Dear All

What a wonderful weekend we had celebrating the coronation of King Charles III. Ruth and I were privileged to be able to share in almost every celebration in the communities of Crook Peak Parish. Each was unique reflecting the character of the people and communities who were celebrating. In all there was laughter, conversation and joy shared across the generations, plus a lot of food and drink. The hope a new era brings was very evident everywhere we went. A fresh start is something that many seek in life. Whether it is moving to a new community to enjoy a different lifestyle, as some I talked to have recently done, or simply a change of direction in life as I have personally experienced. A fresh start is something that is always on offer from Jesus. A new perspective on life, a hope that is always present. In church we are experiencing a fresh start, a new perspective on our life together. We have discovered a new way of sharing the joy of being part of our church family in a new service, an Agape Meal. This is explained in more detail elsewhere in this issue of CONTACT. However the best way of finding out what it entails is to join us. You are all most welcome and we look forward to sharing with you. More fresh starts take the form of, a Parish What's App group for church news, Women's Fellowship and a Home group. See the Diary for when and where.

God Bless Gary Orriss (Lay Minister)

RISEN ASCENDED GLORIFIED

Just before Jesus was taken up to Heaven he said

"Therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age." Matt 28, vv18-20

"And I will ask the Father and He will give you another Counsellor to help you and be with you for ever....I will not leave you comfortless; I will come to you." John 14 vv 16-18

The same Jesus who taught, healed, and delivered, who was crucified and is now risen, is with us 24/7 for the rest of our lives. He is here to strengthen us and comfort us in our walk with Him, as well as empower us as we seek to carry out His great commission. (Taken from 40 Days with Jesus, by Dave Smith of Kingsgate Community Church.)

New WhatsApp Group for Crook Peak Church The Church has a brand-new WhatsApp Group. It will carry news related to the activities of Crook Peak United Parish, the PCC, Church Committees, the congregation, and associated groups. It will advertise services, social events, and meetings and urgent information. To join the group, pick up a Joining Form in your village Church, download one from www.crookpeakparish.org.uk/whatsApp or email crookpeak6in1@gmail.com. Previously notifications were sent out from the Crook Peak App, but this will be discontinued in July 2023.

WEARE EDUCATIONAL FOUNDATION - a small charity established for the benefit of young people in the parish of Weare. Grant applications should be made to The Trustees, C/O Paul Wattam, Henmore Lane, Weare BS26 2LB

Church Services Explained (Part 6) Agape Meal by Ruth Orriss

What is it? - It is a Lay-led non-communion service in which we share bread and wine and other food. You will be very welcome and completely included, whether you have been baptised or confirmed or neither. We follow a simple sheet, have readings from the Bible, say prayers and listen to a short talk.

When is it? At 9am, in Weare Church on the 1st Sunday of each month. Usually, no singing and we stay seated around a table. It usually lasts about 30 minutes. At 10am, is a new time and only intermittent for now. More like a normal service with singing, for which we usually stand. It will last around an hour.

Why go to this service? An anonymous attender says. 'The 9am is early in the day and the quietness helps me to focus on the day ahead. The sharing of bread reminds me that we are one family and that the Church Family supports me when I need help. The 10am feels like a normal service without the feeling that I might not belong'. **What do I need to do if I want to attend?** Just come into the church just before 9am or 10am and take your seat. You will be given a service sheet in your seat. If you would like someone to pick you up or meet you outside, please ring 01934 733281. '

Open Gardens - Badgworth Court Barn, Notting Hill Way, BS26 2NQ. Saturday 3rd and Sunday 4th June, 2-5.30pm, entry £5, children free .. Trish and Jeremy Gibson @theoldbarn gardeners Last year The National Garden Scheme raised its highest amount ever for all the really important nursing charities it supports, and that was just a year after the grip of lockdown! And if you came to our inaugural garden opening here at Badgworth Court Barn, you contributed in no small way towards that sum, with your wonderful patronage and friendship. We also hope too that you had a little excitement at seeing a new garden open for the scheme, but if you missed it, this coming first weekend in June is your chance to catch up.

No garden stands still, and in the meantime we've been busy putting in new design ideas and trying to make the business of garden visiting a bountiful and stimulating experience. We suddenly realised a few weeks ago - head gardener Trish and I - that this will be our tenth year of opening various different gardens, the last being the Old Vicarage in Weare, and we keep wondering just when we'll put down our trowels. Somehow though each year the excitement and potential grips us again, and so here we are, ready for another big weekend.

So do please come in and see us, meet old friends and have a really absorbing time, and of course as ever, Trish will be more than happy to answer any gardening queries you may have, and there will also be a plant stall with all sorts of horticultural surprises. And perhaps the most important things that so many people enjoy coming for are some of the lovely teas and cakes, conjured up, as last year, by Sarah and her team on behalf of Western Hospicecare.

