News

Nowodhow an Bluw APRIL 2022

Welcome to the second interim Newsletter which is being produced by Cubert Parish Council for delivery to all residents in the parish.

You will see that we are adding to the content of the Newsletter, and hope to be back to full advertising and articles in the near future.

We are still looking for someone to take over the Editorship of the Newsletter. So if anyone is interested in taking on the post, please make contact.

Replies have been received from families wishing Jubilee coins, and another copy of the application form can be found below.

Thank you to those residents that replied to the Penhale Camp boundary request. The formal application for a boundary change has now been forwarded to Cornwall Council for consideration.

The Parish Council is asking our residents for help. This time it is affordable housing, and the way that our housing need families are being treated uniquely from all other "In Need" families in Cornwall. Please help if you can, full details of the issue can be found inside. **(Pages 11 & 12)**

MESSAGE FROM THE TEAM AT ISIGHT CORNWALL

"The money raised by our Stamp Appeal goes towards running our services and making sure they are accessible to those who need them, across the county. All of the money raised in Cornwall, stays in Cornwall and it is thanks to the generous support of our local community that we are able to do what we do. Our most recent act has been to create a Walking Buddy scheme to help people with sight loss, who may not feel confident enough to go for a walk alone, get out and about.

Thank you so much to everybody who donated their stamps, we are so grateful for your support"

From 18th April 2022 Cubert Methodist Church shall be known as Cubert Beacon of Light Community Church, the Trustees and congregation cannot wait to get started on this exciting adventure.

We are in the process of purchasing the building from the Methodist Church in Manchester and are looking forward to setting out an exciting new programme.

Alongside our weekly Sunday worship which will include a Sunday School and the Monday Toddler Club we are looking to bring back the Youth Club which was a popular weekly event in the days before Covid19 struck – any events that parishioners are keen to include and be part of we will strive to bring them alive.

Moving away from Methodism means we will no longer be allocated a preacher Sunday by Sunday – it could be thought that this would be an issue! But as the Holy Spirit is totally in control of our new venture, offers of Christians to come and lead services for us as an Independent church have been absolutely amazing; coming from St. Ives, Perranporth, Redruth, St. Austell and Newquay – the list keeps on growing – for which we continue to praise the Lord!

Our building has stood the test of time and served the community in excess of 174 years, prior to this building being erected, Cubert Christians worshiped in that built for John Wesley in 1765 – so we strive in Cubert to continue the Christian work and to bring old and young to know Jesus Christ as their Lord and Saviour.

Our first service as an Independent Christian Church will be on April 24th 2022 at the close we are encouraging friends to bring and share a lunch – in days of old called a Faith Lunch!

So, as we look forward with great hope to the future of Cubert Beacon of Light Community Church, where we have stepped out in faith, please come, and help us to make more history in Cubert.

WEEKLY SUNDAY SERVICES WILL BE AT 10.30AM AND

WILL INCLUDE SUNDAY SCHOOL

When affordable housing is granted planning permission, a legal Section 106 Deed is provided that determines what families can be allocated the housing. Vacant housing is published each week to allow eligible "in need" families to apply for the housing, and the families have to pass strict local connection criteria. The housing is offered within the first month to families locally connected to the parish where the house is situated and then, if there are no local parish applicants, the offer is extended to the families locally connected to the neighbouring parishes/towns. This cascade system is defined in the legal deeds for each site, as the PRIMARY Parish, followed by the SECONDARY Parish.

This cascaded system is the norm for all affordable housing allocations in Cornwall, as each house becomes available, whether new build or older buildings. This cascade system has been practiced throughout Cornwall for many years, with over 7000 affordable Cornwall houses. Except that is, for our local area.

The affordable houses at the Goldings and the Trevemper Trevithick Manor sites, all fully within our neighbouring Colan Parish boundary, do not include either Cubert, Crantock, or St Newlyn East as a SECONDARY Parish.

All twelve Section 106 deeds for affordable housing sites in our three parishes (245 affordable houses) name Colan Parish and/or Newquay Town as a Secondary Parish, yet none of the four Section 106 deeds for Colan Parish (335 affordable Houses) name any of our three parishes in return. Colan and Newquay families can apply for our housing before all non-bordering parishes/towns, but the families in our three parishes are not given the same status.

