will all join with me in sending our heart felt condolences and offer of support. We hope you will soon be back amongst us Sue.

We did it! We managed to meet in the Village Hall, an inside meeting that we had not held for some months. It was good to be back although we did observe Covid precautions. President Linda Hallwood gave a summary of the summer's events and all agreed that it had been a success in many ways. The fact that we could meet, that we raised funds for good causes and had lots of lovely food was joyous!

Lynne Wilson our Social Events Organiser informed us of activities organised by County and made sure we were aware of closing dates. Although the activities are still few and far between at least there is something to look forward to. I'm sure as things improve more will be on offer. Janice Deacon sadly has resigned from sharing this role due to work commitments. I hope we will continue to see her as a member at meetings.

Treasurer Sue Stevens informed us of new members and the healthy state of our finances.

Our speaker this month was Kerry England formerly of the Cosy Nook and now of Volunteer Cornwall Stroke Befriending Service. It is a non profit organisation that works throughout Cornwall supporting people in need and improving many lives. With the aid of an excellent display she told anecdotes of her experiences and explained the aim of the organisation. Should anyone wish to get involved or know someone who would benefit from their help Kerry would be happy to have a chat. Next month's speaker is Jane Sleep who will speak on the topic of 'From Bard to verse!'

The winner of the Tray Garden competition was Ann Evans with a display of miniature succulents. Next month's competition is 'Decorate a Seasonally Themed Cupcake'

The last Poppies Session took place on the 13th September. It added another 31 poppies making a total of 101 not including those still being made at home. Painting of the poppies will follow.

September's book group book was 'Strays of Paris' by Jane Smiley. Anyone interested in joining the WI Book Group should contact Lynne Wilson. We meet the 4th Tuesday in The month at 2.00pm.

The next meeting will be at the Village hall on Tuesday 12th October at 2pm.

The big news for this month is the fast approach of COP26 taking place this year in Glasgow after it was postponed last year because of the pandemic. There are high hopes that the conference in November will produce firm commitments from world leaders, to cut CO2 emissions on a large scale, as well as investing heavily in renewable energy, cutting pollution and the use of plastic, and now, along with these, to make Covid vaccines available throughout the world, with commitments from the richer countries to donate billions of vaccines to countries who cannot afford them. The reasoning behind this is that nowhere in the world will be protected from Covid until all places have built up immunity, so it is in the interests of all countries to work together, along with drastically cutting the use of fossil fuels and cleaning up our air, water and oceans. If the pandemic has taught us nothing else, it is that we cannot live in isolation, and that we are all dependent on one another to care for our planet and all that lives here. As the saying goes: "There is no Planet B".

In just over the weeks since the last Eco News, there have been floods in New York City and a terrible earthquake and hurricane in Haiti. In Central Park, more than three inches of rain fell in just one hour while the centuries-old subway system in NYC buckled under torrents of water. The Mayor of the city is quoted as saying: 'The sudden brutality of these storms is not a coincidence. Climate change is REAL and we have to act now before more lives are lost.' Meanwhile, forest fires in California have led to all national forests being closed due to fires.

Extreme weather disasters globally have increased fivefold in the last 50 years according to the UN with a total of 3,165 being recorded between 2010 and 2019, and apart from the human suffering these cause, they are also very costly to recover from, costing governments billions of dollars to restore damaged infrastructure.

When all this has been talked about for decades and is now coming to pass, it is distressing to hear of some countries who take little responsibility for caring for their rich natural resources. Brazil is noteworthy in this respect, showing scant regard for the flourishing of the great natural resource of the Amazon Rainforest by allowing illegal logging and land grabbing for the cultivation of soy and palm oil. A report from Greenpeace Brazil has registered 3,712 sq km of deforestation in just over the past year, while the government has used emergency legislation to introduce new bills that will bring even more destruction. Meanwhile environmental activists, often indigenous peoples, are threatened and murdered. Honduras is now known as the most dangerous place in the world to protest, after the murders of Berta Caceras, Carlos Cerros, Felix Vasquez and over a dozen other activists.

In our own country, despite a government promise to dramatically increase tree planting, the Forestry Commission reports a three year low in the next twelve months, with the number of trees planted reduced by 14%. Cornwall Wildlife Trust are hosting a tree planting month in November, with advice on planting native trees from seed. To find out more contact them on www.cornwallwildlifetrust.org.uk/growmoretrees.

Some good news from this country is that Natural England have opened a new National Trail based on a Coast to Coast walk across Northern England. Granting the path National trail status will release government funding to maintain the trail and ensure it is more accessible to people with disabilities. While in Scotland the Beaver population is on the rise with the number doubling in the past three years to around 1000 animals, spreading out from Tayside with territory numbers increasing to 251. Robbie Kernahan, Director of Sustainable Growth says: 'Beavers play a vital role in creating and restoring wetlands where other species can thrive, reducing downstream flooding and improving water quality.'

