

Towards a Safer Aberfeldy

Post 2017 Change and Outstanding Issues

A February 2023 Update

Outline

- Origins – 2017 surveys and agenda for change
- Changes made
- Things attempted and not changed
- Outstanding Improvements
- Status report & where next; Community attitudes

Double Yellow Line (DYL) Parking Blackspots

Suggested new DYLs

Nursery

Approximate locations of speed surveys

The "Triangle"

Health Centre

Dalweem

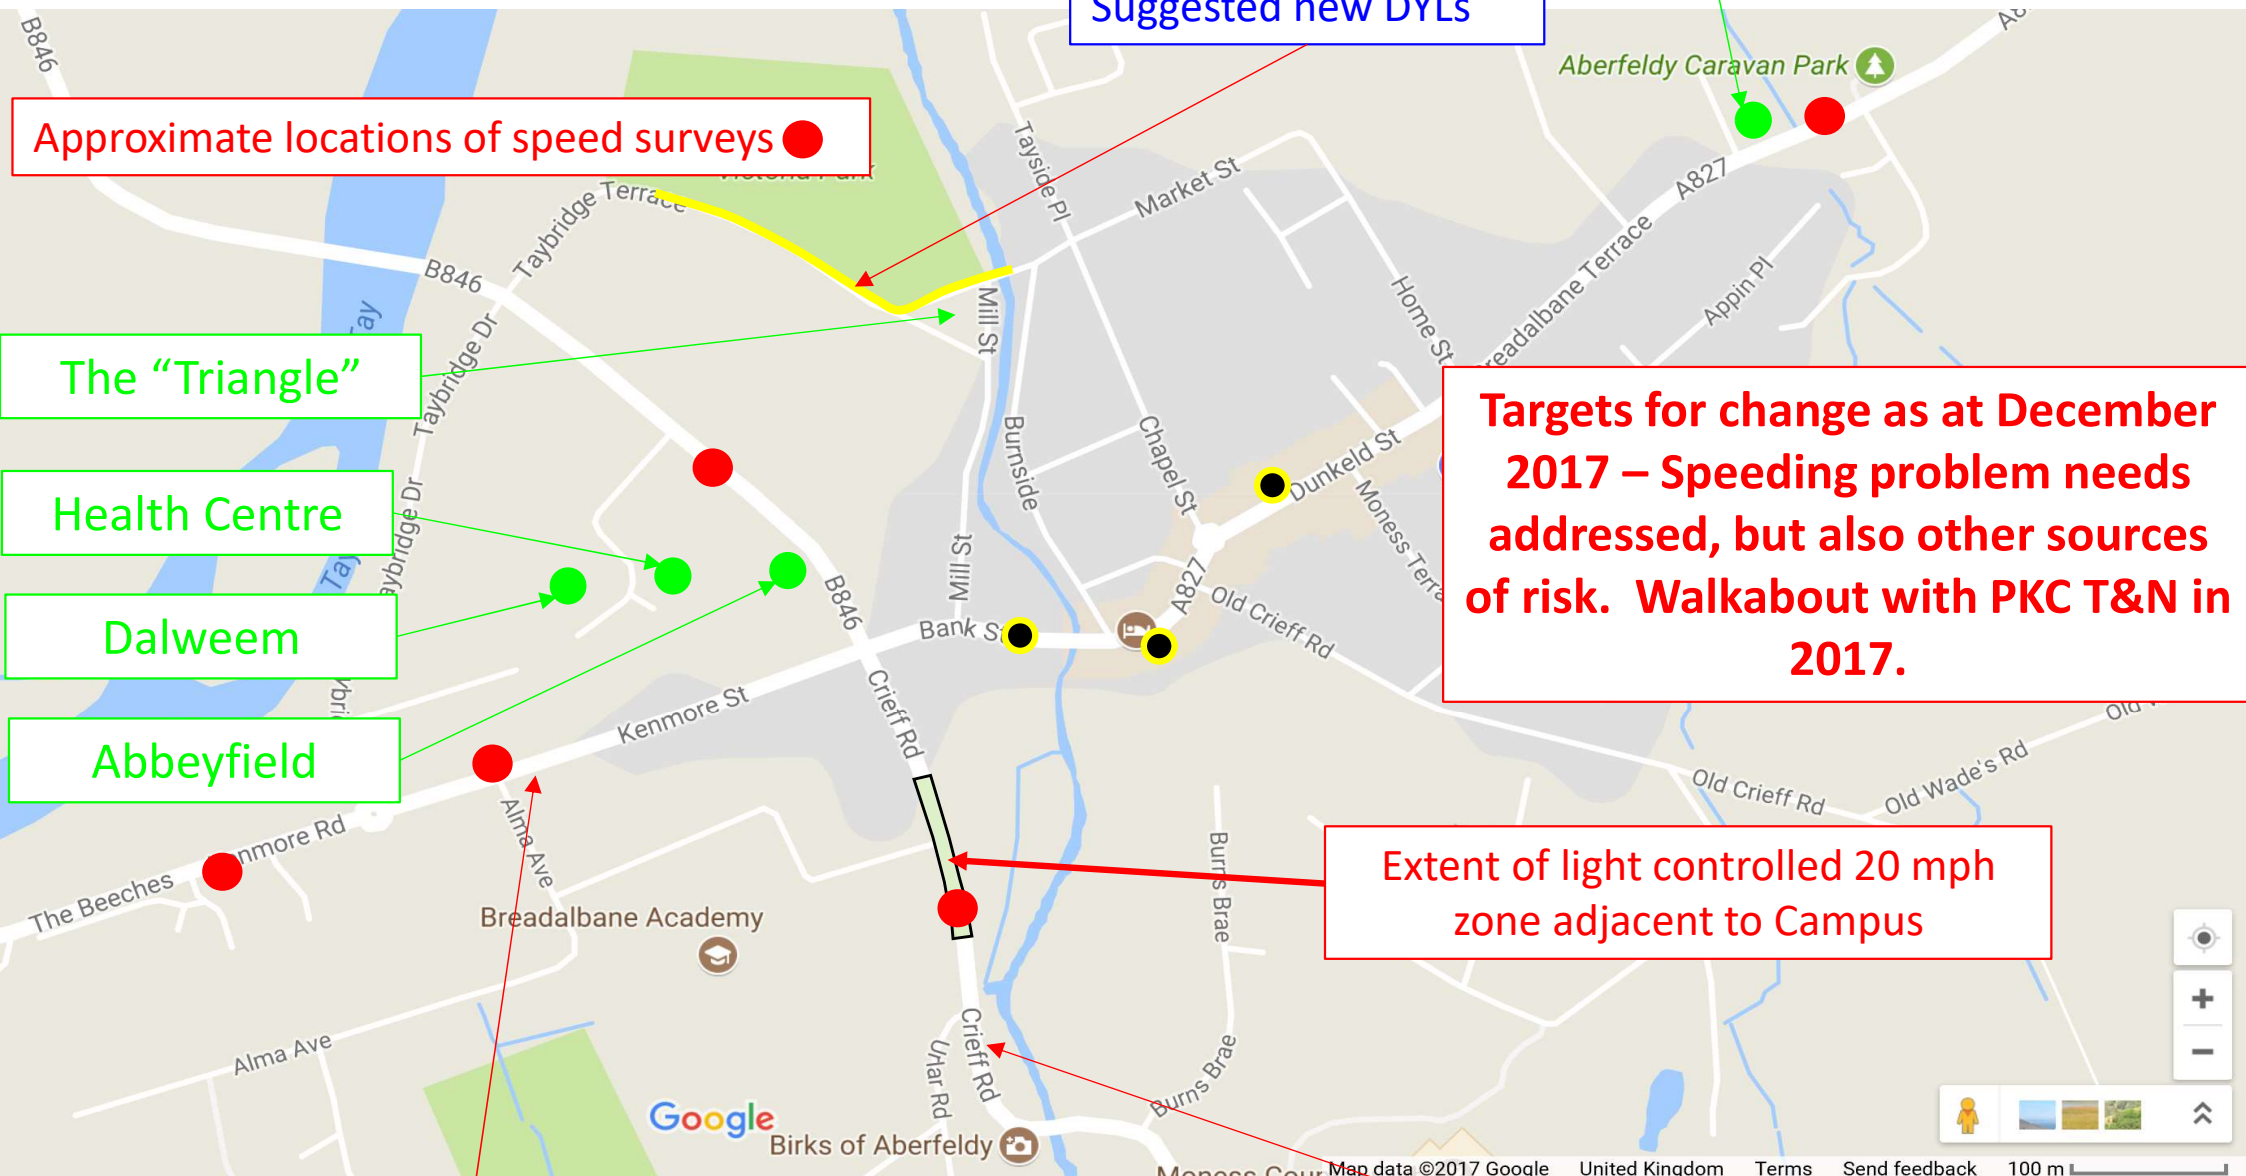

Abbeyfield

Targets for change as at December 2017 – Speeding problem needs addressed, but also other sources of risk. Walkabout with PKC T&N in 2017.