For two years, the three parish councils have been asking Cornwall Council for their reasons why these four Colan cascades differ from all other Cornwall affordable housing cascades in the last ten years. The parish councils have asked for examples of any similar cascade in Cornwall to the unique Colan cascades.

The parish councils have been asking for details from Cornwall Council via Public Questions at Cabinet meetings as well as Public Questions at Full Council meeting, with the answers going from rambling deflection to downright inaccurate and false statement. The latest being at Full Council on 30th November 2021, where the Council denied any unique cascade.

No example has been provided of any other affordable housing allocation within Cornwall using this unique cascade from the 7000+ affordable houses that have been granted permission/built in the last ten years.

The Unitary Authority is unwilling to provide adequate answers at Public Questions, or via correspondence, to the reasoned concerns of the three parish councils.

Our most vulnerable "In need" families are being put at a disadvantage from the rest of Cornwall with the unique cascade system that is being used within the Colan Parish legal deeds. Deeds which can be, and are being, easily changed on an almost daily basis elsewhere by Cornwall Council.

The Parish Council is therefore asking for your individual help.

Would you be willing to ask the question for us?

There is a simple method to ask a Public Question of Cornwall Council at their council meetings. One simple question may be asked, not exceeding 50 words, by any resident of Cornwall. The question is read out, and replied to by officers of the council on the day. The meetings are televised and broadcast, and there is no need for the resident to attend the meeting itself. You should also receive the reply via e-mail or post, after the meeting has finished.

Continued on next page:

The question can be made via letter or simple e-mail to: democraticsupport@cornwall.gov.uk

**Democratic Support
New County Hall
Treyew Road
Truro
TR1 3AY**

Name and Postal Town (Newquay) along with contact details will be required.

The next Cornwall Council meeting will be on 12th April 2022, and questions will need to be received prior to 7th April 2022.

The questions could be regarding:

Why are the Colan Parish affordable housing cascades at Trevemper, Trevithick Manor, and The Goldings, different from the other 7000+ cascades in Cornwall?

Why are the parishes of Cubert, Crantock, and St Newlyn East not defined as Secondary Parishes for affordable housing cascades in the Colan Parish Trevemper, Trevithick Manor, and Goldings Section 106 Deeds?

Why has your Authority not agreed to the Cubert, Crantock, and St Newlyn East, requests to alter the Section 106 deeds for affordable housing cascades in Colan Parish in line all other cascades in Cornwall?

Why is it that all Section 106 deed affordable housing cascades in Cubert, Crantock, and St Newlyn East, define Colan Parish as a Secondary Parish, yet no Colan Parish deeds have defined Cubert, Crantock, or St Newlyn East as a Secondary Parish?

Will Your Authority reply in writing to the affordable housing cascade concerns raised by the parish councils of Cubert, Crantock, and St Newlyn East over the last two years?

Why is Your Authority content to treat the "In Need" families of Cubert, Crantock, and St Newlyn east differently from all other Cornwall "In Need" families in Section 106 deed affordable housing cascades?

Please take your random pick, or use your own wording to make the same point(s).

We really need help to get the Cornwall Council Planning Authority to answer our questions truthfully, and any help you can give would be much appreciated.

Everyone can help us by not putting domestic waste or dog poo bags in litter bins. Please only put dog poo in the allocated Dog poo bins – The Parish Council litter bins are not designed for this use and we do not possess a vehicle capable of transporting the heavy bags laden with dog waste. If you are not passing a Dog Waste bin - Please consider taking your dog waste home with you and disposing of it in your general waste. You might want to consider using a Dicky Dog Waste Bag in future?

Domestic waste should never be placed in litter bins.

Please use the Cornwall Council regular collection service.

Some Swallows are not migrating due to climate change mainly in the South; locally in the Penzance area they have been seen. There was a worry they would run short of food. The British Trust for Ornithology said "The change is one of the most remarkable signs yet of the warming World. Normally of course Swallows would migrate South to places such as Africa in the Autumn and return in the Spring.

