Planning Report

W.I. drew attention to two proposed developments in adjacent CC constituencies

- Avondale landfill site proposed Hazardous Waste Cell. Given the location and potential impact of any leachate from the site contact has been made with the developer and planning at FC to ensure that we are kept informed on this application.
- Abbotsford Business park adjacent to ASDA distribution centre; a production facility creating kits for home building. Potential jobs circa 100.

Local Community Planning

Following our Zoom meeting with Community Planning officers on 8th March to discuss the Draft Action Plan a response has been received in relation to housing issues raised at that meeting. The response was discussed and it was agreed that an offer to meet with housing officers would be accepted.

W.I. advised that as requested by the LCP team we have forwarded our top 5 priorities for action as part of this process.

As part of the wider process a meeting has been arranged for 22nd. March with the Falkirk/Grangemouth Growth Deal team

Treasurers Report current account balance £3842.40 no outstanding invoices.

W.I. requested feedback on the progress of an agreed donation to Grangemouth Food Pantry. (*Grangemouth Food Pantry currently finalising creation of a bank account, progress has been slow due to covid restrictions*)
