

# Kilmorack Community Hall Newsletter - September 2010

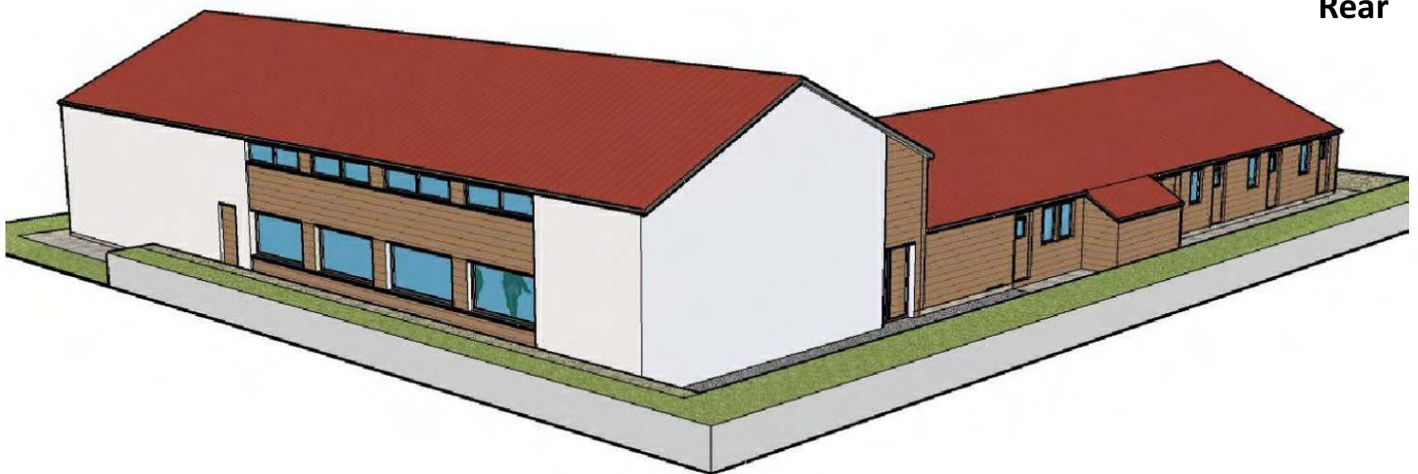

## New Hall Plans Now Finalised

Laid out below and overleaf are the detailed final plans for the new Kilmorack Hall. These plans will be submitted to Highland Council for approval towards the end of September. If you would like to hear more about our progress, please come along to our AGM on the 4<sup>th</sup> October 2010, more information below.

## KCH – AGM on 4<sup>th</sup> October 2010 - The past 12 months

KCH's AGM will be held at 19:30 on Monday 4<sup>th</sup> October 2010 in Kilmorack Hall. We would welcome all members of the community to come along and hear an update of our work over the last year. In the previous 12 months we have been successful in securing over £30,000 to develop detailed architects plans, along with detailed engineering plans and costings for the new hall. This work has also seen us take steps to transfer the necessary land from neighbouring landowners to enable the new build to progress – we are very grateful for their help with this. In addition we have had a very busy year fundraising with lots of familiar events along with some new ones. This has enabled a further £6,364 to be added to our fundraising account which is now sitting at approximately £35,000.

KCH – AGM on 4<sup>th</sup> October 2010 - New Directors Wanted

KCH was set up as a Company Limited by Guarantee 6 years ago and now those Director's who were involved from the very beginning and who have served two 3-year terms have to retire. **We are now looking for up to 5 new Directors to join KCH.** The next couple of years will be busy if we manage to pull off the funding so we are looking for anyone with skills in fundraising, project management or facilities management. In order to keep the existing hall operating on a day to day basis we are also keen to welcome anyone who might be interested in helping out with general maintenance, bookings etc. Please contact Euan Fraser on 01463 783118 for more details.

Floor Plan  
Area approx  
520 m<sup>2</sup>

Sorry about the poor quality of this floor plan. You can download a better version from our website.