Extent of light controlled 20 mph zone adjacent to Campus

Site for possible crossing or build-out

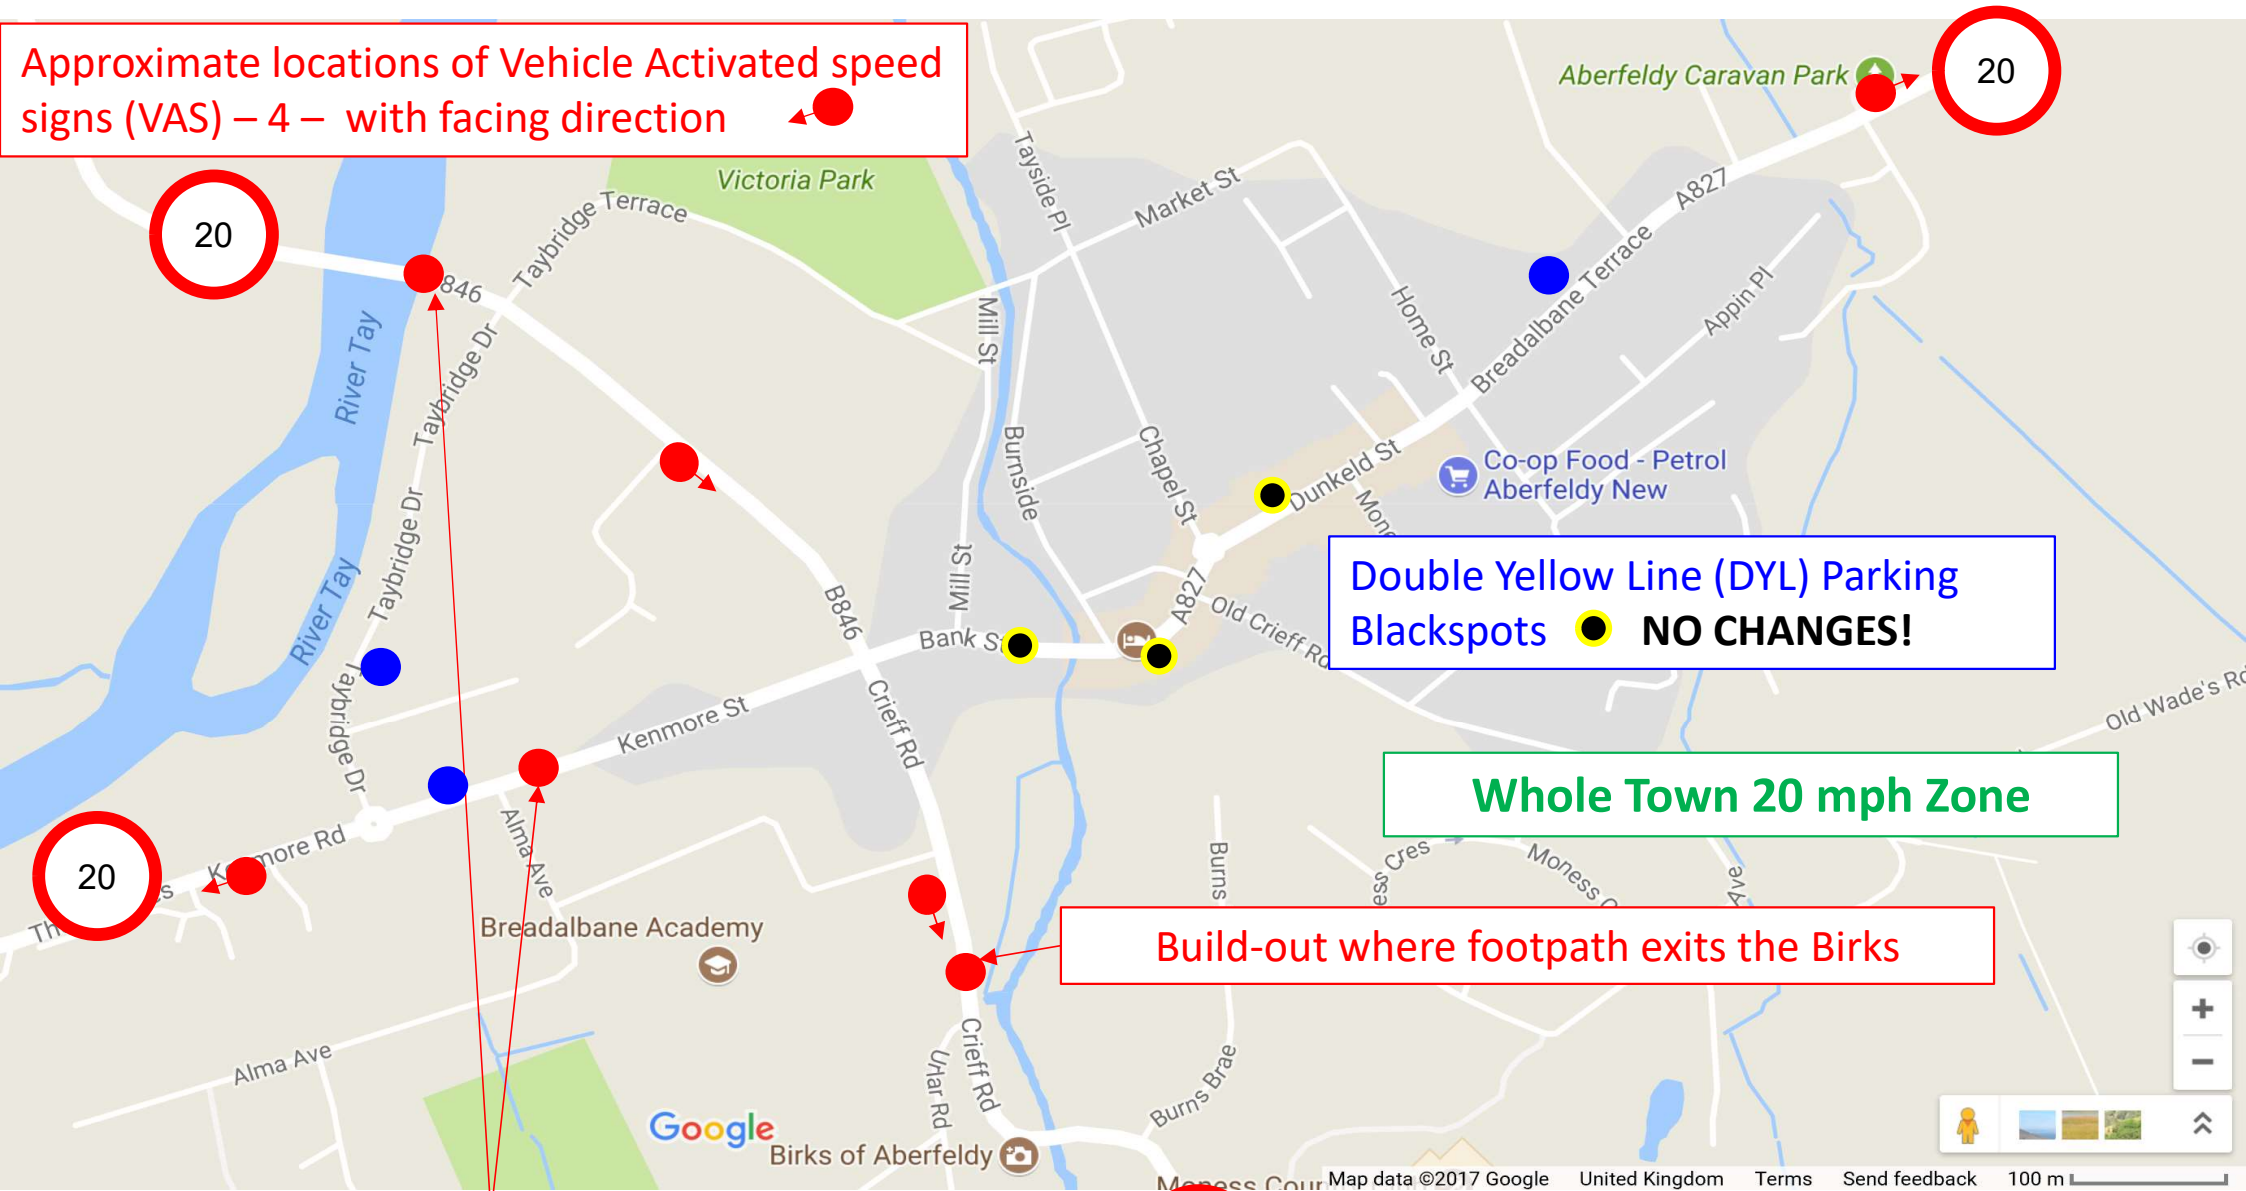

Site for possible build-out, with uphill priority (where footpath exits the Birks)

Google

Changes 2018 to today

Approximate locations of Vehicle Activated speed signs (VAS) – 4 – with facing direction

