

CCA Committee Minutes 2012-12-12

Present: Valerie Cutting (chair), Ian Manning (secretary), Michael Bond (Treasurer), Ken Turner

Apologies: Mike Dawson, Clive Brown

Actions

IM confirmed he's tried to contact Pip Noon and no issues with money being spent on a statutory body

IM and MB to make list of surveys – not had time

VC said we need agenda item next time about the CCA taster day

Website: IM suggested that we go through existing website and decide what is to be used on there and what isn't – use this to build requirements list and decide from there what to change to. General agreement but enthusiasm from MB & KT to look at Wordpress.

Finance Report

MB presented current situation included detail report on Finances for village sign competition.

There is £456.41 of uncommitted funds available this financial year.

VB raised issue of where to meet – suggested 100 houses to save money. General agreement that although we should support the hall, the money saved by not paying for St Andrew's we could support the Hall in other ways.

To be put on the agenda for a decision at our January meeting.

Membership

No change in membership. IM raised who was accounting for this – offered to depending on what MB wanted.

'A year in Chesterton' Photo idea

VB moved this up the agenda to allow us to spend the rest of the time on the village sign competition.

Ian outlined this – to email around a more detailed description, and put on agenda for next meeting to work out detail.

Village sign competition - design

Decided by majority to start with basic shape of a square and to give the artist basic things to include, which we decided were:

Church (St Andrew's but possibly all)

New bridge

Railway bridge

River

Rowers

Green Dragon (actual Dragon's head – from entry from Shirely School)

Chesterton Tower

Chesterton Mills (the old one on Union Lane for example, Chesterton Mill, Greens – off

Victoria Road)
Green spaces & trees

IM to ask a friend who is an artist, Michael to do likewise. VC suggested writing to Hills Road. IM to contact Adam Luke about getting something in the Cambridge News.

Village sign competition Location of sign

Junction of Chesterton road and Chesterton high street
Corner of Nuffield road and green end road
Green area at Mitcham's corner
Either of the two Elizabeth Way roundabouts

MB suggested possibility of two signs – i.e. we don't have to have just one
IM asked if both needed to be the same – suggested common elements but differences

Next meeting: Monday 16th January at St Andrew's 1800-1900
