Fruit and Veg in the Supplies Box

Thank you so much to all those who have contributed to making the fruit and veg supply box such a success! There has been all manner of produce from tomato plants and cucumbers to figs and runner beans which have snapped up by willing consumers who have also been most generous in their donations to the Yorkshire Air Ambulance. We have already raised over £40 – **THANK YOU!**

For those that aren't using the box yet, if you have a glut of produce (there are lots of apples and pears around still!) that you don't want to go to waste, please feel free to pop it in the newspaper and supplies box by the noticeboard and write on the chalkboard next to it what is available so that people can see what there is (chalk is inside the box on the little ledge). If you take anything out, then please rub it off the chalkboard. There is a little donation box if you want to make a donation, but it is not obligatory – just help yourself so it doesn't get wasted! All proceeds raised will go to Yorkshire Air Ambulance.

Dog Fouling

There have been complaints about the incidences of dog fouling in the village. Dog waste is unpleasant and can be toxic - particularly to children. Please do be vigilant of where your dog is fouling and clear up after it. Thank you!

Yorkshire Dales Cheese Festival – Celebrating Local Produce 6-9th October 2023

The festival celebrates the incredible produce of the Dales – cheese very much included! – with local businesses throughout the National Park hosting their own special events, menus and tastings to mark the occasion. One weekend may not be long enough to pack in everything delicious that the Dales has to offer, but we're going to give it a good try.

Look out for cheesy bites and themed dishes in local cafes and restaurants, demos using local produce, cookery courses, dining experiences, Yorkshire gin and ales, specially created dairy ice creams and sorbets, jams, jellies and chutneys, locally reared meat on menus, and the chance to meet the makers.

Events will be held by businesses located around the Yorkshire Dales. Details are also listed on the [Yorkshire Dales Cheese Festival Facebook page](#).

Carlton Methodist Chapel

Now the Chapel has been forced to close we are organising a united worship / non denominational service in the Annexe on October 1st at 11 am. This is experimental and different ...hopefully interesting...so please, if you are interested, do come along and be part of this experience !

Coverdale Memorial Hall Field

The Coverdale Memorial Hall committee have successfully been awarded funding from the Lottery Community Fund. They will fund this project over 2 years to deliver a playground, memorial park and playing field. The planning is underway, and we will announce timescales in future newsletters. This will ultimately take the field out of commission for some months, but we intend to keep you all informed as this project progresses.

If you have any further questions, please take a look at the following page : <https://www.coverdalememorialhall.co.uk/get-involved-1>

If you wish to get involved in the project, please contact Lea Taylor on 07977007220.
