Dear Sir/Madam

**Taybridge Drive, Aberfeldy – Traffic Calming Measures**

Following complaints about the speed of vehicles along Taybridge Drive, Aberfeldy, Perth & Kinross Council has been tasked with the installation of speed cushions. While this may lead to a decrease in vehicle speeds, it may lead to an increase in noise and vibration as vehicles pass over the ramp.

Please see the enclosed consultation drawing which shows the proposed location of the speed cushions.

Consultation with Aberfeldy and District Community Council and Local Elected Members for the Aberfeldy Ward has taken place and they approve of the proposed changes.

If you have any comments on the proposal, please could you pass them to Christopher Lennox by **Friday 28 February 2020**.

If you have any questions or require any further information, please don't hesitate to contact Christopher Lennox on 01738 474452 or email [Clennox@pkc.gov.uk](mailto:Clennox@pkc.gov.uk)

Yours faithfully
