Dear Sir/Madam

**Support for Application to Sustrans Street Design 2020/21**

I am pleased to confirm that Perth & Kinross Council's Traffic & Network Team is supportive in principle of the "Safer Access to Victoria Park" project which is being applied for through the Sustrans Street Design Programme. However, given the many competing demands and priorities that we are dealing with, we are unable to commit future funding or resources to the project at this point.

If you require any further information or have any queries, please contact Blair Watt on 01738 476944.

Yours faithfully

Charles Haggart  
Traffic & Network Manager
