### News from Cubert School

Following the sad news of Her Majesty the Queen's passing, Miss Brown and Mrs Austin met with some pupils today to discuss what they would like to write in our entry for the book of condolences at Truro Cathedral. This is what they have decided we should write:

'We are sad you have gone, it won't be the same. We will miss you forever. You served us well, thank you for being our Queen for seventy years. With love from everyone at Cubert School.'

We will also be laying flowers in tribute to the Queen.

September is always an exciting time when children get to know their new teachers and classrooms, and this year even more so as we return to daily whole school assemblies when different teachers cover such topics as Newsround, singing and storytelling. Obviously we will keep an eye on how things go to keep everybody safe and well.

Our new reception children are settling in well and they have been supported at lunchtimes by the year 6 pupils who have been brilliant buddies. They have been helping with their lunches and routines in the hall and, during wet lunchtimes this week, have enjoyed playing with them in their classroom. It has been lovely to see how caring and supportive all the children have been.

We are so proud of last year's 6 pupils who achieved fantastic results in their SATs, despite the Covid disruption they have had over the last few years. Thank you to our staff who have helped these pupils to achieve their full potential and of course to the parents and carers at home who have been supportive all along the way. We have beaten the national average in nearly all of the categories, well done all of you! Our Board of Governors are seeking new members. If you have an awareness of the economic issues faced by the community and would like to be part of our thriving village school, please get in touch : secretary@cubert.cornwall.sch.uk.

## CUBERT

**DO IT TODAY!***'He said, "Tomorrow"**Exodus 8:10**Taken from UCB Word for today*

*Every plague God sent on Egypt mocked one of their gods. For instance, the Egyptians worshipped a goddess with the head of a frog, so God sent them lots of frogs. Finally, Pharaoh called for Moses and said, 'All right, I give up.'*

*But when Moses asked him, 'When do you want me to get rid of the frogs?' Pharaoh's response was classic; he said, 'Tomorrow.' He must have been insane! Why would he want to wait any longer to have the frogs removed?*

*But we do the same, don't we? We procrastinate by putting off the changes we know would be good for us. Maybe we're unconcerned. Maybe we're too lethargic to change. Maybe we're fearful because we don't know what the changes will entail. Maybe we're just too proud and stubborn.*

*Whatever the reason – we procrastinate.*

*It's one thing to know God can solve your problem and change your life. It's another matter to overcome your inertia and let Him begin to do it now!*

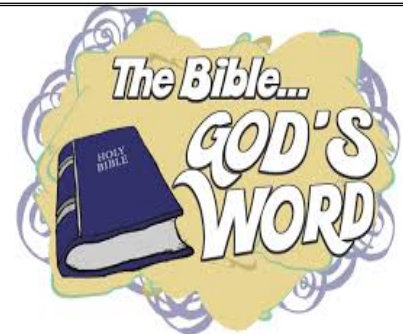

*We keep saying, 'One of these days...' The truth is, Jesus Christ has the power to make changes in your life today. He will give you the power to begin and the power to keep going. It's not too late. He can put your life back together again.*

*So, the word for today is -do it today!*

## Cubert Parish Social Club

### Update Report No2

Members of Cubert Village Hall (CVH) Committee and myself have been subject to numerous rumours and gossip within the Parish that the CVH is against a Cubert Parish Social Club (CPSC) being located at the CVH.

**This is certainly not the case.**

**The CVH Committee fully support the proposal of a Cubert Parish Social Club at the Cubert Village Hall.**

1. The community needs a place of social gathering since the demise of The Anvil. The CPSC would benefit in the business generated by supporting CVH functions and bookings.
2. The CVH would benefit as an attractive asset that could be promoted to increase much needed income from weddings, parties, quizzes, bingo and dances etc.

**A positive proposition in that both CPSC & CVH benefit from each other's activities.**

A survey was carried out in Feb 2022 to support this and the full resulting report can be viewed on the CVH Website – search for Cubert Village Hall

#### Next steps.

If a social club is to be located at the CVH, a sub-committee to the current management committee would need to be formed in order to manage and run the project.

**As the CVH is a registered charity, the Charity Commission rules that the CPSC would have to be a sub-committee to the CVH management committee.**

The sub-committee would be responsible for the business plan and, when given the go-ahead, the planning, raising of funds, placing contracts and once built the running and management of the social club.

**Therefore, if *The Cubert Parish Social Club* is to happen.....**

1. Any parishioner that is interested in forming a CPSC needs to hold a public meeting to form a working committee.
2. When the committee has formulated a business plan this needs to be presented to the CVH Management Committee to be voted on.  
If carried, the CPSC working committee would then become the sub-committee to the CVH management committee.

