News from Cubert School.

We are so fortunate to have such a supportive PTFA who work tirelessly to fund projects within the school, and thanks to them, we now have a library designed with coastal and woodland décor, mood lighting and sound effects, and it is fantastic! This is now a place where literature can be brought to life and will inspire our children's reading and story writing as they go through the school. We were delighted to have author Andrew Beasley and illustrator Rose Forshall cutting the ribbon to open the library, and inspiring the children with workshops throughout the day. Andrew's books are published by Usborne Publishing Ltd and Rose has had work published in The Guardian, The Times and Sainsburys Magazine (amongst others). Parents were invited into school (for the first time in over two years!) for the opening and to meet Rose and Andrew, and to enjoy tea and cakes kindly donated by St. Agnes Bakery.

Our Year 6 pupils have been coming into school a little bit earlier this week to have breakfast together before sitting their SATS papers; this gives them the opportunity to have a chat and calm any nerves before they go into class.

There is always lots of media attention around the stress surrounding these annual tests, but the staff in Year 6 have worked hard to reassure the children (and parents) that having a go and doing your best is all that anyone can expect. The children entered their tests positively and with confidence. After the tests they reported they'd done their best, and were ready to move on to their next activity of the day. It was truly inspirational and outstanding! Well done everyone in Year 6.

Thursday 26th May will be our last day before half term and so we have decided that this will be the Jubilee celebration day for the children. We will be planting a magnolia tree on the front lawn, followed by a fun packed day of activities for the children and finishing with a cream tea with homemade scones, jam and cream in the afternoon.

The coming term is always a busy one with Sports Day and Transition visits to secondary schools, and this year we are planning school trips and sleepovers too now that life is almost back to normal. Towards the end of term, the PTFA are organising a Summer festival on the field. There are plans for an art competition, BBQ, bar and live music alongside activities for all to enjoy, more details to follow. We look forward to welcoming everyone on July 8th to what promises to be a lovely afternoon.

Hello One and All!

We hope you are enjoying the warmer weather and longer evenings. We've had lots of reports of hedgehog activity around the village, lovely to hear about, thank you to all of you who put out food and water for your wild visitors.

The countdown is on to hoglet season, last year we had our first ones admitted at the end of May, meaning it won't be long until the team are working round the clock with hand feeds for the very smallest ones. A messy but rewarding task!

We are very excited to be out and about at various events over the coming months, do come and say Hello to one of the team!

WI press Report June 2022

The meeting opened with a warm welcome to a new member Heather Bishop and former president Veronica Gray. We then continued with the singing of Jerusalem. It seems many months since we last sang because of Covid but it was decided by vote that we should start again.

County news items of interest were presented to us by Social Events Organiser Lynne Wilson. She also gave information about events being organised by us based on requests from Crantock members.

May's 'Coffee Cake and Chat' outing took us to Tom and Lou's at Treago where we enjoyed delicious homemade food including excellent cakes and wonderful savoury treats. The warm sunshine whilst sitting in the courtyard enjoying good company couldn't have been more perfect.

Treasurer Sue Stevens delivered the financial report and revealed that we now have 34 members which underlines the popularity of our branch.

This month we have been asked to vote on the Resolution topic. In January there was a choice of five subjects picked by members nationally. 'Women and girls with ASD and ADHD – under-identified under-diagnosed, misdiagnosed, undersupported' came top with 22,683 national votes. 'Appropriate sentencing of non-violent women offenders' was a close second with 22,226 national votes. Our task now is to vote to say if we wish this Resolution to be passed at National Conference next month. Before voting president Linda Hallwood gave further information about the topic before groups shared their own views then voted. Crantock WI will vote for the motion and this will be taken to the National Conference by the representative from Beaches and Cream WI Newquay.

From the serious Resolution discussion we moved into a lighter mood with a Royal Jubilee quiz organised and presented by Secretary Ann Evans. I think we all learned a lot about our Queen. The winning team was The A Team comprising Salli Blackford, Lynne Wilson and Heather Bishop.

Refreshments, another much loved section of the meeting, followed with celebration cupcakes baked by Sue Fern. What more could you want but the chance to chat and enjoy each other's company while sampling delicious cakes?

The Book Group enjoyed 'Last one at the Party' by Bethany Clift. The book presented a futuristic look at what could happen after a pandemic. Suffice it to say, there was quite a bit of blood and gore in the story.

Linda Hallwood reported on the very successful Clay Poppy Making morning held in the Memorial Hall. Twelve members attended and produced 64 poppies. These will be dried and stored until the next batch of poppies have been made and then all can be painted. We hope this year that some will be available for sale in September / October in aid of The British Legion. There will be a second session for those who were not able to get to this one. Date to be confirmed.

This month's competition was to make a 'Jubilee Cupcake'. In first place was Sue Fern with a wonderful creation in an oversized cup and saucer. Close second was Juliet Weller with her Jubilee decorated cupcakes. Sue's second entry came in third! Sue's entries were a sample of the cupcakes which were available at tea break, I think she just can't stop baking!

Next month, the competition is to represent a 'Cornish Icon', something that makes you think Cornwall. Basically it can be in any medium and we look forward to some interesting examples.

The Queen's Jubilee tree has been selected as a Birch as it is a feminine tree associated with the Celtic Goddess Ostara. You may not know that May poles used to be made from it. This seems an appropriate tree to be associated with Crantock WI. The Village Hall Committee are happy for us to plant it in their grounds but an exact spot has not yet been decided.

I am happy to report that Val Cheeseman has offered her garden for us to hold our Members' Lunch on Tuesday the 16th August. We very much look forward to that. Sue Fern, our Catering Organiser, will be sending round a list at the next meeting for members to register what dish they are able to bring.

The Queen's Platinum Jubilee celebrations will be completed by the time we meet again but we are looking forward to being part of the village celebrations. We are providing cream teas at the village event in the Village Hall on the afternoon of 2nd June. We hope whether you are involved or not you will come and taste the wonderful scones and cakes on offer.

Each member with a birthday in the month is presented with a posie. Thank you again to Barbara Heald for making sure this takes place. After the raffle and giving of posies, we sang the National Anthem in recognition of the Queen, our patron, in this, her Platinum Jubilee Year.

Next meeting Tuesday 14th June 2pm in the Village Hall
