

Cubert Parish food parcels

The Parish Council is aware that some residents will be experiencing concern and hardship about the inflationary food and utility bills for this coming winter ('a choice between heat and eat'), and intends to use some Community Benefit Trust funding to provide food parcels for those in need within the parish. (Proof of parish residency and identity will be required).

If you or your family are experiencing problems balancing payments for heating or food this winter, then perhaps you might wish to collect one of the food parcels being made available, starting in December. The food parcels will consist of tinned and dry goods which will provide the basis for quite a number of meals, and will be provided on a first come first served system (when its gone, its gone).

There are quite a number of parcels being made available, and those parcels are being made available to those in need, rather than a free giveaway to all. The Parish Council therefore asks that residents consider whether they do need help in their personal circumstances before attending.

The parcels will be available between 4.30pm and 7pm on Wednesday 7th December at the Beacon of Light (Methodist) Chapel, in Cubert. You should bring with you a recent Cubert Parish utility bill, form of identification (your name on both), and a couple of carrier bags to take the provisions away. There will be no check on personal means or finances.

If you are unwell and unable to pick up a parcel yourself, then please arrange for a note to be posted into the "Newsletter" box outside the Cubert Post Office, or arrange for a proxy to pick up the parcel, with the utility bill, note, and carrier bags on the day.

If you would like to contribute financially to the scheme, then please contact: Alan Percy (01637 831004) or David Hawken (01637 830947)

LITTER BINS

Everyone can help us by **NOT** putting domestic waste or **dog poo bags** in litter bins. Please only put dog poo in the allocated Dog poo bins – The Parish Council litter bins are not designed for this use. The Parish Council struggles to empty POO filled bins due to the weight and the lack of a Parish Council vehicle to carry them! Domestic waste should never be placed in litter bins. Please use the Cornwall Council regular collection service.

CUBERT

DO YOU LOVE GOD'S WORD?

Matthew 24:35

Taken from UCB Word for today

One of the first books to come off the printing press when it was invented was the Bible and it is still the world's best-selling book. An anonymous author has written: 'It contains the mind of God, the state of man, the way of salvation, the fate of sinners and the happiness of believers. It is a light to direct you, food to nourish you and comfort to cheer you. It is the traveller's road map, the pilot's compass, the soldier's weapon, and the player's game plan. It is a mine of incredible wealth and a river of genuine joy. Its doctrines are holy, its precepts are binding, its histories are true, and its decisions are immutable.

Christ is its grand subject, your good design, and the glory of God its end.

Read it to be wise, believe it to be safe, practice it to be spiritually healthy.

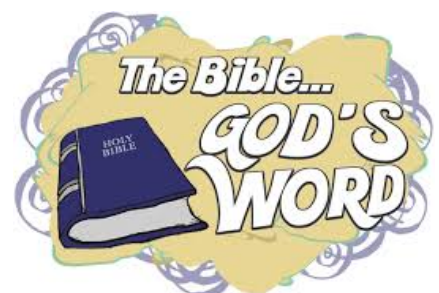

It involves the highest responsibility, will reward the greatest labour and judge those who trifle with its sacred contents.

The Bible is the word of God which shall stand forever.'

CUBERT VILLAGE HALL NOVEMBER REPORT

Committee Meeting Held 24th October

FLAT ROOF COMPLETED

Thank you to Proper Job Flat Roofing in Holywell Bay for the excellent job done on the flat roof replacement. This was thankfully done in time before the many heavy rain storms we have had recently.

MAIN HALL AND FOYER PARQUET FLOOR REFURBISHMENT

After 40 years, the parquet flooring in the hall needs refurbishment. If we left it any longer it would mean total floor replacement. A test piece was done on 24th Oct and the loose tiles have been fixed back in place and the skirting painted a matt black. On Friday 16th December the refurbishment starts in earnest with the Main Hall closed, re-opening on Tues 3rd Jan 2023.

PLEASE NOTE THAT KAREN'S BEAUTY TIPS WILL BE OPEN DURING THIS TIME. PLEASE CONTACT KAREN FOR DETAILS.

