Contestants comments:

Not to much time to spare, but it was fun as always ... Heinz DK7UM

My first attempt at this contest, very enjoyable. Condx seemed better on Sunday when 20m was open until 9pm. Just using 100W to a multiband vertical so very pleased to get 290 contacts, will hopefully be back next year ... Darrell G0HVQ

Suffered from snow static at times, power line noise from rain and snow plus QRN on the Sunday evening on 80m meant I missed my normal QSO with Mike VK6HD ... David G3YYD

The 6 hour format was perfect for Easter weekend -- wish more contests would include something similar. It's fun to do the long hauls from time to time but if you have a family and weekend chores, you can't do them as often as the opportunities arise! Some very good contacts, started on 40M early my last day to get ZM2B and continent 6, would rather have had the last hour start later to

work EU on 20, but went for the 6 continent opportunity. One QSO shy of 200 claimed, just couldn't buy that last one! ... Rowland K4XD

Nice RTTY contest again. Problems with a crashing logging PC, which resulted in some lost log entries. Therefore, expecting more errors in the log than usually. Nevertheless, it was fun to work BARTG again. Extra thanks to VK2KM who answered to my CQ through the long path exactly when I was demonstrating Dxing to one of our newly licensed club members ... LA1BFA/LA7JKA at LA1K

Very nice contest, but we have problem with WX. It was snowing and raining and QRN was very strong. Some station calling me several times, but I not copy call sign. SRI!!! Tnx for all station, who give me a point and also put my call on the cluster. 73 and cuagn! ... Zlatko S51MA

I made my first RTTY QSO 2008-02-29! This was my first RTTY contest! Old Windows ME computer that couldn't keep the time correct = problems! ... Allan SM5CSS

Very,very nice contest!!! ... Victor US0GH

SOAB6 is a great idea. More contests should offer the same ... Joe W6RLL

My best result on 40m in Bartg HF rtty contest, have vy high noise level and need new antenna (or separate RX ant). Thanks for all for nice QSOs. Nice to see many new calls here on rtty, vy good activity and Bartg contests is my favorite. 73/CUL in next year ... Karolj YU7AE

Contest Manager's Comments:

In my opinion this was the best BARTG HF RTTY contest for many years. Certainly there were more stations on the air and more logs received than in any previous year (30% more than 2007). Scores were way up on last year with 9 single ops getting over the magic million points. The high bands are still difficult but LS1D made many European contacts on 21MHz, suggesting that the band was workable for much of the contest but ignored by many entrants. The competition at the top of the expert class was intense with Boyan LZ8A just beating Mike K4GMH. Hopefully this year's winners in SOAB will add to the battle as experts in 2009.

Congratulations to all our winners and thanks to all who took part. I hope you come back next year.

Vy 73,

John Barber GW4SKA
BARTG Contest Manager