## LITTER BINS

Everyone can help us by **NOT** putting domestic waste or **dog poo bags** in litter bins. Please only put dog poo in the allocated Dog poo bins – The Parish Council litter bins are not designed for this use. The Parish Council struggles to empty POO filled bins due to the weight and the lack of a Parish Council vehicle to carry them! Domestic waste should never be placed in litter bins. Please use the Cornwall Council regular collection service.

Services for October:

Sunday October 2nd Harvest Thanksgiving 9.30am

Sunday October 16th Holy Communion 9.30am

Sunday 30th October, : Cluster Service at St Piran's 10.30am

POPPY PAINTING: Painting poppies for Remembrance Day in the church on Monday October 3rd from 1pm

FOODBANK: Donations for Newquay Foodbank will be taken at our Harvest service. Foodbanks across the country are experiencing increased demand and decreased giving because of the general increase in the cost of living. After the Harvest service, there will be a permanent donation point in St Cubert Church for any contributions you may be able to make. These can include toiletries and washing products as well as food. They will be taken to the Newquay Foodbank once a month. The church is open every day between 10am and 4pm and there will be a box at the back of the church to receive your donations. Many thanks for supporting this important work.

PILGRIMAGE: Saturday October 8th Diocesan Environment Pilgrimage to the two Holy Wells with a short outdoor service on Holywell beach. Meeting at St Cubert Church at 10am, led by Revd Elly Sheard, Diocesan Chaplain for the Environment with Bishop Hugh hoping to join. The route will cross Cubert Common to Holywell beach with stops along the way for reflection on humanity's interaction with the environment. Please bring a packed lunch to eat on the beach. Finishing at the church around 3.30pm. For more information please contact Elly Sheard at [revdellysheard@gmail.com](mailto:revdellysheard@gmail.com).

CURCHYARD: You may have noticed that the Churchyard is now looking very neat and tidy. This is the result of hard work by our volunteers Helen and Jackie and some restoration work by Kernow Stone masons. However, there is a very overgrown corner of the churchyard which we would like to clear and plant with wild flowers to make a Wild Corner to attract bees and butterflies and perhaps give a hedgehog a home. So, on Saturday 22nd October we hope to have a Working Party to try and clear this area. If you would like to join in, please come on the 22nd at 10am with secateurs and gloves to have a go at clearing this patch. All volunteers very welcome.

The club has been full to bursting with medals, PB's and success stories this summer. What a competition season it's been and a buzz of excitement has already begun for 2023!

The Cornish Championships took place at the start of the summer with the Masters achieving second place only 7 points behind Bude (we had more gold medals though). But perhaps the most exciting part was our incredible team of Nippers bringing home the winners trophy again- it has only ever been won once before and that was years ago when the parents of these nippers were small! An epic achievement and all the team are so deserving of their share of the title.

The club then went on tour and over the course of a week competed at the National Championships in Branksome Chine. The conditions couldn't have been more perfect that week. 30 degree heat (so no wetsuits), a little wave and an abundance of team spirit, and surprisingly not a single aching muscle or torn hamstring in the oldies category! First up were the Masters- a very small but mighty team of just 4! They each proved that Holywell can dominate in a board paddle race and all came home with medals. The Junior team of 10 were also a force to be reckoned with- each and every one came home with medals and the events were fiercely competitive. The Nippers continued to prove they're a talented bunch- a smaller team went to the nationals and they still finished 3rd overall!

An absolutely MASSIVE congratulations to Evie and Josh who were recently selected to represent Cornwall in the challenge between Cornwall, Devon and Wales in Porthcrawl. They both put in an amazing performance and helped Cornwall secure the win. It has been wonderful to see them both grow in confidence this summer and to have such a great opportunity. The club are immensely proud of you both.

It won't be long before beach activity comes to an end and training will begin in the pool. Every year we remember we are so fortunate to have the amazing facilities we do at the beach- but maintenance is key and perhaps this gets taken for granted sometimes. Of course, without this, the hut would simply not be able to function, and the daily use of it by both members and the RNLI regularly requires vehicle access- to get trailers carrying equipment to and from events and training sessions; to ensure the bins are emptied and the hut can be kept clean; that fuel is brought across for the running of the generator; so we can carry out repairs on the generator and building maintenance; to bring across medical supplies and first aid equipment; it's endless. So a massive thank you to our great clubbies who help make all of this happen and ensure our facilities are the very best and an asset to the club and wider community in its role at saving lives.

