Initial engagement on the Strategic Commissioning Plan for Health and Social Care 2021-2024

To overcome current and future challenges and to improve health and social care outcomes for people in Dumfries and Galloway, we need to plan and develop health and social care services.

The Health and Social Care Partnership are inviting people to get involved in developing the next Strategic Commissioning Plan.

A consultation document for the draft plan can be accessed on

<https://dghscp.co.uk/strategicplan/>

Answers to the consultation questions can be submitted through [Smart Survey](#), email, post or by telephone
