

We have had a busy start to the year celebrating different things. We celebrated Robert Burns's day on the 25th January with a 2 course burns meal at the club with our friends. Our friend, Ken, who is the Centre Manager and who lets us use club also came and joined us for lunch and recited a little Robert Burns Poem. We really enjoyed his recital then went and danced to Scottish music. Some of the staff even tried to entertain us by trying to do the

Highland Fling!!

So, after our Haggis and Highland Flings, February has also started with lots to do.

February

Our friend Kath celebrated her birthday at the start of February. Some of us went out with Kath for a meal to help her celebrate and met up with some of her friends that she works with in her placements.
