## SKYE & LOCHALSH KERBSIDE RECYCLING

The Highland Council will be introducing a new Kerbside recycling scheme to allow **YOUR** household to recycle at home from **February 2009**.

By recycling your waste you can significantly help reduce the amount of rubbish that is sent to landfill from the Highlands and help conserve the Earth's natural resources.

**YOU WILL BE PROVIDED WITH A BLUE WHEELIE BIN TO SEPARATE YOUR WASTE FOR RECYCLING WHICH WILL BE COLLECTED EVERY 4 WEEKS.**

**Please use your recycling bin to recycle the following materials:**

- Paper**
- Food and drink cans**
- Plastic bottles (must be flattened)**
- Cardboard (must be flattened)**

**Your refuse collection will remain the same. Please remember that all your waste must be contained within your wheeled bin and the lid must be closed.**
