

Do You Feel Safe

In Your Local Area?

We would like to hear your feedback

Every year, your South Wales Police and Crime Commissioner runs a community survey.

This gives him valuable insight into:

- making people feel safer where they live, work or visit
- what can be improved to make them feel even safer
- people's views of policing contributions via Council Tax

Please spare a few minutes to share your views with us before the survey closes on **Tuesday 13th December 2022**
