## **APM.22.01 Minutes of the last Annual Parish Meeting**

The minutes for the meeting of 4th May 2021 were checked for accuracy and approved.

## **APM.22.02 Chairman's Report**

The Chairman gave a review of Parish Council activities through the year as reported in the minutes of the ordinary Parish Council meetings. The Parish Council intends to decorate the village for the forthcoming Jubilee celebrations with flags and hanging baskets.

## **APM.22.03 Comments and Questions Raised**

### **Commuted Funds**

At last year's Annual Parish meeting, a question was raised regarding whether commuted funds were available from the various building developments being made within the village.

This issue has progressed, a meeting was held in the village hall by the Local Authority explaining the funds available and the process to obtain them. Help has been offered to individual organisations with projects that could attract these funds. The matter is ongoing.

### **Wind Turbines**

A request was made that plans be submitted for positions that would be acceptable for Wind Turbines to be constructed as per the items in the news.

The meeting closed at 19:16.