## CUBERT SEA ANGLERS 1963 – 2022

**“Club Fishing”** So far during the month of September the following fish have been weighed in by club members.

**Simon Parris** = Small Eyed Ray 6lbs 3ozs and a Gilthead Bream 4lb 7ozs

**Eddie Gummow** = Mackerel 11ozs

Sadly as in previous seasons only undersized bass are being caught, fish of 3lbs and over are no longer found in our Atlantic surf beaches, this also applies to Mackerel, the few that are being caught are small, in past seasons autumn would produce what is called Atlantic Mackerel, good sized fish normally caught while ledgering on the bottom with sand eel bait.

### **“August Competitions”**

1. The heaviest fish caught on a lure or plug – no fish recorded
2. The Jubilee Pairs Shield was won by Ron Davey & John Smith.

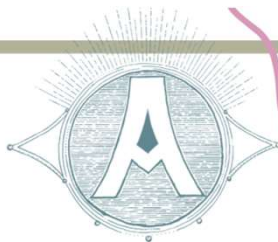

### **“October Competitions”**

1. **The David Penna Bass Trophy** for the heaviest Bass caught from Gravel Beach
2. **A monthly Competition** fishing for **1<sup>st</sup> Prize Best Specimen £15, 2<sup>nd</sup> Prize Heaviest Fish £10.**

**“Club Meetings”** the next meeting will be held on Thursday 6<sup>th</sup> October 2022, starting at 8.00pm and held at “The Treguth Inn” at Holywell.

## CRANTOCK BALE PUSH

### TWENTY TWO YEARS ROLLING ON TO ANOTHER SUCCESS!

After a two year absence the annual Crantock Bale Push took place on Friday 9th September. It was a difficult decision whether to go ahead after HM Queen Elizabeth's passing. However, we made the decision to proceed in honour of our cherished Queen. A minute's silence was observed before the event started and then again before the Open, followed by the National Anthem. Both were observed impeccably by the very large crowd. It was indeed a very emotional moment.

Chairman Nigel Eustice said 'the near perfect weather helped to make the 22nd Bale Push another great success with the village was full of people of all ages enjoying the fun of rolling huge straw bales through and around the village streets! Our much loved Bale Man was located on the village triangle greeted the crowds as they arrived in the village. There was great excitement in seeing so many old and new friends after a break of two years. A highlight for many was 1940's Crooner Andy Marshall whose trademark sounds had spectators singing and dancing around the Memorial Hall.

Over one hundred teams of all ages enjoyed the wonderful spectacle of teams racing each other, having fun, and raising much needed funds for some great Cornish Charities!

Spokesman Tony Brokenshire said, 'We are all waiting with bated breath for the final figure of money raised this year, and we look forward to making donations to The Wave Project, Cornwall Leukaemia Trust and Yellow Wellies plus donations to others in the area' said Tony. 'But it will be a while before the final figure is known.

'The 180's [combined ages of all members of the teams] winning team was Crantock Surf Lifesaving Club in an impressive time of 3.14.00. One of the teams, Bob Balers returned after an absence of several years – with the team captain Bob at the age of 82 years getting the award for the oldest pusher!

Forty four teams took part in the Open event who push the 400lbs round straw bale around the quarter mile course. It was the newly formed Kernow Strength and Conditioning captained by six times winner Adam Taylor who triumphed in a fast time of 2.47.00.

In the Ladies event was won the highly successful Newquay hockey Club 'Chicks with Sticks' who beat Crantock Crannies into second place by a cool

fourteen seconds.

'It is always good to see so many children taking part in the event and their happy smiling faces and competitive approach makes the event so worthwhile. Many of the youngsters taking part are the children of parents who themselves took part in previous years. The children's races always have a special lighter weight bale and of course, lots of help from our marshals! The 16 years and Under races were closely fought with the Pushkinis beating the Breadders into second place. In the 12 years and under event the Gonnies 2, who beat 24 teams to take top place. The 8 years and under saw the Team Atonic take first place ahead of We're Going to Win. 'The fun evening continued after the last race as the two village Pubs had live music and to help the evening roll on until the early hours of Saturday morning!', said organiser and commentator Nigel Eustice.

'We are so grateful for the generosity and help, along with goodwill from all in the village and our much wider community. We have a big team of willing helpers and could not run the event without this support,' continued Nigel.

'We now look forward to our Presentation Evening in October where we catch up with supporters and representatives of our chosen Charities and organisations.