CUBERT VILLAGE HALL CONSTITUTION

A constitution, based on the conveyance dated June 1951, has been created in modern parlance and brought up to date using the proforma from the Charity Commission and the GOV.UK Charity trustee information. This has been ratified by the CVH Management Committee as of July 2022 who, at the AGM on 14th September 2022, approved the document. After the AGM a period of time was given for comments and the constitution unanimously approved at a Special General Meeting on Monday October 24th. A copy of the constitution is available on our website.

COMMITTEE ROOM

After PAT testing was carried out, one of the two heaters in the committee room had to be removed. The remaining heater was not powerful enough to heat the room and a new heater has been installed. We are organizing a working party from the committee, to tidy up the decoration using paint from the last redecoration of the hall.

CAR PARK SURFACES

Car Park Surface – Front and Rear – no change. Funding required therefore on to do list

WORK REPORT LOG

In order to understand and control the village hall maintenance work and new work which includes any administrative projects e.g. the new constitution, the new Chairman introduced a Work Report Log in August 2021. To give you an idea of how much work has been achieved the statistics from that log as of 18th Nov 2022 are shown below. Tasks range from the new storerooms, fixing lights through to refurbishing the floor. The major projects have been reported upon in previous parish newsletters our website and noticeboards.

62 completed tasks, 8 Open tasks (not assigned to a person to look after as yet), 6 On hold tasks – not urgent, 6 Ongoing tasks – assigned to a person to look after and is in progress.

A priority is given to each task when entered onto the log so we know what to do first.

CAN YOU HELP ?

Your village hall is in desperate need of a volunteer DIY assistant to carry out small jobs as we only have one DIY person currently doing everything on his own. This will help keep the hall running, up to standard and help reduce costs.

If you are interested or just want a chat about how you can help then please ring Francis on 01637 830150. Thank You.

THANK YOU

A big thank you to everyone who attended our Firework night on Friday 4th November 2022. It was magical to see the look on the children's faces, the food was delicious, and the weather was very much in our favour.

We would also like to thank our main Sponsor the Smugglers Den Inn, Jason and Tim, who were ever generous with their time. We thank them for their continued support for our other events and for those over the past few years, it is greatly appreciated.

Our thanks also go to Hannah from WAX for the loan of the PA system which was a real asset to Compere Calvin, all of the volunteers who helped with the set up and pack down of the stalls, Bob and Pat Coad for the use of their field, Katy and Ryan from the Village Chip Shop for their generous contribution, Shad for the electrics and the donation of his time, Pete Hutton for lending us the fencing and the PTFA for their support

Finally, a big thank you to all the volunteers, and members of the Carnival Committee for their support and hard work behind the scenes in the planning and preparation of this great event.

We look forward to seeing you all again in 2024!!!

News from Cubert School

We are so grateful for the support our local community shows to our school and it makes such a difference to everyone, both pupils and staff alike. Parental support with transport to sporting events, donations to charity days within school, accompanying children on school trips and, of course, their encouragement with homework etc is always appreciated. We have a lovely band of volunteers who come in and listen to children read, support teachers in the class and to coach after school sports activities. On behalf of all at school, a heartfelt thank you to you all.

During this term, three classes have been on trips out of school; to Truro Museum in connection with the work they have been doing about The Romans, and to Woodland Valley Farm for some pond dipping and wildlife investigating.

Children observed a minutes silence in school on Friday and learnt why people wear poppies during the beginning of November. Miss Brown and two of our Year Six pupils represented the school by laying a poppy wreath in the village square on Remembrance Sunday.

Rehearsals for KS1 Christmas play have begun in earnest; lines are being learnt, songs are being sung and very soon the stage will be up in the hall ready for the performances later on in December. Whilst we are thrilled to have a live audience this year, we do feel we need to be mindful of the number of people in the hall, so this year we will be inviting grandparents in for the dress rehearsal.

Squashbox Theatre will be performing The Christmassy Christmas Show for the whole school before we break up, this will be a lovely way to end the term, thank you to the PTFA for organising this.

The children, staff and Governors of Cubert School would like to wish everyone a merry Christmas and a safe and healthy New Year, we look forward to seeing you all in 2023.

Choughs were extinct in England until a small population recolonised Cornwall in the early 2000s. The R.S.P.B. is actively managing habitat for Choughs at South Stack, Ramsey and on nature reserves: Choughs mainly feed on short grazed grassland and heath. The R.S.P.B. is asking World leaders to secure biodiversity lost by 2030 at December's U.N. Summit and urging strong measures.

