Declaration of Interest

There was no declaration of interests

Planning Application: Land South of Golden Hope, Out Newton Road.

Details of the application were passed to the Council members who had not had chance to view this previously. After discussion the Council could not find any material reason why this development should not be permitted. However, as the Council is aware the application is contrary to local planning policy/guidelines and therefore could not be supported because of this, it was decided to return a comment of "no objection to this application" to ERYC.

The meeting closed at 9.15pm
