Dear Sir/Madam

**Aberfeldy Flood Study  
Community Drop-in Sessions - Summary Report**

Further to my letter dated 15 May 2019 regarding the 'Aberfeldy Flood Study – Community Drop-in Sessions' I can advise that approximately 60 people attended the drop-in sessions over the two days. A number of questions were raised about the flood study and a Question and Answer Report summarising the discussions has now been finalised.

I would like to thank those attendees for their contribution during the drop-in sessions and I have enclosed a copy of the Q&A Report. In addition, the report has been issued to the Community Council and local councillors.

If you have any queries please contact Gavin Bissett, Technician (Flooding) at the above contact details.

Yours faithfully

Andrew Strang  
Structures and Flooding Manager