And finally, LidlUK are going to add new labels to dozens of its own-brand products this month, giving shoppers more information about the carbon and biodiversity impact of their choices. They will be scored out of 100 as well as having a colour code and a letter grade from A to E. Extra points will be added if they are part of a certification scheme such as Fairtrade or Rainforest Alliance.

Wendy.

Following on from my last Newsletter update in August, I am pleased to say that we now have a confirmed date for the **NDP consultation exhibition which will be held on Sat 13th November in Cubert Village Hall**. A display relating to each of the six priority subjects that were identified from the initial survey will be available to review and comment on. There will be the opportunity for Cubert Parish residents to express their views and or suggestions, anonymously if they so wish, on each subject area. In essence we will be showing what we have found to date and asking the question "what do you think / suggest"?

For those who missed the publication of the survey results in July 2020 the priorities were identified as:

- Priorities for new housing development.
- Future business development in the parish
- Provision of sports and leisure facilities
- Traffic control and car parking.
- Protecting our heritage assets and green spaces.
- Safe guarding our school facilities and potential expansion needs.

The primary purpose of the exhibition is to inform, publicise and seek the views of as many parishioners as possible prior to the composition of the initial CNDP. The plan will be based on public opinion and I would ask everyone, who has an interest in the future of the Parish, to find the time to come along and provide constructive ideas and suggestions. I will confirm timings in next month's Newsletter. Further information of note will continue to be made available via the newsletter, website and Facebook page.

POEM

Humans maybe already thinking ahead,
Planning for Christmas, or a good rest instead?
In the garden however it's time to look around.
Are you weeding and tidying your own ground?

If the latter there's someone not to forget.
Only just for fun I won't tell you yet.

Fallen leaves swept up make a perfect pile.
Then checks before strimming only take a while.

Please don't forget – i.e. please remember –
Before the night of the 5th of November
Check out the bonfire, or make a new one,
Some wildlife may need to move and escape.

Leave logs and leaf piles well alone
Because someone needs them for a little home.

It's someone who rolls up and goes to sleep
Until the Spring. Not a noise, not a peep.
Curled up tight, you won't see his face.
But you can be happy making his special place.
Sleep well little hedgehog.

Joy

With help from Prickles and Paws. Thank you.

CAN YOU HELP ?

Hi Cubert Neighbours,

Carly and Sam Crosby here from Wesley Road. In August 2019 our son Patrick (Patch) was born and on his arrival we discovered that he has a complex brain issue resulting in physical and mental disabilities and epilepsy. Life has been very turbulent the last few years, however Patch is a very special boy and the absolute light of our lives.

As he grows his disabilities are becoming more apparent and we are now thinking ahead to what life will look like for us long-term. Although we love our house, it is becoming hard to carry him up and down the three floors and there is little room for the equipment which we have already acquired, aware that more equipment will be on his way as he grows.

Our dream therefore is to have a house which meets all of Patch's and our needs ... everything on one floor, space to use standing and walking equipment, an adaptive bath to help us get him in and out, an accessible garden, a playroom/therapy room for sensory toys and physiotherapy equipment and more.

However the recent property boom off the back of Covid/lockdown means getting our hands on another property in the area is not easy. We are therefore reaching out to our Cubert community to see if:

1. You are thinking of selling your bungalow / majority one floor house, if you would consider getting in touch with us for a private sale, before going on the market.
2. If you have land available, if you would consider selling us a slice so that we can build our dream home.

We absolutely love Cubert, it is our home and we are so thankful for the support that we receive from friends and neighbours here. Carly's parents are moving to Ellenglaze Lane in October to support us, after a long wait Carly has just received an allotment spot which she is super excited about and the bakery and shop are a lifeline on days where things are tricky at home with Patch and we can't get in the car to the supermarket. So we are exploring all options that would allow us to stay in the area and not have to move away.

If this is an option you may be open to discussing further, please do give us a call on 07900 558553.

Or feel free to drop by for a cuppa.

Carly, Sam and Patch

CELEBRATING 40 YEARS

The following information has been provided now and in the past by Rodney Phillips, Stan Norfolk and Pam Button. Rodney wrote into the newsletter to remind us of the 40 year anniversary and I combined his words into this article along with those from Stan and Rodney's original articles from 2017.

THE ORIGINAL HALL

Prior to the current Village Hall there was wooden structure which stood at right angles to the road. At one end was a stage with a curtain rail across the front. The Hall was well used and even doubled up as an additional classroom for Cubert Primary School.