We're so lucky to have them, and can't wait to see what tempting goodies they come up with this time! There's parking in the field beside the house up here on Notting Hill Way - just follow the signs, and we're very happy for you to bring well behaved dogs in on leads - so much better than having to leave them in the car. Most of the ground around the house is pretty level for those with difficulty walking, and there are plenty of chairs and benches to rest awhile upon. So here's hoping to see you at Badgworth Court Barn, Notting Hill Way, BS26 2NQ. Saturday 3rd and Sunday 4th June, 2-5.30pm, entry £5, children free .. Trish and Jeremy Gibson @theoldbarn gardeners

'Friends Of Weare Church' Wine Tasting Evening – March 2023

Steve Mercer writes .. Following a delay of nearly three years, caused by the pandemic, the Friends of Weare Church were finally able to hold our Wine Tasting evening at the Memorial Hall on Saturday 18 March. It was great to see a full house, as 80 people were expertly led through the evening by Matthew Hemming, a Master of Wine and resident of our village. I'm delighted to say that we have received very positive feedback, and I can report that the evening raised over £830 for our funds. My thanks to Matthew and members of the committee for organising the event and to all those who came along to support us. If you are interested in joining the Friends, for details look on the "Village Matters" drop-down page of the Weare Parish website - weareparishcouncil.org.uk or send an email to FOWCmembershipsecretary@hotmail.com

News from the Villages

Biddisham

Claire Talbot writes... The village celebrated the King and Queen's coronation with the bells being rung on Saturday morning and an afternoon gathering at the village hall. On Sunday afternoon we had tea and cakes at the Church. The weather was super and so villagers sat outside enjoying the sunshine and catching up on village news. Ruth Orris was the winner of the best crown competition. Thank you everyone for decorating the church, making all the wonderful cakes and for all your donations totalling £50.10.

Our alter hanging project is underway with beautiful designs from Serina and George Hatton. If you would like to get involved in transforming the pictures onto fabric please let me know. Our next meeting is at the church on 25th May at 3pm; if you cannot make this day and time and you would like to join in, just contact Claire.

Once again the year is zooming along and this month it will be St John the Baptist day again. There will be a 10am service at the Church to celebrate our Church's special day. Please check the exact date on the back of the Contact magazine. Gift day envelopes will drop through your door and this year I have a special appeal to all villagers.

Please keep our Church bells ringing. In April the bells were checked out for safety and we found they are in need of urgent repair. We can now only ring 3 of the 4 bells. All 4 bells need new fittings and rehanging to make them safe to ring. Richard Purdue from Exeter founded Biddisham bells in the early 1600's. They are a special peel of 4 bells – the only set Richard made. The rest of his works were single bells of which bell 11 in Exeter Cathedral are one of them. From now on we are limited to ringing 3 bells for special services and occasions like weddings. There can only be a ding, dong, ding; not a ding, dong, dong, ding. We need to raise over £10,000 for their repair. And so any donations this gift day will go towards repairing the bells. Please dig deep into your pockets to keep hearing the bells and for the bells to continue to ring for the next 500 years. Claire – Churchwarden

Weare

Hilary Hugh Writes... Thank you to everyone who made the Coronation celebrations so enjoyable for everyone who came along. Thank you also for the donations from families and from the Parish Council towards the costs. The most delicious teas began at 3pm and the dancing continued into the night. The children's games were enjoyed, as usual, by the children and the adults and it really was a joy to see the children's smiles as they were each given a medal to commemorate the occasion.

Weare (cont)

The church looked beautiful for the Coronation Service and a special mention must go to the Scouts who looked so smart and proud in their uniforms and to Debra Anderson and the Crook Peak Special Choir whose singing matched the splendour of the occasion. It was a truly memorable day.

A warm welcome is extended to Emily and Simon Young and their two children who have moved into Henmore Lane. We hope you will be very happy living in the village.

A reminder that the Parish Council Website can be found at <https://www.weareparishcouncil.org.uk> This is the place to find notice of meetings, agendas, minutes, links to planning applications, etc., in Lower Weare, Weare, Alston Sutton and Brinscombe. Other pages have been included for the Memorial Hall, Neighbourhood Watch, the Church and some village history. To advertise local events, find links to other sites, etc., please email weareparishcouncil@hotmail.com. Coffee mornings in the Church Room continue on the last Friday of every month between 10am and 12 noon. Do pop along if you are free.

Cross & Compton Bishop

Ruth Orriss Writes...

Coronation Celebrations - Cross and Compton Bishop did their bit to celebrate the great day. We had 2 events and over 80 people at each event. On Saturday the 6th, St Alfred's Concert Band entertained us in the Quarry in Cross, with a range of delightful tunes, including of course the National Anthem. The rain held off and picnics were shared and enjoyed. Our new public address system was tried out and this will be a great asset for future events. In Compton Bishop on Sunday the 7th, it was a time for families and fun with Nutty Noah, welly wanging and races, full sunshine, and more great food. Well done to everyone who contributed to these truly memorable events.

