COVERDALE MEMORIAL HALL COMMITTEE

Are you a resident of Coverdale with an interest in local facilities who can commit to a few hours per month and looking for a volunteering opportunity?

WE NEED YOU!

For more details contact Lea Taylor 07977007220

COVERDALE MEMORIAL HALL FIELD SUB-COMMITTEE

The Coverdale Memorial hall has a sub committee responsible for the field belonging to the hall, which was purchased a couple of years ago. We have reinvigorated this group with the intention of capturing what local people would like to use the field for, and creating an action plan to implement. This is the start of that journey and we would like to ensure that our local people are:

1. asked for their input/requirements, as to what they would like to use the field for e.g. sport, football, boules, park, wildlife etc. We will be providing feedback forms at the Foresters Day on the 24th July and Yorkshire Day on the 1st August and further consultation will happen as we progress;
2. asked to volunteer and get involved, to either be part of the sub committee, or to pick up tasks e.g. to help complete grant applications, plan, schedule and manage specific elements or fund raising as necessary. We are very interested in younger members of the dale as this is a long term investment for their future;
3. made fully aware of our intentions and plans, we will do this via each parish council in the dale, Bridge magazine, Carlton newsletter, www.coverdalemorialhall.co.uk, on the hall notice board and further consultation events.

Are you a local resident who would like to get involved or are happy to submit your ideas? If you require further information please do not hesitate in contacting:

Defib News

The defibrillator in Carlton is now part of a national database network which connects all the local databases together to provide a single national view and will also provide the Ambulance Service with better knowledge about the defibrillator's location.

You will have heard of What 3 Words so, as another back up, the three words for the village hall are:

assets.tastes.bubble

There will be a laminated sheet with these words in (or on the outside) of the box. So when someone rings the emergency services and gives those words they have an exact location.

The box is still checked every week, but if anyone thinks that something looks unusual or sees any damage, etc, could they please give Jill Sutherland a ring on 640391 or 07825332226.