**PRESENT:** Cllrs. R.L.B. Spencer, W. Caff, S. Bell, G. Rowe, M. Smith, Cornwall Councillor Adrian Dennis Harvey

**APOLOGIES:** Cllrs. T. Hulbert, A. Percy, D. Hopkinson and W.C. Longden. The Clerk to the Parish Council

**Police Report** – None.

**OPENING:** The Meeting was opened at 7.03 pm, by the Vice Chairman Cllr. R.L.B. Spencer. The Vice-Chairman spoke of the sadness felt by the Parish Council following the death of Her Majesty Queen Elizabeth II and all present observed a minute's silence.

**MINUTES OF THE MEETING HELD ON 17th August 2022:** The Minutes were approved and signed as True Records.

**MATTERS ARISING FROM THE MINUTES OF 17th August 2022:**

The Clerk has reported in the Trading at Cubert Crossroads to planning enforcement and also the advertising trailer on A3075. He has also contacted Planning enforcement regarding rubble in the fields at Gwinear. The Vice-Chairman had circulated a map produced by CC showing the extent of the public highway over the access road to the beach.

**PLANNING:**

**NEIGHBOURHOOD DEVELOPMENT PLAN**

Cllr. G. Rowe gave an update on the progress. Four draft Policies had been submitted to the planning consultant for advice and detailed work on the Plan continues.

**CARNIVAL COMMITTEE STORAGE**

Cllr. M. Smith detailed the possibility of the Carnival Committee using the store at the Village Square Toilets. This with the existing store at the Village Hall would provide adequate storage for the Carnival Committee's current needs. Resolved that: The Parish Council would make this store available to the Carnival Committee subject to the Carnival Committee entering into an appropriate agreement for the use of the premises.

**CUBERT VILLAGE HALL CONSTITUTION**

The draft new Constitution for the Village Hall was discussed. The Parish Council had a number of observations. Resolved that: The Parish Council reply to the Village Hall Committee thanking them for forwarding a copy of the proposed new Constitution and provide the Village Hall Committee with the Parish Council's comments requesting their response before proceeding further.

**ANY OTHER RELEVANT BUSINESS NOT REQUIRING DECISIONS AT THIS MEETING:**

Cllr. W. Caff informed the Council that he had stepped down from the Carnival Committee. He commented on the good turnout of volunteers for the clearing of the Churchfields to Trebiken footpath. Similar events are planned to clear more of the Parish Footpaths. Cllr. M. Smith commented on the forthcoming Coronation. The Carnival Committee would like to do something in a similar vein to the Jubilee celebrations.

**CLOSING, DATE OF NEXT MEETING:** The meeting was closed 7.46pm.

The Regular Parish Council meeting to be held on **19th October 2022** at 7.00pm in the Village Hall

Whilst I sit here reflecting on the wool industry in Cornwall I am reminded that historically, Justices of the Peace (magistrates) have been given many unusual roles by the Crown, including checking the co-operation with an unusual act of parliament.

In 1667 and 1678 two "Burial in Wool" acts were passed, which required that everyone who was buried, including monarchy, had to be wrapped either in wool, or wearing wool or placed in wool lined coffins, unless they had been victims of the plague.

King Charles II had passed this law in order to support the failing wool economy by encouraging the sale of English sheep's wool. Revenue from wool had been a major staple of the Crown's income since the middle ages but this was reducing. There is no doubt that the new Acts would not only help the local wool industry in Cornwall, but at the same time would generate much needed income for the Crown and of course the Church, who were also given a percentage.

It fell upon the local Justices of the Peace to have sworn before them, an affidavit or confirmation that burial in wool had been done. Failure to swear such an affidavit to a JP within 8 days of a person's death resulted in a fine of £5 - perhaps that was an early form of victim's surcharge? Of course, if it was later discovered that perjury had been committed (presumably someone must have opened the coffin to check) then the penalty could much more severe – even death.

The Acts were repealed in 1814 although it is apparent that many people had stopped abiding by it about 50 years earlier. However, if you happen to be the sort of person who likes to research their ancestry and look into parish records between 1667 - 1814 you will frequently see "Buried in Woollen, Aff" (or sometimes just 'A') written next to the burial record. This means an affidavit had been sworn stating the body was wrapped in wool. Occasionally however, some records state "Naked" indicating that the family of the deceased could not afford any wool.

Ravens at the Tower of London have had more than £12000 spent on them in the last two years. 8 Birds cost more than £6,000 in food and vet bills annually. Raven master Christopher Skaife said life was not easy during the pandemic as they needed a social life and they only saw him during the lockdown and missed the tourists. The Ravens are traditionally believed to protect the monarchy which will fall if they leave.

Red Kites have learned that people with picnic baskets are an ideal opportunity to swoop in to steal food. They can be very frightening as they have a 6 ft wing-span. They are protected under the Wildlife and Countryside Act of 1981. Recent attacks have been at Mill Meadows In Henley-on-Thames Oxon. A military Chinook struck a Red Kite which Prompted an emergency landing in a field in Uckfield, East Sussex. It was grounded for ½ hour.

