September Newsletter 2019

Fees Increase

After 6 years of the Skating Club entrance fees staying the same, the committee have decided to make an increase to cover costs.

The entrance for members will increase to £5.50 and for non-members will increase to £7.50.

This will be in place from next Sunday, 8th September.

Membership Changes

To come in line with British Ice Skating (formerly NISA) membership dates, we've had to change the clubs' usual request for renewal of membership in the year.

Membership is **now due** and this will cover August to March '20. As you'll see from the membership form, the cost is reduced accordingly. We'll then renew again from April '20 to March '21 and will then be in line with BIS to go along with the financial year. If you have any questions at all, please don't hesitate to speak to a committee member to clear up any queries.