Light controlled crossing points

20

Permanent Speed Monitors

Changes sought and not achieved

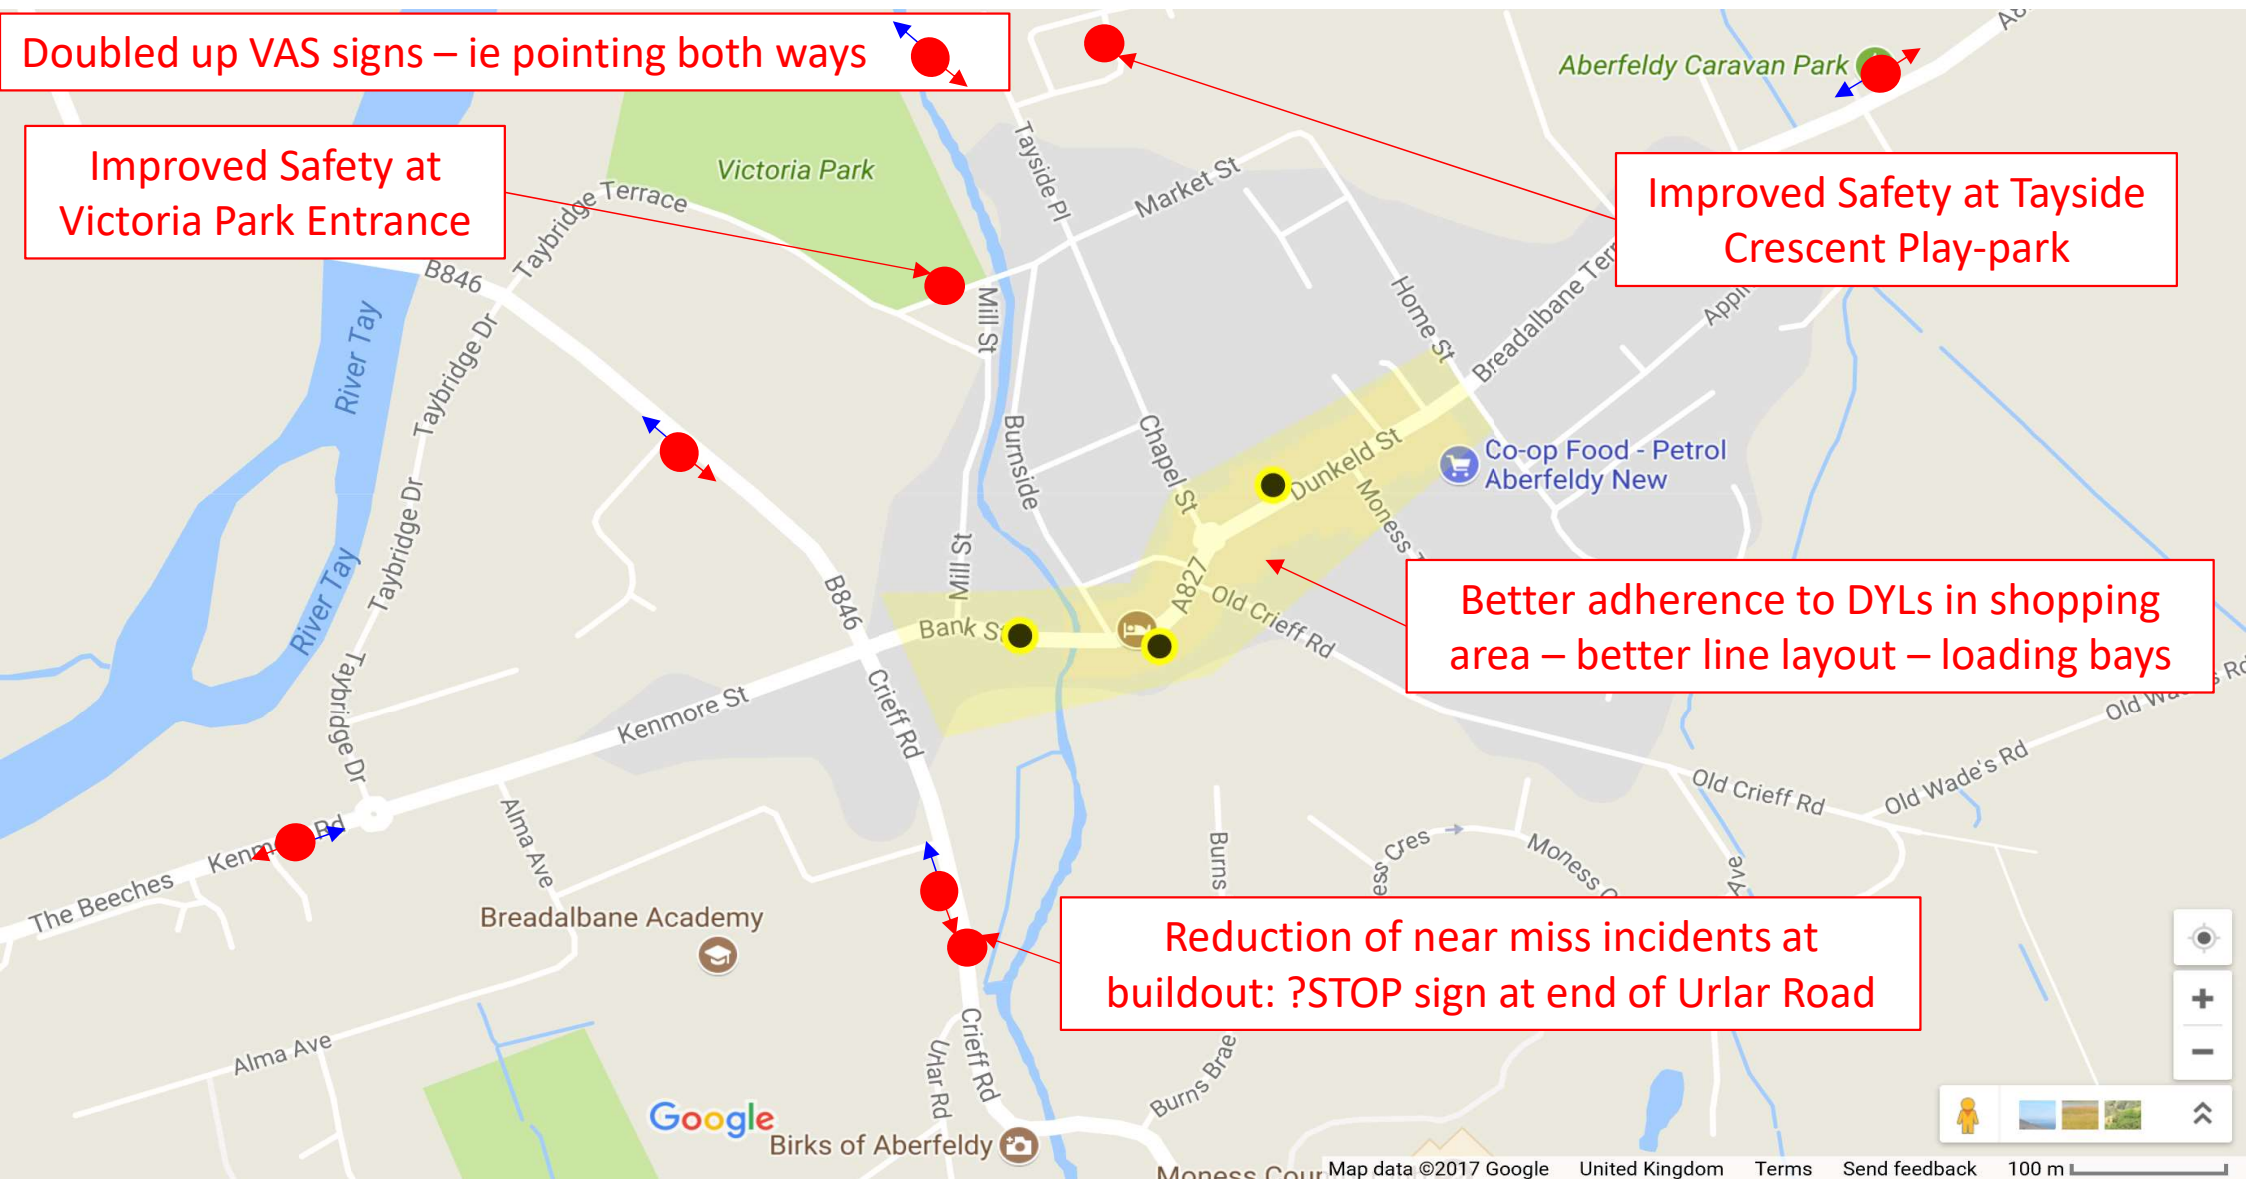

Doubled up VAS signs – ie pointing both ways

Improved Safety at Victoria Park Entrance

Improved Safety at Tayside Crescent Play-park

Better adherence to DYLS in shopping area – better line layout – loading bays

Reduction of near miss incidents at buildout: ?STOP sign at end of Urlar Road

Priority Targets ?

