

THE ROYAL BRITISH LEGION

WOMEN'S SECTION

We are The Royal British Legion Women's Section, we met in the Victoria Hall Sutton Scotney at 7 p.m. on the first Monday of the month starting on Monday 2nd August 2021.

Why we exist – We provide care and support to the Ex-Service & Serving personnel, children and dependants and have done for over 100 years. We are made up of a network of branches with over 10,000 members right across the UK

What do we do – Throughout the whole 100 years of our existence we have been able to provide much needed assistance to our service and ex-service families in their time of need.

The list of support that we have been able to provide is enormous but in recent times assistance has been given as War Widows payments, grants to assist with education and further education, grants to assist with food, warm clothing, shoes, bed and bedding, turbo charms and adaptations to assist with disabilities.

Why not come and join us at our meeting?
