

Cuthbert needs support,
understanding and
a fair trial!

Sir Thomas has self-preservation
issues and needs your skills
and imagination.

conditions and hope for the future -
could you be the one to come
to his aid?

**Challenging times call for
new perspectives and vision!
Will you consider becoming a trustee
at the Courthouse museum?**

2021 will be our 30th year as a museum in our wonderful old building. We think we are an asset to this community and want to improve what we offer to both visitors and locals. Please step on board to help us achieve this.
