This year the Christmas carol singing around the village raised a fantastic £360 which went to Richmond Food Bank. Thank you to everyone who gave so generously and to the carol singers who were in particularly fine voice!

Homeowner Database

There may be times when the Council needs to contact homeowners about the water supply or other situations. At present we do not hold contact details for every householder and therefore in the case of an emergency such as a water leak or boil order, vital information may not get through. If you are holiday home owner or think that the Clerk may not have your contact details, please telephone or email the information on the email/phone number at the top of the page. All contact details will be kept in line with GDPR regulations and will not be passed on to third parties.

Message from Howard and Carrol Thomas of Little Side

We would like to take this opportunity to sincerely thank the many friends who so kindly sent flowers, cards, cakes and pies to us on their recent very sad bereavement following their daughter, Jane's sudden passing.

All mention her smile, friendliness and love of life, which was always in evidence. We miss her .

Love and our thanks to you all,

Howard and Carrol.

Reporting of Pot Holes, Flooding and Blocked Drains

The recent weather has again taken its toll on the Coverdale roads. Please don't assume that someone else has reported any problems that you come across as the more reports NYCC get, the clearer picture they can get about the state of our roads. The reporting system for potholes, flooding, blocked drains etc is sent directly to the team which deals with the problem. They will send someone out within five days to assess the problem and work out a plan of action to remedy it if appropriate. NYCC have a huge network of roads to maintain and whilst they do patrol the network, they also rely on residents reporting problems. It's easy to do by accessing the following website:

Best wishes for a Happy Easter from all the Councillors!
