**Further Information**

**Community Safety Team continue to monitor for Dog Fouling, Litter and Anti Social Behaviour.**

Issues have been raised that some of the younger youths are not allowing kids to use play equipment in Zetland Park. Community Safety Team has engaged with these youths and has met with a good response. We continue to patrol the park both during the day and evening.

We are receiving reports that some of the youths are gathering in closes in the Bowhouse area again. We are monitoring these closes and still require the public to contact us when issues are ongoing so that we can try and catch them to pass details to relevant departments.

The new play area at Inchyra Place has been vandalised and again, we are monitoring the area. Members of the public are again, asked to contact us when youths are within the park, in the hope that we can engage with them and try to get them to desist.