Ring Ouzles are being fitted with GPS tags to help us better understand their movements in the hope of addressing the causes of the long-term decline of this 'Red listed species'. The latest survey showed a 29% decline since 1999. Ring Ouzles migrate South in the Autumn to spend the winter in North Africa.

As the weather gets colder please start feeding birds in your garden remember to always put out some water for drinking and bathing. Little Egrets are still being seen in the Gannel Estuary. On the 27th of October Val Eardley saw 9. (a personal record for her)

Avian flu advice - if you come across a dead bird do not touch it but report it. In England call the D.F.R.A. helpline on 03459 335577.

On the 17th of October a jet had to return to Heathrow after a bird strike knocked out one of its engines at 30,000 ft over the Essex Coast. Passengers were terrified and firefighters and police lined the runway as the plane made an emergency touchdown.

The Blackburnian Warbler on Bryher is very unlikely to return to its usual habitat as it will be unable to cope with headwinds.

Locally Choughs are being seen in increasing numbers, towards the end of October Tim Hodder saw about 7 in the group at Polly Joke he said they kept moving so proved difficult to count. How the Chough population has increased since 28th April 2010 when Ben Hocking excitedly phoned me to tell me he has seen 2 at Penhale.

WI press Report December 2022

Our November meeting started with a warm welcome to existing members and three new ones. It has been a busy time since we last met and it was wonderful to see so many at the meeting. On the 13th October our newly formed theatre group enjoyed 'The Second Best Marigold Hotel' at the Hall for Cornwall. Although a small group, we hope it will expand as there are more excellent productions for the future. A veteran cast of Hayley Mills, Paul Nicolas and Rula Lenska to name but three put on a fine performance of this well known story. We all agreed it had been a most entertaining afternoon.

Thursday 20th October saw a group attend the Silver Screen Newquay's screening of Fishermen's Friends 2. We were not disappointed and thoroughly enjoyed seeing local landmarks and hearing local accents.

On the 18th October, 15 of us met at the Bay Tree for coffee and cakes and one or two late breakfasts. We also engaged in some retail therapy in the local stores. A most satisfying morning was had by all.

Seven of us attending the Annual Council Meeting on the 26th October. The report, written by Linda Hallwood, follows.

The meeting opened with a welcome from Federation Chair Helen Kestle. This was followed by a short speech from the Right Worshipful the Mayor of Truro, Steven Webb, who told us about equality and diversity in the city.

The business of the morning was covered quite quickly and was followed by the National Federation Chair's Address. Ann Jones has been a WI member for many years. She told us about her family and home in Wales where she farms sheep and manages the property they own. Her message was that we should all be positive and inclusive in our WI's and, in this way, new members will be attracted and stay.

She admitted that the AGM in Liverpool had been a 'disaster' with low numbers attending. However, many had watched on line and she felt this is possibly the way forward in future.

Fund raising was highlighted and the move to include more charities we can raise funds for. She did stress that we should ensure value for money for members, make sure we have good speakers and, above all, encourage members to enjoy their WI meetings and events.

The Cornwall Rock Choir was the highlight of the morning and their second visit to this event did not disappoint. The audience enjoyed singing along which created a great atmosphere. We all went off to lunch feeling uplifted.

We returned after lunch to a series of short anecdotes about Her Majesty the Queen, related by WI members. This was followed by a plea from each Arts and Leisure subcommittees to join them if you have a skill in their area. It seems that all sub committees are short on numbers. If these groups fail there will be fewer events for us to take part in.

Speaker Dr Annie Grey followed, telling us about her new book on Georgina Landemare nee Young who was Winston Churchill's cook. She was born into a time when the gap between rich and poor was huge and started in service as a scullery maid. She climbed the cookery ladder getting better jobs in this area, working for the wealthy of this country. She married a French chef 25 years her senior and worked with him, albeit in his shadow. After his death when she was still in her early fifties she went freelance, cooking for special receptions and events, making her name as a sought after cook. Although she had worked occasionally for the Churchills during this time, it was not until the start of the second World War, when she could see that there would be few balls and great events taking place, she became their 'home-maker'. She became a permanent fixture in their houses, including number 10, and published 'Recipes for number 10' while there. Eventually she became ill and went to live with her daughter but never lost touch with Clementine Churchill. She died at the age of 96.

