Hi Gary,

I will have a look at it tonight/tomorrow - I am confident it is ok and I will circulate as soon as possible.

My MacBook is a little problematic at the moment which is causing me some impact.

I will do my best not to call you and wish you a great time in Cornwall.

Kind regards,

Russell

Russell - I attach my suggested responses to the R14 comments

Where I have commented in red - this requires a discussion with the Steering Group

If you are happy to send it out in advance of the meeting next Thursday we can agree the responses and then amend the NP accordingly

I'm going off down to Cornwall for a few days tomorrow but will be available for brief updates if needed ...

Thanks.

Gary

Good afternoon, All.

I have brought together the responses into one document. I have done this as a table. If you are not familiar with this system, it's one I used a lot at work because you can keep replies parallel with the comments. The unwanted lines can be easily removed as we move towards a final document.

I hope this is what you are looking for.

Regards

Mary