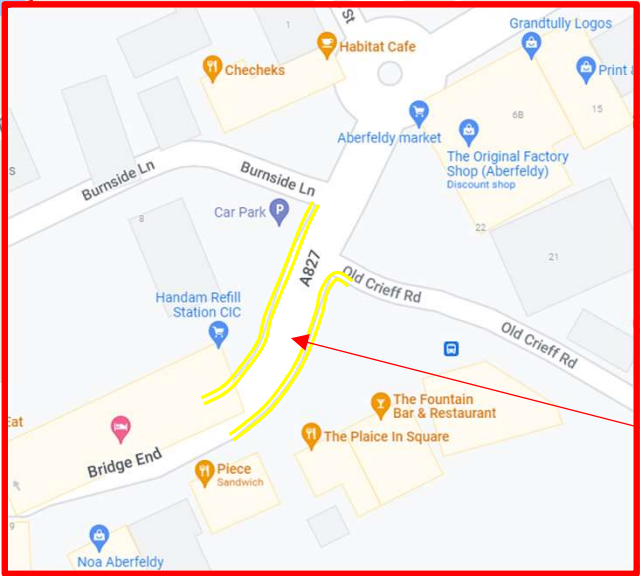

Doubled up VAS signs – ie pointing both ways

Improved Safety at Victoria Park Entrance

Improved Safety at Tayside Crescent Play-park

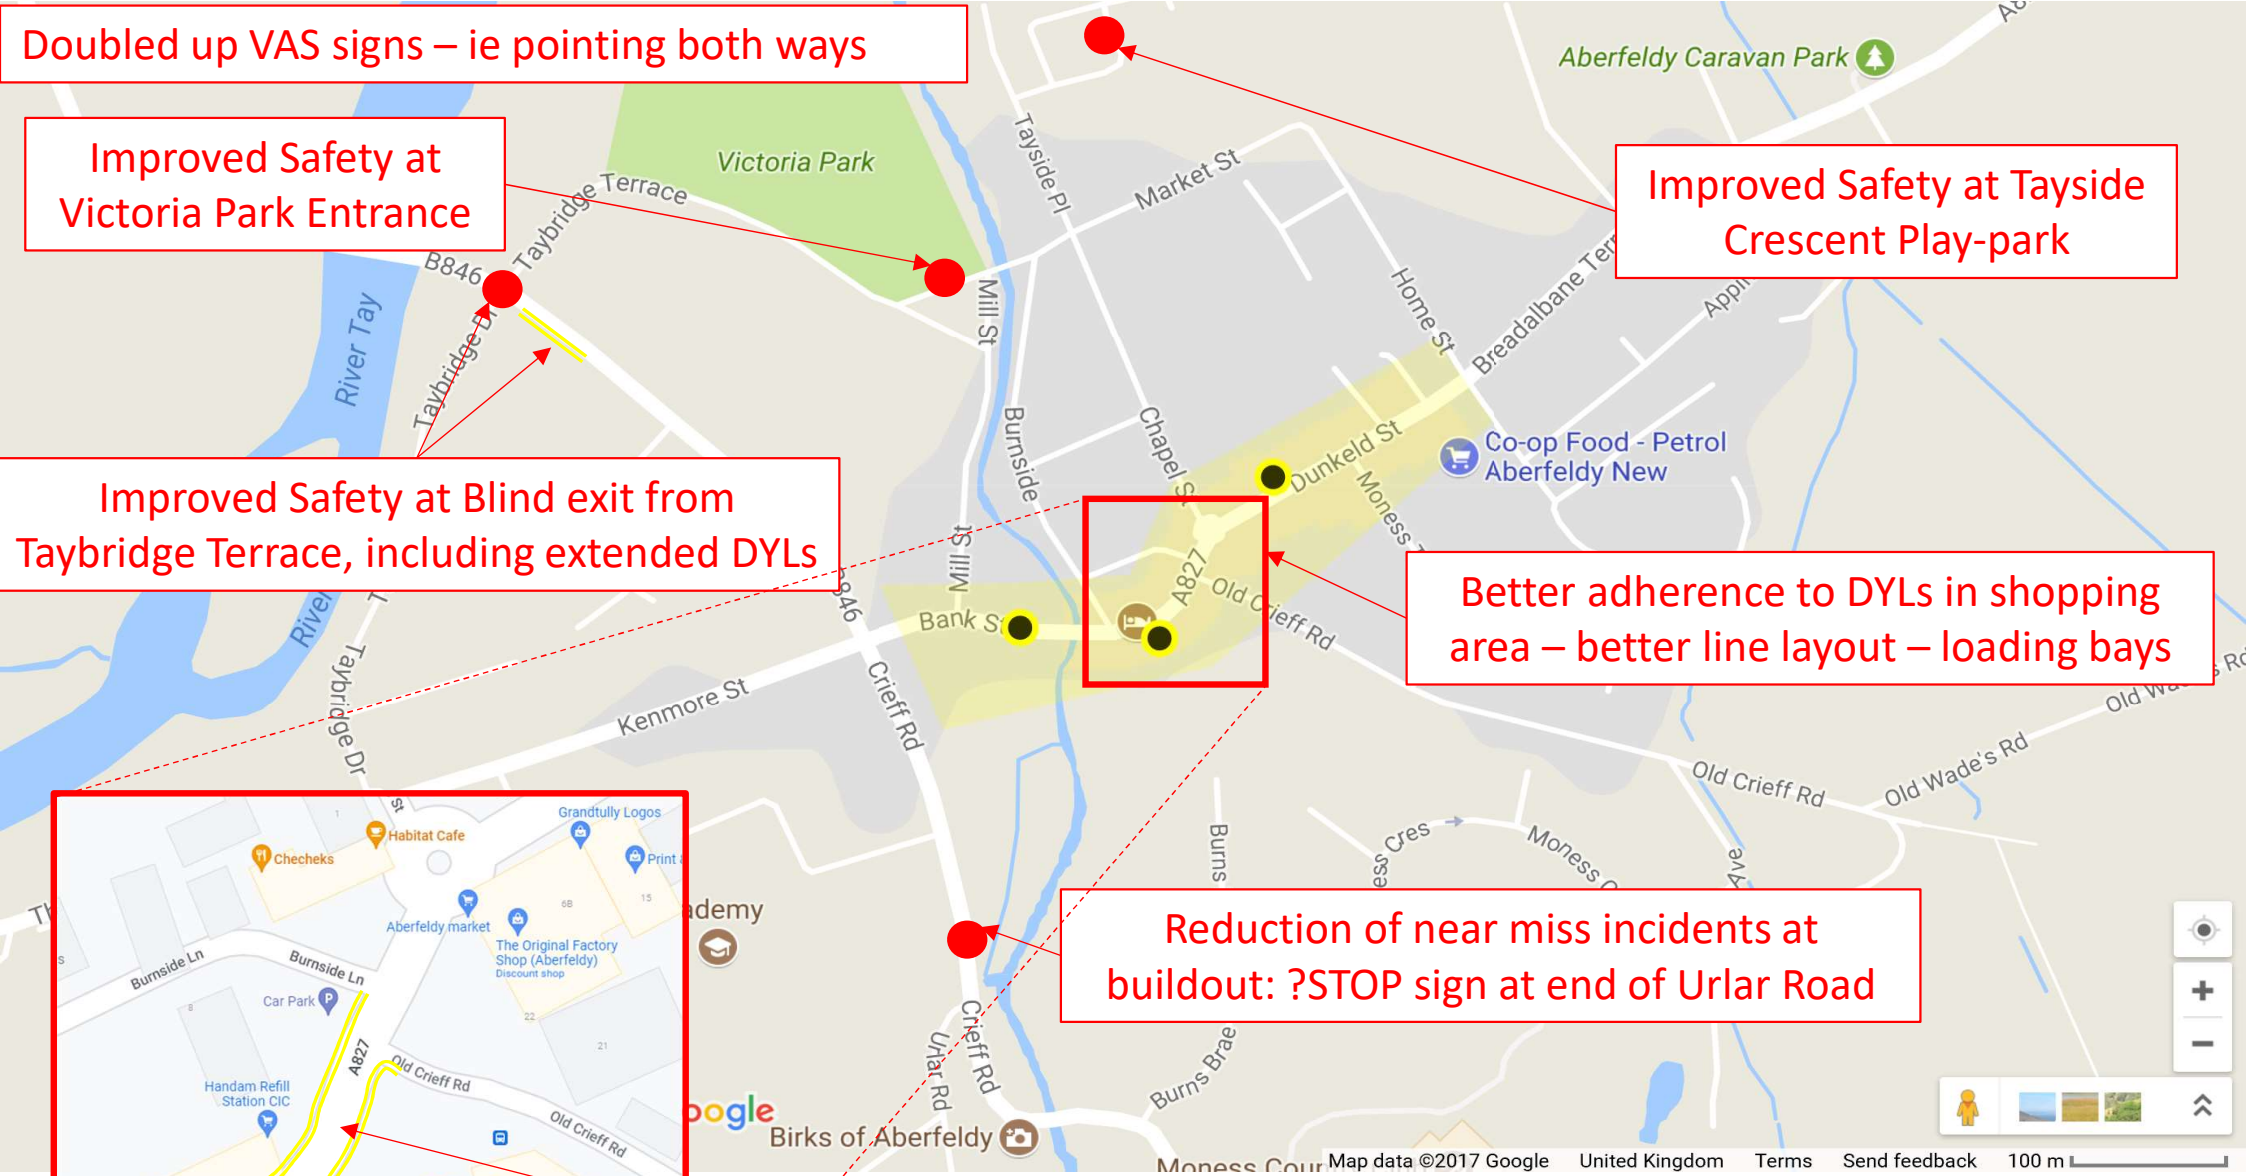

Improved Safety at Blind exit from Taybridge Terrace, including extended DYLS

Better adherence to DYLS in shopping area – better line layout – loading bays

Reduction of near miss incidents at buildout: ?STOP sign at end of Urlar Road

Re-categorise these DYLS to be no loading or unloading

Tr Eng	Dropped kerbs (street audit)	Aberfeldy Town Centre	A827	20	G
Cr Barrier	Crash barrier	Bolfracks, Aberfeldy	A827	NSL	G

Status Quo

- Dangerous driving behaviours still an issue
- Some engineering fixes still needed
- Education remains a challenge
- Role of enforcement almost totally missing
- PKC resource over-stretched
- What is the whole community view?
- Where is it in our priorities?
