2022 11/131	<b>To RECEIVE a report on the business of Cornwall Council:</b> It was reported that Cornwall Council had bought a property with a view to refurbishing it as flats for residential use but the current market value of this property, compared to the price of purchase, had since been called into question. Confusion around the possible election of a Mayor for Cornwall was evident. It was to be hoped that Cornwall Council would very soon clarify the reasoning behind this initiative. Further information was deemed to be essential before the people of Cornwall could be asked to decide if a Mayor for Cornwall would bring a positive benefit or not.

Cllr Jordan offered to meet this cost from his 23/24 Community Chest Fund, for which he was thanked. It was unanimously agreed the Clerk should receive her agreed sum of £280 for Clerking these meetings throughout 2022. With no other expenditure expected before April 2023 the remaining balance of £2102.82 was considered sufficient for the installation of a defibrillator in Lesnewth.

2022 11/137	<p><b>To AGREE the Precept for 2023-2024:</b> Having fully considered the financial situation of this meeting it was thought prudent to raise the precept by 3% to cover any increased costs. An increase of 3% would put the precept up by £22.15 (£738.40 to £760.55) or £1.70 per Band D property per month.</p> <p>Proposed by M. Drayson, seconded by W. Drayson and agreed unanimously.</p>
