| 2022/7<br>115 | <b>Coffin Stile:</b> Concern was expressed over the future well-being of this Grade 2 listed structure as the roots of a large, mature oak tree, growing above it, were feared likely to cause damage to the fabric of the seats on either side of the coffin stile. It was noted that the ownership of the land upon which the stile is sited was in question. It was therefore decided that the Chairman and Rev. Aston would hold further conversation with the Diocese to investigate the tree's potential to cause damage to the stile and it's surroundings. | Chairman<br>Rev. Aston.         |
| 2022/7<br>116 | <b>Trees on Church land:</b> It had been noted that several trees within the churchyard were showing signs of 'die back' on their upper limbs. It was agreed that the Arboriculturist appointed by the Diocese should be asked to assess the condition of the trees.   | Rev. Aston.                     |
| 2022/7<br>117 | <b>Parish Maintenance:</b> It was suggested that the road from Lesnewth to Treworld needs to be swept clear of leaves and debris left by Winter storms. It was further suggested that better safety signage be put in place at the 'T' junction (turning left for Lesnewth at Penpol) It would help with on-line orders and deliveries if a street name could be assigned to the road running  | Clerk/Highways.<br>Done 21.7.22 |
