Online Statements are electronic versions of the paper statements we issue for current and savings accounts. These PDF copies of your account statements are available online for 7 years - or for 5 years after the closure of the account (whichever comes first).

Selecting the PDF icons below will open or save the Online Statement, depending on your browser settings.

If you use Google Chrome with its built-in PDF viewer, Online Statements will open automatically. However, to save them to your device, you'll need to open the PDF, then click the print icon in the top right corner of the viewer and change the print destination to 'PDF'.
