---

### **Summer Show 2019 - Update from**

#### **The Committee of The Northern Working Horse Society**

1. Participants and competitors will have noticed that we have had increased the entry fee, this has been a hard decision to take however it has been necessary to meet the rising costs involved in running the Summer Show. While the increase is fairly modest, we hope it does not deter any of you from entering. Do let us know !
2. In response to feedback from last year's Show regarding the time delay between the In-Hand Classes and the Ridden events, we are making the following changes:
  - Winners of Trophies will be handed a card along with their Rosette and are to present this at the show secretary's tent to receive their trophy.
  - The number of Classes, primarily in the Heavy Horse Section, have been reduced to reflect the entries over the previous years.
  - The raffle continues to be an incredibly popular element of Show Day and tickets will be on sale as usual. In order to make best use of time, we are going to have fewer though " bigger " prizes, with tickets drawn for specific items . During the period between the In-Hand and the Ridden Classes, Eddie, our compere, will call out the numbers of the lucky winners.

The Committee needs to hear your views and your feedback about the Show. So please tell us about your experience on Show Day.

**Looking forward to seeing you on Sunday 7 July 2019**

## **Northern Working Horse Society**