On the 29<sup>th</sup> August Ben Hocking had a flock of Long-Tailed Tits in his garden for about 10 minutes, and again on 1<sup>st</sup> September. These beautiful birds never settle for long, and are constantly on the move.

In the tropical biome at Eden you may be lucky enough to see the Roul-Roul birds. These tiny ground dwelling birds are quite happy there and even breed.

In August locally in Cornwall Avian Flu (Bird Flu) became prevalent, with dead sea birds being ashore particularly on the Isles of Scilly. Towards the end of August all the birds at Mousehole Bird Hospital were culled. Paradise Park took measures such as foot baths as you enter and putting netting over the Penguin enclosure to prevent Gulls making contact at feeding times. On the 29<sup>th</sup> August Paignton Zoo closed to evaluate the situation.

## WI press Report October 2022

Our September meeting started on a sad note as we had recently heard of the passing of Queen Elizabeth II. We held a minute's silence before singing our traditional hymn, Jerusalem.

Lynne Wilson and Rosie Taylor told members about the activities available organised by CFWI and ourselves. These include craft days, a chance to learn about trees along a walk, a theatre production of Calendar Girls, and a visit to Prideaux Place.

Alan Alder, who has formerly worked with Bristol and Newquay Zoos and is responsible for collecting and re-homing reptiles where new developments take place, came to talk to us about beach combing. He started by telling us about the effect of the Gulf Stream and how it dumps much of the detritus we find on our shores from as far away as the Caribbean and New Newfoundland. Sea beans, parts of lobster pots, and fishing nets are but a few of the items he finds. It was very interesting, especially when he amazed us all by showing radioactive glass he'd found and illuminated it using a UV light. It gave us all food for thought.

Lynne Wilson summarised 'Four Winds' by Kristin Hannah, a sad and harrowing story set at the time of the dust bowl in America. Our next book for discussion is 'The House We Grew Up In' by Lisa Jewel

With beach combing firmly in our minds, our guest speaker Alan Alder judged the 11 beach combing entries. There were some outstanding items. The winner was a wonderful wave made from fishing ropes etc., found on Crantock beach, made by Ann Evans. Message in a bottle with its story was in second place, entered by Ann Bruce whose son found it on a local beach. Third place was awarded to Linda Hallwood who brought a piece of mounted needle work created by a friend in which items from the beach were incorporated. After announcing the winners, Colleen Bright announced the competition title for next month, 'My Family', which can be interpreted in any form, a poem, painting, photograph, family's favourite food etc..

The village Bale Push was a great success and our Crantock Does Poppies stall, collecting for the British Legion Poppy Appeal, did well too. We collected donations for brooches, clay poppies, and 'guess the bear's name' competition, totalling £282. A further £78.50 was collected from the Poppy sale at the September WI meeting. Well done to Salli Blackford and all those involved.

On the 15th of September, we visited Kresen Kernow, the Archive in Redruth.

Attached is Lynne Wilson's report.

October's meeting is one led by members. Three craft activities have been selected. Salli Blackford and Maureen England will show their group how to make felt poppy brooches, Sonia Jones will demonstrate thread card making and Linda Hallwood will be assisting her group to make polymer clay brooches.

After the drawing of the raffle and distributing of Birthday cards and posies the Meeting was closed with the singing of God Save the King.

**Linda Hallwood President**

**CRANTOCK W.I.****VISIT TO KRESEN KERNOW 15TH SEPTEMBER 2022**

Eleven of us were met by Tamsin Mallett, the Collections and Development Manager at Kresen Kernow. Tamsin explained the background to the new building housing Cornish archive material some dating back 800 years.

The old Records Office located in Truro had reached its useful life and was not fit for purpose. A new site was sourced with funding from the Heritage Lottery (over £11m). Three sites were shortlisted, the old brewery in Redruth being the favoured option.

Tamsin explained how it was sympathetically re-built - it had been derelict for many years - using original stonework, structural pillars and refurbished granite floors. Accessibility, sensory areas, education were all taken into account in the rebuild and it is truly a lovely facility. Even the strongroom which is a modern concrete structure has won an award! The old brewery chimney was restored and forms a real focal point in the administration office.

We had a behind the scenes tour of the restoration and digitisation room and viewed some of the exhibition items in the strongroom. The strongroom is a purpose built, climate controlled area that has room for at least another 20 years worth of material. The archivists receive a constant source of material - some neatly boxed and listed - but they have also had their fair share of items in bin bags to delve into!
