Agenda

Present: to record the presence of Cold Ashby Parish Councillors, Officers, members of external authorities and others in official attendance at the meeting.

Interests: Members' attention is drawn to the need to disclose pecuniary and non-pecuniary interests not already registered before any relevant agenda item.

- 1. Apologies:** to receive and consider apologies for absence
- 2. Open Forum:** the chairman invites comments on agenda items from anyone present at the meeting.
- 3. Complaints from residents.** The chairman has received written and verbal complaints, directly and indirectly from residents about the use of a property in Crabtree lane for business purposes, which, it is claimed, represents a nuisance in that it causes noise during the day and at night and that vehicles associated with the business block the pavement and represent a danger to pedestrians.

The chairman has contacted the resident in charge of the business who has offered to make some changes in recognition of the problem, but has stated that the current arrangement is not temporary and will continue for the foreseeable future.

The chairman has reported this response to the complainants, many of whom have already contacted the District Council with their complaint. The chairman will provide details of the complaints and the response at the meeting. The clerk will endeavour to discover any legal implications attached to the running of a business from whom, but considers that legal advice is primarily a matter for the complainants and for the owner of the business.

The Parish Council is asked to consider the following resolution, which it can support, amend or reject:

The Council authorises the clerk to contact the Daventry District Council (Environmental Health) in support of the complainants in respect of the operation of a business in Crabtree Lane.

Councillor R Bailey, Chairman, Cold Ashby Parish Council
