

## PRICE LIST – 2018

*All prices (RRP) are for export, excl. duty and taxes. Ex works*

### **DRAGONFLY 35 TOURING**

All three hulls in white gelcoat finish + cabin and structural parts of the interior are made in hand-laid fibreglass combined with Divinycell foam core sandwich construction – white non-skid on deck areas. The wings and structural bulkheads are made in UD and Biaxial fibres in Vinylester Resin – tempered. Composite centerboard complete with kick-up system and downhaul. Epoxy rudder with kick-up system and downhaul.

Interior in teakwood varnished with 2-part quality – partly in satin and high-gloss quality. 6 x cabin windows in acrylic with alloy frames + 1 x cockpit window in aft cabin (openable). 5 x hatches of acrylic/aluminium in total on all three hulls. Escape hatch in aft cabin.

Volvo D1 30 sail-drive, 3-cylinder diesel, 30 HP, fresh water-cooled. Folding 2-blade propeller standard. Stainless fuel tank, 80 litres with deck fill and gauge. Water tank, 120 litres. 2 sinks (pantry/toilet) with pressurised water. 2-burner gas stove flush mounted with cover, incl. 3 kg camping gas bottle. One automatic bilge pump, 12V + hand pump for main bilge operated from cockpit. Marine toilet with 60 l holding tank with electrical pump-out to sea as well as deck outlet. Complete 12V electrical installation with remote master switch and automatic fuses + one 12V plug. One battery for the engine, 50 Amp/h. 3 x AGM-batteries for consumption, each 70 Amp/h (maintenance free). Various LED cabin lights. Navigation LED lights. Anchor LED light in masthead. Compass with light. Two fire extinguishers, toolbox, and flagpole. Curtains in main cabin. 10 x interior cushions (fabric choice from our sample collection). 2 x trampoline nettings in heavy duty material, UV-stabilised. 2 x self-tailing winches Andersen 46 on cabin top for halyard and genoa sheets. 2 x self-tailing winches, Andersen 28 for main sheet control and 2 x winch handles. Ronstan traveller and genoa track system with outhaul and all blocks. 17 x Halyard stoppers. 4 x stainless pollars (mooring cleats) and 4 x mooring lines, each 14 metres. Jefa wheel steering with 1,200 mm stainless wheel. 4 x water stays in 14 mm high tension Dyeform cable quality. Bow pulpit and handrails on cabin roof in stainless. One bathing ladder in stainless on one float. Stripe work (free choice from our 3M colour collection of non-metallic colours – metallic stripe work is extra). All sheets and lines for controlling the standard sails. Mast: 16 m Carbon white-painted with 2 x Quattro spreader system and diamond stays in 7 mm Dyeform quality. Ronstan batten car system – ball bearing. Boom (aluminium) with two single line reefs and lazy-jack system with Dyneema reefing lines. Headsail roller reefing system. All functions are led to cockpit. Mainsail 57 m<sup>2</sup> fully battened in Elvström Epex laminate quality with 7 x battens and 3 x reef points. 2:1 main halyard in Dyneema. Roller reefing genoa 32 m<sup>2</sup> in Elvström Epex laminate with 3 battens in the leach. 2 flag lines and Windex.

Complying to the EU standards category A – the boat is unsinkable

<b>Dragonfly 35 Swing Wing, Touring version, standard basic boat</b>	<b>EUR</b>	<b>305,800.-</b>
--	------------	------------------