Caring for St Andrew's Church Compton Bishop

There will be a Churchyard Working Day on Saturday the 3rd of June from 10am, at St Andrews Church in Compton Bishop. Come along for an hour or 2 to help keep this community green space looking beautiful for all. The view is great, the company amazing and the cake to die for! Whether you want to wield a chainsaw or just a trowel, there will be a job for you. Please bring any tools you think would be useful and stay as long as you want to. You are also very welcome to come along to the St Andrews Church Committee. This group helps the Churchwardens to take care of our beautiful church and churchyard. The meetings are open to all residents, whether you want to volunteer to help or just come and find out what's going on. The next meeting is on the 5th of June at 7.45pm at Orchard Cottage, just along from the church. For more information on either of these or for any questions about the church please ring 07711197529

News from the Villages (Cont)

Badgworth

Debra Anderson writes... The bells of St Congar's were rung on Saturday 06 May for the Coronation of King Charles III. A dedicated band of local ringers went around the parish and beyond to ring as many of our bells as possible, beginning at Axbridge, then Biddisham; breaking for a substantial lunch at the New Inn, Cross, and then to Weare, Badgworth, Compton Bishop, Loxton, Christon, and finally on to Uphill. A marathon effort but very well worth it! Many thanks, yet again, to John Dunstone for organising the tour (known as a 'tower grab'!) and ringing as well.

Plea for new Ringers - We still have only two novice ringers from Badgworth to ring our bells, which means that we rely entirely on the good will of local ringers to come to our tower to ring with us. They have been supporting us now for 21 months and we are beginning to struggle to get enough ringers to Badgworth to keep our regular ringing practices going. Our open tower days have been very popular with many people keen to give ringing a try – which is great. Now we need a few more learners, if we are to make a Badgworth band of our own one day and stop relying on others to keep us going. You can find out more about ringing church bells from Robert Anderson on 01934 732537 / 07774 286676

Crook Peak Special Choir - The choir have been kept very busy in April and May. Over Easter they sang at Christon on Good Friday and Easter Sunday when the church was full. On 23 April the choir were joined by singers from Mark and Stone Allerton for a special joint service at St Congar's to commemorate four Elizabethan chalices dated 1573, from the villages of Badgworth, Mark, Stone Allerton and Weare. The Reverend Richard Neill, Area Dean, and our lay minister Gary Orriss lead a full church of 92 people in a service which was fascinating and uplifting. After the service, Elizabethan-style church-ales added to the celebratory atmosphere, and the Elizabethan Consort of period recorders, from Axbridge, played Elizabethan dance music. It was a very joyful occasion. The choir's busy schedule was brought to a climatic close with a coronation service at Weare, the day after the King's coronation. Nothing contemplative or reflective about the music on this day – just a blast of the most joyous and optimistic choral songs! Congratulations to the choir, who have worked so hard, learning lots of gorgeous and challenging music and giving up their Monday evenings to attend practices. If you have heard us sing and would like to join in – who wouldn't! - please contact Debra Anderson on 01934 732537 / 07881 955804

Badgworth (cont)

Badgworth Brewhouse - Graham and Louise Catley from Home Farm held the opening weekend of their new tap room on 13-14 May. 60-70 villagers strolled along to enjoy a selection of Badgworth Brewery's draft beer in the company of neighbours and friends. At present, the tap room is open to locals each weekend.

Loxton & Christon

Philip Davies writes... Congratulations to the Coronation Committee who organised a series of excellent fun events over the special holiday weekend. Thanks are also due to all those who gave their time to help make the events a great success. The Coronation evening function at St. Andrew's Farm was particularly well supported.

It was with considerable sadness that we learnt of Jane Jay's decision to stand down as church warden at St. Andrew's Church. Jane has worked incredibly hard to keep the church in focus during her time in office. Her commitment and enthusiasm has been outstanding. She has overseen many successful church events including displays marking royal events and the placing of a time capsule in the reconstructed church wall. She has also learnt to ring the bells which has been no easy task. Thank you Jane for all you have done.

The village hall committee continues to be very active. Their makeover of the hall with a large corner sofa, refurbished seats and small tables with cloths and lamps has made drinks evenings a more relaxing and sociable occasion. Drinks evenings take place on the first Friday of every month and breakfasts on third Sundays.

This year's annual scarecrow competition will have the theme "Pirates of the Caribbean" Entry forms are available from the Community Hub and must be posted through the village hall letter box by July 9th. On line enter at secretaryloxtonVH@gmail.com Trail maps £1 will be available from The Hub from July 16th. A new family horse racing evening will be taking place on Saturday, July 1st at St Andrew's Farm. This will be a really fun evening with all the family able to take part. The Community Hub now has a community bus which will be available to all residents in BS26. I was pleased to attend a fantastic afternoon at Dame Joanna Lumley's house in London along with fellow trustees of the Frankie Howerd OBE Trust when she received the keys to the bus from bosses of The National Grid and National Lottery Community Fund. Leaflets giving information about the bus will be distributed to all BS26 residents over the coming month. From June The Hub will be open every day from 9.30am to 4.30pm although cooked meals will not be available on Mondays and Tuesdays.
