

WELSH ST DONATS COMMUNITY COUNCIL UPDATE

www.welshstdonats.co.uk

April 2014

FOOTPATHS: A site meeting with a Footpath's officer was arranged for April to discuss re-routing footpath 12 to avoid going through Church Farm and take a route behind the Church and come out through a kissing gate at the pond.

I have reported several broken stiles and blocked paths. Please let me know of any you know.

REPORT FROM COUNTY COUNCILLOR RHODRI TRAHERNE

Rhodri explained the significance of the Alternative Sites consultation as part of the Local Development Plan. There were two such sites in the Welsh St Donats area and one in Ystradowen (which would have a direct impact on traffic passing through Welsh St Donats). The Community Council would submit comments on those in Welsh St Donats. All sites were considered unsuitable for development.

REPRESENTATIVES:

Andrew Foyle outlined all current Councillor Training sessions over the next few months and asked for Councillors to attend.

Bill Fawcett reported that events are planned over the summer by the Hall Association Committee. Any funds raised would aid repair of the Church.

Ann Thomas agreed to be the temporary Additional School Governor for Pendoylan School until a permanent Governor could be appointed in September.

DOCUMENTS: Councillors reviewed the LDP Alternative Sites consultation and the Welsh Government consultation on disposal of Local Authority Playing Fields

FINANCE: Payments were approved for Williams Ross (PAYE tutorial), PAYE to HMRC, Green Venture for grass cutting and Clerk's salary following deduction of PAYE.

PLANNING APPLICATIONS:

Councillors discussed a planning application for Llys Yr Hafod in Prisk. Details of planning applications are available for viewing on the Vale of Glamorgan Council website.

Should you wish to have anything raised at our next meeting and AGM on May 6th, please let me know beforehand by dropping me a line or email. Members of the public are welcome to attend our meetings and can speak to the Council during the Public Forum item first on the agenda.

Victoria Pearce, Clerk
