Bench Gordon's Park – still awaiting completion.

Defib No contact from Free Church to request funding assistance.

John will contact charity regarding Munloch Defib

**Web Site** – Now up and running at [WWW. KNOCKBAIN.ORG](http://WWW.KNOCKBAIN.ORG)

**Generic Email** : [info@knockbain .org](mailto:info@knockbain.org)

**AOCB**

Villages Tidy Up / Facelift

There was a lot of discussion around what we can do to get the villages looking better. It was agreed that we should do a survey of the areas and then action.

One particular item was the Ticket Office at North Kessock. It was agreed that we should assist with funding some paint if the project were able to organise the painting.

All correspondence had been circulated by email.

Council Property Manager had been in touch regarding The Dolphin Centre and The Kick Park at NK/Charleston to see whether we had any ideas for them. The kick park and car park lease runs out in September and wont be renewed. We agreed to spread the word in the village in-case anyone had any ideas. The Dolphin Centre will be advertised for lease with the Tourist Info Centre, however, the hut has no water or sanitation.

There being no further business the meeting was closed at 2110.
