

## **Our village needs your help!**

Stanton St John Parish Council (SSJPC) is looking to recruit a new generation of Councillors:

Can you spare one evening a month?

There are vacancies for Councillors, on the SSJPC. We would welcome new applicants as soon as possible, preferably before the end of March, so that it can function properly once again.

### **This is an opportunity to have an input, maintain the good work of the Council and bring in new ideas:**

Be part of a new generation in helping maintain the fabric of the village, supporting its residents to draw the District and County Councils attention to the discharge of their duties when this is not done, work with them to ensure constructive outcomes for our Parish, and coordinate with each other to look after the long-term future of our village.

### **This is a responsible role, but not an onerous one.**

It involves a commitment to meeting once a month, eleven months of the year, and moving forward with the results of our traffic survey, pursuing a bus service and cycle paths, and developing a neighbourhood plan. No previous experience is necessary: you will be helped and advised along the way.

Julie, the Parish Clerk, is very efficient, and takes 98% of the Council's administration.

You will learn as we go.

Everyone on the Electoral List is eligible, preferably someone who intends to stay in SSJ.

Consider yourself before leaving it to 'others': this is **your** village, so why not try?

Please apply to Julie Stoye, The Clerk,  
at: [stantonstjohnpc@gmail.com](mailto:stantonstjohnpc@gmail.com) simply saying that you would like to be considered to be co-opted onto the Parish Council. Please respond promptly.

Andrew Clark.
