

# Inverness Skating & Ice Dance Club

## Spring Newsletter March/April 2019

### Competition Trophies

If you were one of the trophy winners at last years competition, it's now time to hand it back to the club, engraved with your name. We'd like them in plenty of time before this year's competition please.

If you think that your skating could improve with a private lesson, our coach Caroline Allan now has some spaces available in her schedule. Call the Ice Centre on 01463 235711 to find out more.

You might have seen the new jackets, fleeces and t-shirts on some of our members at club. If you would like to order one, the forms are held at the committee table. Orders will go off every few weeks to keep postage costs down. Ask to try out different sizes to get the best fit for you.

**Synchro Tryouts** - If you missed the tryouts for the Synchro teams last week, the next chance you have is Sunday, 7th April. Check out their facebook page under Highland Synchronized Ice Skating Teams.

**Competition** - The date of the club competition for 2019 is Sunday, 30th June. This will allow five weeks of practice after the May closures. More details to follow.

**Seniors** - Could senior skaters who come for 11am please come to check in at the committee table instead of coming in the bottom gate. A gentle reminder to encourage those with longer hair to tie it back, preferably in a bun.

Lastly, we hope to have Skate UK Registration booklets available in the next week or two for seniors who have passed Gold, we'll keep you posted of availability and costs.

### Dates for your Diary

April 7th - Easter holidays, club as normal

April 14th - Easter holidays, club as normal

April 21st - Easter Sunday, NO CLUB

April 28th - Club as normal