**SWALLOW**

Barn Owls scan the verges and rough grassland in still dry weather. They need all the hours hunting they can get and can be seen in the afternoon and early evening working overtime. Normally of course they are nocturnal feeders. Remember Barn Owls screech, it is Tawny owls who make the 'To Whit to Woo'.

BARN OWL

Magpies outsmarted researchers running a GPS trial by helping each other pull off their tracking devices. 5 birds displayed brains and teamwork to peck at special harnesses until they released them. Some identified the weak spot in minutes to pull them loose. Within a few days all the harnesses were off, to the surprise of the Australian Researchers.

The local pair of choughs are very active in the cove they nest in, displaying such behaviour as parallel flying. On the 18th March, Tim Hodder saw one female redstart and one female Wheatear on local cliffs and a very raucous male Raven, the female obviously nearby.

**MAGPIE**

On the 13th March we saw Long Tail Tits in Lanlovie Meadow, as usual, never settling for long.

Hello to One and All, how quickly the year seems to be passing by! Spring is well and truly around the corner and we have been using the quieter time here at the rescue to focus on some maintenance and expansion of our onsite facilities (news on that next month!).

You may have spotted us on BBC Spotlight and ITV Westcountry recently, alongside the wonderful Hagrid, a truly lucky hedgehog that came to us with injuries caused by a strimmer. In March last year we saw a shocking number of hedgehogs injured by strimmers, all of these could have been so easily avoided. So that's our message for this month! Please check long grass and borders carefully before strimming/mowing hedgehog = EDGEhog! Remember, they won't run away from a threat.

On a more uplifting theme, we have lots of lovely new additions to our website shop, and have added new designs to our greetings card range on dontsendmeacard.com. Thank you all for your continued support.

Press Report WI April 2022

It feels like Spring is nearly with us as the nights are lighter and the flowers cheer our days. It was good to meet with friends and enjoy being entertained with images of distant lands. Richard and Katie Fenwick did this with their talk about Walking in Nepal. It was an interesting and enlightening talk illustrated by slides of their journey. What a fascinating country Nepal is.

The Annual Meeting agenda, introduced by Secretary Anne Evans, started this section of the proceedings with the review of bye-laws. There followed a report by Treasurer Sue Stevens who told us about the appointment of an independent examiner of accounts for the coming year. Sue presented the Annual Financial Report and copies were made available to members. She proposed adoption and President Linda Hallwood asked for a seconder before members voted in favour of the adoption.

Ann Evans presented the Annual Report to members. It outlined a difficult year but one where we managed to come together against the odds. We now have more members than a year ago and the future looks bright. This was followed by the President's Address where she thanked the committee for their tireless work in enabling Crantock WI to survive and flourish in what has been a challenging year. She also thanked those members who have constantly been there to support the committee. Before the report was adopted, the President gave gifts to the committee as a thank you for all their hard work.

Results of the secret ballot for president were then revealed. Linda Hallwood accepted the presidency for another year. An expression of thanks was given by Marianne Inskip. Gifts and flowers from the members were given to the President.

The business of the Annual Meeting over, Lynne Wilson and Rosie Taylor provided information about the visit to the Gin Distillery and the Coffee and Cake morning at Cbay. Our next social gathering was at The Bay Tree, Goonhaven on Tuesday 15 March. Then it was on to Upcoming Events and Suggestions for the Future. Many trips are planned including; a tour of Launceston with lunch and a talk at Cowslip workshop, a talk at Redruth Records Office. Other diverse and interesting events were also publicised.

Gin Distillery Visit

Sue Stevens introduced the topic of Subscriptions and methods of payment. Subscriptions are due now.

Lynne Wilson gave a brief review of this month's book 'The Light between Oceans' by M L Stedman and introduced 'Notes from an Exhibition' by Patrick Gale, next month's book.

As the meeting fell on International Women's Day, Gail Wilson gave a brief talk on some of the issues that face women around the world.

Rosie Taylor announced the winners of the Easter Decoration Competition. In first place was Gail Wilson with a detailed stitched hanging, 2nd place Sonia Jones with a beautiful stitched card and Glenis Pratley in 3rd place with a cute fluffy chick. Birthday cards and posies were then given out.

The proceedings finished with the raffle draw.

Next meeting will be Tuesday 2.00pm 12th April Crantock Village Hall. Linda Hallwood
