

*Schools.* Duns primary school and the Berwickshire High School (BHS) are flourishing and have recently moved to new premises, the primary school in 2017 and the high school in 2009 (<https://bhs.scot/>). BHS serves the education needs of children from the town and its hinterland.

Eyemouth is effectively served by Eyemouth High School, which opened in a new building in March 2009. The primary school in Duns welcomes input from the

churches for assemblies and summer holiday weeks. Berwickshire Christian Youth Trust operate from offices in Duns and are active in all the local schools, although the once-active Scripture Union in the BHS has folded. There are also about four private children's nurseries in the town and one in Fogo. Other primary schools are in nearby villages, including Swinton, Chirnside, Reston, Greenlaw, Eccles, Coldstream, Westruther, Ednam, Ayton and Coldingham