FINANCE

It was recognised that a new Village Hall was called for and so the fundraising began for the Village Hall Build project. Stan Norfolk was the Village Hall Committee treasurer and for a good number of years before 1981, he and Muriel Robson, Gertie Johns and other helpers, ran Bingo sessions every Thursday in the summers and accumulated approximately £9,000 to go towards the new project.

Also, an appeal went out to Parishioners to either give or lend money contributing £1,500 in total.

With the assistance of Gloria Aalsey of the Rural Communities Association, Stan negotiated grants from Cornwall County Council, Truro Rural District Council, the Department Of Education and also Cubert Parish Council totalling £34,565. The total cost of construction was £41,500 and would have cost a lot more if the volunteers had not been present (see photo below of the volunteers and names). The wooden Village Hall was also sold for £150!

THE ANGLER'S ROOM

The Cubert Sea Anglers involved themselves in the project contributing to the work force during construction. When the new Hall was completed, the Anglers organised Bingo sessions and donated 25% of the proceeds to the Village Hall funds. They also donated £50 for a heater in the room known as 'The Anglers' Room'. This room had an outside door used for access by the Anglers, at all times of the day or night. They would do the 'weigh-ins' after fishing competitions and then enjoy a dry place for a tea or coffee and a smoke.

The Sea Anglers eventually moved out and in the 1990's the room became a doctor's surgery, then a Physiotherapy practice and is now a Beauty room.

VOLUNTEERS

The plans were drawn up by Charles Pickering. Tony Savage became the Chairman, and then Peter Lewis. John Wells was Treasurer for the building project and Geoff May the Secretary. The building work mainly took place on Sunday mornings where most of the volunteers were unskilled, with only a few actual tradesmen. This great team of volunteers achieved their aim and the Village Hall was opened officially on 12th September 1981 by W.T. Hawken Rowse CBE

The start of the Village Hall foundations the construction of which started on 31st January 1980

THIS HALL WAS BUILT
BY LOCAL PEOPLE AND
OPENED BY
W. T. HAWKEN ROWSE, ESQ. C.B.E.
ON 12TH SEPTEMBER 1981.

Commemorative Plaque for the opening of the Village Hall – this is currently in the foyer behind a cupboard door. There has been a request from a Parishioner to investigate the possibility of moving the plaque to be in view. The request will be passed to the Village Hall Committee.

Some of the volunteers who made the current Village Hall possible

Back Row (Left to Right)

Colin Terry, Peter Lewis, Rodney Phillips, Bob Eardley, Stan Yeo, David Reed, Eric Kempthorne, John Williams.

Middle Row

Mick Griffiths, Tony Knight, Wally Bassett, Charles Pickering, Brian Robson, Geoff May, Henry Hooper, Billy Yeo, Malcolm Muir, Richard Dixon, David Tubb, Barry Muir, John Wells.

Kneeling

Jim Rushton, Frank Carhart, Graham Knight, Richard Lewis, Michael Knight.

This project is a true example of a community pulling together to provide a valuable asset for that community and for the future

Why not "Try It Out"?

Goonhavern Brownies are holding a "Try It Out" meeting in October for girls in years 2, 3, and 4. If your daughter would like to visit to find out about Brownies, please contact Rosie Gordon (Brownie Guide Leader) rosie@philipgordon.co.uk for more details.

There are also **Rainbow** and **Guide** units meeting in Goonhavern.

Do you have a daughter aged between 5 and 7 who would like to join Rainbows?

Or a daughter aged between 7 and 10 who would like to join Brownies?

Or a daughter aged between 10 and 14 who would like to join Guides?

Or maybe you are a Mum of a Rainbow, Brownie, or Guide looking to get back and re-live some of the things you enjoyed in Girlguiding?

Find out more about Rainbows, Brownies, and Guides in Cornwall at www.girlguidingcornwall.org.uk

To find a local unit and to join, go to www.girlguiding.org.uk/joinus and a leader will be in touch.

Despite recent lockdowns and being unable to meet indoors until recently, groups in Goonhavern have been meeting online and outdoors and have had loads of fun:

- We have tried out lots of new activities from our new programme
- Worked for lots of badges
- Four Brownies have achieved their Brownie Gold Award - the highest award in Brownies!
- We've held virtual sleepovers
- And a virtual birthday party
- Virtually visited other countries
- Held a Science Fun Day
- And Badge Fun Days
- Been Cooking
- Held a Beach BBQ
- And been on Alphabetical Walks

We are always open to discussing ways of meeting the specific needs of your daughter and/or you, should these be cultural, dietary, religious, financial, ability or additional needs.

We look forward to welcoming you and your daughter to find out about our units.
