

## **Cold Ashby Village celebrations for Coronation of King Charles' Coronation**

The Memorial Hall committee would like to host the Village celebrations for the coronation on Sunday May 7th

Reasons for hosting at Memorial Hall:

It is early May and could be cold and wet so would need inside space.

We have disabled toilet facilities.

As yet the timetable of national events has not been finalised but we have formulated some ideas for the day of celebrations:

Family fun afternoon with bring your own picnic and BBQ, Fancy dress, traditional games, bouncy castle (held in field behind VH following discussions with Peter Moyes who rents the field from Matthews family- Matthews family have already agreed.)

Evening entertainment with live band Kingpins (starting at 6:30)

Licensed bar open all day

We would welcome any suggestions and finance from PC to host such event as we would like it to be free and we know that you have financed such events in the past.

Costs: Bouncy castle £150

Band: £300

Bunting/decorations: £50

Total £500.