Dr Grey took questions at the end and everyone in the audience said how interesting and well told her talk had been.

Overall, the council meeting was most enjoyable and has given much food for thought if you will pardon the pun.

Our monthly meeting on 8th November was very well attended. We now have 40 members which may be a record. It is great to see so many members attending.

Secretary Ann Evans gave information about the NFWI Annual meeting 2023 at which we will be representing a number of WIs in our area. She also informed us of the subjects to consider for the Resolution. These are: Save our water, Women-women-tea workers, On line gambling and Clean rivers for people and wildlife. A vote will be taken in December.

Lynne Wilson, our Social Events Organiser, spoke about all events that will soon be closing and those that are coming up. One future event, The Royal Cornwall Show Cup, will need advanced preparation. Until Covid we always took part and it would be good to be involved again. The title of the entry is 'Our Green and Pleasant Land'. Linda Hallwood asked for volunteers to get involved in the making of the display. The group will be finalised in December ready to meet in January. The finished display will be exhibited in the WI marquee at the show in June 2023. Some members may also be interested in entering the Barbara Reed Trophy where the topic is Jewellery. Marianne Inskip told us about the Mixed Media Workshop she had attended recently and showed us examples of her work and photos of the work the group had done. She very much enjoyed the day and would recommend it to others. President Linda Hallwood followed and gave feedback on other events that have taken place since the last meeting.

Gail Wilson, Speaker Secretary, introduced Di Jones who told us about her life of arts and crafts and how she came to teaching Decoupage. After, it was up to us to raid the table of fabrics and other materials to make our own card, a lovely activity where we could work and chat.

Reports on Book Club and Poppies followed tea. Our book this month was 'The Hotel on the Corner of Bitter and Sweet' by James Ford. The group members enjoyed the story and also what they learned from it. Salli Blackford, Crantock Does Poppies Coordinator, told us about the good turn out to help to put the displays up. She has heard many very positive comments about our wonderful display. Over £700 has been raised so far for the British Legion Poppy Appeal. Well done ladies of the WI and Arty Crafty group. Linda Hallwood was thanked for her part in instigating and organising groups to make the clay poppies that can be seen at St Carantoc Church and Crantock Methodist Church.

Colleen Bright, Competitions Organiser, announced that 1st place went to Maggie Billing with an exceptional Christmas seasonal arrangement. Sonia Jones took 2nd place with a beautiful crazy patchwork, a Christmas themed table runner and mat. Gail Wilson's magnificent Autumnal arrangement with hand made pumpkins came 3rd. As Colleen said on the day, all entries were of a high quality and it was good to see so many.

On a more serious note Colleen put forward an idea to help the Newquay Food Bank where she volunteers two days a week. The suggestion is that instead of sending Christmas cards we should contribute to the food bank either by bringing food, toiletries or cleaning materials to the December meeting or making a cash donation. Of course you can send cards to family and friends and still support the food bank; it is up to you.

After the raffle and the giving of posies to those with birthdays this month, it was time to close the meeting. It was busy with many topics covered but I really felt there was a good atmosphere and members were left looking forward to the next one.

CRANTOCK W.I. - BOOK REVIEW

Hotel on the Corner of Bitter and Sweet - James Ford

The author is the great grandson of a Nevada mining pioneer, Min Chung, who emigrated from China. He adopted the Western name Ford. The stories his great grandfather told were the inspiration for this book.

It is a story that packs a lot in. It is about family relationships, old world versus new, ethnicity and love. It tells the story of Henry then and now. During the Second World War the Chinese were accepted in America but because of Pearl Harbour, the Japanese were badly treated and eventually sent to internment camps. The book tells of the struggle between a teenager and his traditionalist father and the pain and the trauma of separation of the Chinese-American Henry and his Japanese-American friend Keiko.

The Panama Hotel is a real place and the belongings of 37 Japanese families were stored there. Oscar Holden was also a real person but you will not be able to find the lost vinyl record.

All members of the book group enjoyed reading this book. A number said they found the historical element fascinating as they were not aware of the difficulties and prejudices the Japanese at the time experienced. It filled in what is often a hazy part of history. I would certainly recommend this book; it is easy to read and well written.
