

# **Inverness Skating & Ice Dance Club**

## **Winter Newsletter Jan 2019**

It's great to see so many new skaters in the club! Just a reminder that, for safety reasons, no hats or scarves are to be worn on the ice. The same applies to hair bands, tiaras and anything else that might come off. It's a good idea to wear your hair in a ponytail or even a bun to make sure it doesn't get in the way when trying out new moves on ice.

### **New Skatewear**

For some time, the committee have been thinking of new club skatewear for members to help us identify more as a club. We've decided on a soft shell type jacket, similar to the ones the Synchro team wear, with a warm lining. We'll also have a fleece jacket, drying cloths for the blades and scrunchies for your hair. Samples will be available to view in the club in the near future. They will all have the logo and Inverness Skating Club on, with the option of having a name printed under the logo. We're all excited about this and thanks to Sarah for her hard work in liaising with the company to organise this for us.

### **Anniversary Disco**

The Inverness Skating & Ice Dance Club is 30 years old this year!

To mark this exciting occasion we're planning a disco for all members as well as inviting past skaters & opening it up to friends of members too. The plan is to also have a theme so there could be the opportunity for some dressing up!

The date is provisionally the 17th March but we will let you know all the details as they're arranged.

### **Dates for your Diary**

March 3rd - No club, Curling Bonspiel

April 7th, 14th & 21st - Easter Holidays, club will run as normal

May 5th - No club

May 12th - No club, boxing event

### **Hair Protocol**

Skaters of grade Bronze and above are actively encouraged to tie back their hair (if it's long), preferably in a bun. The new club scrunchies could be used for this.
